How much dough to use
for a pizza? The answer is
simple: it depends on the size
of the pizza. For a 12-inch
pizza, you need about 1/2
pound of dough.

A 12-inch pizza is the perfect
size for a family of four. It
is large enough to share
with a few friends, but not
too large to eat alone.

Recent the dough from the refrigerator when it's
cold. Let it sit at room temperature for 30 minutes.
This will make it easier to stretch.

Roll the dough out on a floured surface. Use a rolling pin
to flatten the dough. Roll it out to a 12-inch circle.

The Dirty South ,2023-11-15 The Dirty South examines the shifting significances of the South as a constructed fantasized region in the American psyche particularly its frequent association with tropes of dirt that emphasize soil garbage trash grit litter mud swamp water slime and pollution Beginning with iconic works from the 1970s such as Deliverance and The Texas Chainsaw Massacre James A Crank traces the image of a dirty South into the twenty first century to explore the social political and psychological effects of the region s hold on the imaginations of southerners and nonsoutherners alike With a focus on media forms through which southern identity gets articulated and questioned including horror movies Swamp Thing comics and popular music by artists such as Waylon Jennings and OutKast The Dirty South probes the sustained fascination with southern dirtiness while reflecting on its causes and consequences since the end of the civil rights era Highlighting the period from 1970 to 2020 during which the South began to represent several new possible identities for the nation as a whole and for the area itself Crank considers the ways that southerners have used depictions of dirt to create and police boundaries and to contest those boundaries Each chapter pairs prominent literary or cultural texts from the 1970s with more contemporary works such as Jordan Peele s film Get Out which recycle similar investments or critically challenge the inherent whiteness of the earlier images By historicizing fantasies of the region and connecting them to the first decades of the twenty first century The Dirty South reveals that notions about southern dirtiness proliferate not because they lend authenticity or relevancy to the U S South but because they aid so conspicuously in the zombified work of tethering investors real and imagined to a graveyard of ideas
