Modernismo, Modernity and the Development of Spanish American Literature Cathy L. Jrade, 2010-01-01 A CHOICE Outstanding Academic Book Modernismo arose in Spanish American literature as a confrontation with and a response to modernizing forces that were transforming Spanish American society in the later nineteenth century In this book Cathy L Jrade undertakes a full exploration of the modernista project and shows how it provided a foundation for trends and movements that have continued to shape literary production in Spanish America throughout the twentieth century Jrade opens with a systematic consideration of the development of modernismo and then proceeds with detailed analyses of works poetry narrative and essays that typified and altered the movement's course In this way she situates the writing of key authors such as Rubén Darío José Martí and Leopoldo Lugones within the overall modernista project and traces modernismo's influence on subsequent generations of writers Jrade's analysis reclaims the power of the visionary stance taken by these creative intellectuals She firmly abolishes any lingering tendency to associate modernismo with affectation and effete elegance revealing instead how the modernistas' new literary language expressed their profound political and epistemological concerns Experiencias, Annotated Instructor's Edition Diane Ceo-DiFrancesco, 2019-10-15 Experiencias offers carefully sequenced activities pre-tested in the author's own classes that focus on personal interaction and real communication All face-to-face activities are easily adaptable for digital environments and writing assignments Recycling Throughout both volumes Experiencias incorporates activities that recycle previously learned material but with new topics which allows students to continue mastering vocabulary and structures encountered earlier in the program The Politics of Spanish American 'Modernismo' Gerard Aching, 1997-09-28 This 1998 book studies the ways in which nineteenth-century Spanish American writers and intellectuals imagined described and promoted idealized notions of a pan-Hispanic culture The National Union Catalog, Pre-1956 Imprints, 1975 **A Bibliographical Guide to Spanish American Literature** Walter Rela, 1988-08-24 This major bibliographic work reflects the significant interest in Latin American literature as a creative force in the world today Rela who has provided Latin American bibliography with many ground-breaking contributions has created a single comprehensive reference work for serious scholarship on Latin American literature with sources through 1986 Among the criteria used to determine which authors and works would be included are originality critical appraisal and the interest the work held for professors researchers and students The works are divided into general sections each section is broken down by country and by genre poetry prose fiction drama essay and annotations are provided for many works The book concludes with an author index International Index to Recorded Poetry Herbert H. Hoffman, 1983 **The Shepherd Who Didn't Run** María Ruiz Scaperlanda, 2020-09-01 El pastor no debe huir a la primera señal de peligro Padre Stanley Francis Rother El padre Stanley Rother fue fiel a su palabra No huy y fue martirizado a la edad de 46 años El padre Stanley llegó a Guatemala en 1968 e inmediatamente se identificó con el estilo de vida simple y campesino de sus feligreses
