Michel Faber Rebecca Langworthy, Kristin Lindfield-Ott, Jim MacPherson, 2020-12-08 This collection of essays provides the first substantial academic study of Faber's body of work from an international range of scholars many of whom include Faber's work in both their research and teaching The Courage Consort Michel Faber, 2014-04-22 The Courage Consort possibly the seventh best known a cappella vocal ensemble in Britain are given two weeks in a Belgian chateau to rehearse their latest commission the monstrously complicated Partium Mutante But can the piece be performed Does it matter that its composer is a maniac best known for attacking his wife with a stiletto shoe at the baggage reclaim of Milan airport Can the five members of the Consort endure their own sexual tensions and wildly differing temperaments And what is the inhuman voice that calls out to them from the woods at night The esoteric world of avant garde classical music is the unlikely setting for a story of rare power perhaps the most moving Michel Faber has yet written Under The Skin Michel Faber, 2013-10-15 A brilliantly told and beautifully written novel that defies categorization Under the Skin introduces Isserley a woman obsessed with picking up male hitchhikers so long as they're well muscled and alone But why As the story unfolds and the reason is made explicit the reader is drawn inexorably into a completely unexpected and increasingly terrifying world

The Ontology of Death Aaron Aquilina, 2023-05-18

Through examination of the death penalty in literature Aaron Aquilina contests Heidegger's concept of being towards death and proposes a new understanding of the political and philosophical subject Dickens Nabokov Hugo Sophocles and many others explore capital punishment in their works from Antigone to Invitation to a Beheading Using these

varied case studies Aquilina demonstrates how they all highlight two aspects of the experience First they uncover a particular state of being or more precisely non being that comes with a death sentence and second they reveal how this state exists beyond death row as sovereignty and alterity are by no means confined to a prison cell In contrast to Heidegger s being towards death which individualizes the subject only I can die my own death supposedly this book argues that when condemned to death the self and death collide putting under erasure the category of subjectivity itself Be it death row or not when the supposed futurity of death is brought into the here and now we encounter what Aquilina calls relational death Living on with death severs the subject s relation to itself the other and political sociality as a whole rendering the human less a named and recognizable being than an anonymous living corpse a human thing In a sustained engagement with Blanchot Levinas Hegel Agamben and Derrida The Ontology of Death articulates a new theory of the subject beyond political subjectivity defined by sovereignty and beyond the Heideggerian notion of ontological selfhood *Insights in consciousness research 2021* Antonino Raffone,Narayanan Srinivasan,Luca Simone,Xerxes D. Character and Dystopia Aaron S. Rosenfeld, 2020-07-08 This is the first extended study to specifically focus on character in dystopia Through the lens of the last man figure Character and Dystopia The Last Men examines character development in Yevgeny Zamyatin's *We* Anthony Burgess's *A Clockwork Orange* Kazuo Ishiguro's *Never Let Me Go* Fyodor Dostoevsky's *Notes from Underground* George Orwell's *Nineteen Eighty Four* Nathanael West's *A Cool Million* David Mamet's *Glengarry Glen Ross* Octavia Butler's *Parable of the Sower* Lois Lowry's *The Giver* Michel Houellebecq's *Submission* Chan Koonchung's *The Fat Years* and Maggie Shen King's *An Excess Male* showing how in the 20th and 21st centuries dystopian nostalgia shades into reactionary humanism a last stand mounted in defense of forms of subjectivity no longer supported by modernity Unlike most work on dystopia that emphasizes dystopia's politics this book's approach grows out of questions of poetics What are the formal structures by which dystopian character is constructed How do dystopian characters operate differently than other characters within texts and upon the reader What is the relation between this character and other forms of literary character such as are found in romantic and modernist texts By reading character as crucial to the dystopian project the book makes a case for dystopia as a sensitive register of modern anxieties about subjectivity and its portrayal in literary works
