An Epilogue for Eleanor Prudence Thayer,2013 A faceless man often appears in Eleanor s dreams He passionately engages her carrying her into worlds unknown speaking softly and making her feel beautiful inside and out In her dreams she is loved But in everyday life Eleanor has been wounded by date rape and the pitfalls of teenage love In everyday life the free spirited Eleanor is also trapped by the perfect ideals of the church trapped by what is right and proper and who is higher While trying to find solace and peace through doing all the right things Eleanor lost herself She married Mr Wrong twice She gave her life to the church only to be cast away and labeled unworthy Throughout it all the faceless man gives comfort and solace But Eleanor longs for more than a faceless dream She longs for more than a church that tosses away people like trash She longs for more than rolling over in the morning to find the dream gone and the pain of everyday laughing at the end of the bed And deep down inside Eleanor wonders what happened to the carefree Eleanor of days gone by Join Eleanor as she searches for something more than the dream something more than the emptiness as she searches for happiness

award winning young adult author Paul Volponi comes the true story of his unforgettable summer spent proving himself as a legitimate New York City streetballer only later discovering that he had gained a set of skills that would enhance his life off the court as well During the sweltering summer of seventeen year old Paul Volponi s life he had only one goal he wanted no needed to become a legitimate and respected New York City street basketball player It was a passion that consumed him night and day and at times even isolated him from his friends and family So he entered through the gates of the Proving Ground the roughest streetball yard in the city It was a place where the fouls resembled felonies and the atmosphere mirrored that of the Roman Coliseum more than Madison Square Garden It was where teens and adults contested pickup games with a ferocity seemingly greater than that of the NBA Finals The Proving Ground was a difficult place to cultivate friendships and an easy environment to make enemies This is the story of Paul s summer long initiation at the Proving Ground It is truly a streetball testament of a teenager who wanted more than anything else to earn his stripes in streetball society Only what he didn t understand at the time was that this experience would deliver to him as it does today for so many young adults a set of skills that would enhance his life far beyond the boundaries of a basketball court
