## **Michael Collins Himself:**

Michael Collins Chrissy Osborne, 2003 About the person of Michael Collins      **Myth and the Irish State** John M. Regan, 2013-12-03 When we read a history we believe ourselves to be reading cold hard facts of the events that took place and how they occurred But there is no real truthful way to know the approach our historian has taken with the historical sources This book deals with the uncertainty in writing history in the context of Irish history in particular Regan argues in this book that the notion of elision simply ignoring unhelpful evidence threatens Irish history today Regan believes that some historians have ignored unhelpful facts that perhaps do not further their point or perhaps contradict them altogether Each chapter focuses on a period of Irish history that Regan believes to be inconsistent or incomplete in its facts He asks the controversial questions about the period of history such as why do some historians deny or marginalise the British threat of war and re conquest in 1922 why do so many Irish historians describe Michael Collins as a constitutionalist or a democrat when the evidence argues otherwise Was the Irish Civil War really fought between democrats defending the state against dictators attempting its overthrow Did the new state briefly experience a military dictatorship under Collins in 1922 Thinking historically is not about learning history or accepting the past as it is presented to us it is as Regan argues in his thought provoking work about developing the critical skills to interpret history for ourselves      *Michael Collins' Own Story* Michael Collins, 1927      The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons, 1921 Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament      *Parliamentary Debates (Hansard)*. Great Britain. first space ride but each of the Six would make their mark A spirited group biography it s hard not to feel awe for these women The Wall Street Journal **The IRA on Film and Television** Mark Connelly,2014-01-10 The Irish Republican Army IRA has for decades pursued the goal of unifying its homeland into a single sovereign nation ending British rule in Northern Ireland Over the years the IRA has been dramatized in motion pictures directed by John Ford The Informer Carol Reed Odd Man Out David Lean Ryan s Daughter Neil Jordan Michael Collins and many others Such international film stars as Liam Neeson James Cagney Richard Gere James Mason and Anthony Hopkins have portrayed IRA members alternately as heroic patriots psychotic terrorists and tormented rebels This work analyzes celluloid depictions of the IRA from the 1916 Easter Rising to the peace process of the 1990s Topics include America s role in creating both the IRA and its cinematic image the organization s brief association with the Nazis and critical reception of IRA films in Ireland Britain and the United States

Field Day Review 7 James Chandler, Kevin Honan, Luke Gibbons, Seamus Deane, Niall Meehan, Kerby Miller, Lucy Cotter, Tony Crowley, 2011-10-15 Irish Studies essays from the best academics in the field **Tipperary** Frank Delaney, 2008-06-03 My wooing began in passion was defined by violence and circumscribed by land all these elements molded my soul So writes Charles O Brien the unforgettable hero of bestselling author Frank Delaney s extraordinary novel a sweeping epic of obsession profound devotion and compelling history involving a turbulent era that would shape modern Ireland Born into a respected Irish Anglo family in 1860 Charles loves his native land and its long suffering but irrepressible people As a healer he travels the countryside dispensing traditional cures while soaking up stories and legends of bygone times and witnessing the painful often violent birth of land reform measures destined to lead to Irish independence At the age of forty summoned to Paris to treat his dying countryman the infamous Oscar Wilde Charles experiences the fateful moment of his life In a chance encounter with a beautiful and determined young Englishwoman eighteen year old April Burke he is instantly and passionately smitten but callously rejected Vowing to improve himself Charles returns to Ireland where he undertakes the preservation of the great and abandoned estate of Tipperary in whose shadow he has lived his whole life and which he discovers may belong to April and her father As Charles pursues his obsession he writes the History of his own life and country While doing so he meets the great figures of the day including Charles Parnell William Butler Yeats and George Bernard Shaw And he also falls victim to less well known characters who prove far more dangerous Tipperary also features a second historian a present day commentator a retired and obscure history teacher who suddenly discovers that he has much at stake in the telling of Charles s story In this gloriously absorbing and utterly satisfying novel a man s passion for the woman he loves is twinned with his country s emergence as a nation With storytelling as sweeping and dramatic as the land itself myth fact and fiction are all woven together with the power of the great nineteenth century novelists Tipperary once again proves Frank Delaney s unrivaled mastery at bringing Irish history to life Praise for Tipperary The narrative moves swiftly and surely A sort of Irish Gone With the Wind marked by sly humor historical awareness and plenty of staying power
