social movements Offers the most comprehensive discussion of social movements available **Sites of Asian Interaction**
Tim Harper, Sunil Amrith, 2014-07-14 A focus on the sites of Asian interaction enables this volume to shed new light on the growing field of diaspora studies Research on Asia's many diasporas has enriched the older literature on migration to illuminate the links of kinship affect trade and information that connect locations across Asia and beyond But where many recent works on particular diasporas have tended to look inwards at how distinctive diasporic cultures maintained a sense of home while abroad the volume's focus has been on how different diasporas have come into contact with each other in particular places often for the first time It also engages with research in the fields of urban studies and urban history The articles develop the already rich historical literature on port cities across Asia the quintessential sites of Asian cosmopolitanism as well as more recent work on the moving metropolises and mobile cities of contemporary Asia

Movements in Times of Democratic Transition Bert Klandermans, Cornelis van Stralen, 2015-01-09 In regions that have undergone tumultuous transitions democratic social movements have often been the catalyst for great change However once those changes occur can these movements survive and if so how The editors and contributors to *Movements in Times of Democratic Transition* examine in comparative detail how social movements act within the context of the democratic transitions they have been fighting for and how they are affected by the changes they helped bring about Offering insights into the nature of how social movements decline radicalize revitalize or spark new cycles of activism *Movements in Times of Democratic Transition* provides a comprehensive analysis of these key questions of mobilization research Contributors include Paul Almeida Christopher J Colvin Stephen Ellis Grzegorz Ekiert Grzegorz Forys Krzysztof Gorlach Camila Penna Sebastian Pereyra Steven Robbins Ton Salman Mate Szabo Ineke van Kessel Michal Wenzel and the editors Effective Advocacy
Mary Alice Haddad, 2021-03-23 An examination of successful environmental advocacy strategies in East Asia that shows how advocacy can be effective under difficult conditions The countries of East Asia China Japan South Korea and Taiwan are home to some of the most active and effective environmental advocates in the world And the governments of these countries have adopted a range of innovative policies to fight pollution and climate change Japan leads the world in emissions standards China has become the world's largest producer of photovoltaic panels and Taiwan and Korea have undertaken major green initiatives In this book Mary Alice Haddad examines the advocacy strategies that persuaded citizens governments and businesses of these countries to change their behavior *Organized Muslim Women in Turkey* Ayşe Dursun, 2022-10-25 This book explores the politics of organized Muslim women in Turkey and analyzes their coalitions with other secular feminist Kurdish etc women's movements from an intersectional perspective It provides empirical evidence for significant changes in Muslim women's politics under the ruling Justice and Development Party AKP and points to the increasing difficulty to build cross movement women's coalitions in the face of rising religious conservatism and authoritarianism under the AKP rule While feminist Muslim women who display an intersectional understanding of structural

inequality and oppression are found to be more resilient in the face of political pressure conservative Muslim women dodge women's coalitions and align with the government's discourses and policies Empirical evidence based on interviews with organized Muslim women also shows that prospects for coalition building largely depends on the specific societal and institutional re configurations of patriarchy along with other relations of domination rather than mere ideological difference among women This book will be of interest to scholars and students across Gender Studies Sociology and Political Science particularly those whose research focuses on intersectionality and social movements *Handbook of Social Movements Across Disciplines* Conny Roggeband, Bert Klandermans, 2017-07-31 This book aims to revisit the interdisciplinary roots of social movement studies Each discipline raises its own questions and approaches the subject from a different angle or perspective The chapters of this handbook are written by internationally renowned scholars representing the various disciplines involved They each review the approach their sector has developed and discuss their disciplines contributions and insights to the knowledge of social movements Furthermore each chapter addresses the unanswered questions and discusses the overlaps with other fields as well as reviewing the interdisciplinary advances so far **Social Movements: The Key Concepts** Graeme Chesters, Ian Welsh, 2010-10-04 Social Movements The Key Concepts provides an insightful contemporary introduction to some of the frequently encountered terms and groups that are central to the study of collective action and social and political activism Following an A Z format the entries defined and discussed are drawn from the following areas the old social movements of the nineteenth century the new social movements of the 1960s and 1970s the rise of contemporary network movements Key American European and global social movements are addressed with each entry related to contemporary developments and emergent tendencies within the field Including helpful references for further study this concise and up to date guide is of relevance for those studying a range of disciplines including sociology politics cultural studies and human geography *Parties, Governments and Elites* Philipp Harfst, Ina Kubbe, Thomas Poguntke, 2017-04-26 Parties governments and elites are at the core of the study of democracy The traditional view is that parties as collective actors play a paramount role in the democratic process However this classical perspective has been challenged by political actors observers of modern democracy as well as political scientists Modern political parties assume different roles contemporary leaders can more heavily influence politics governments face new constraints and new collective bodies continue to form propose new ways of participation and policy making and attract citizens and activists In the light of these observations the comparative study of democracy faces a number of important and still largely unsolved questions that the present volume will address *The Oxford Handbook of Political Psychology* Leonie Huddy, David O. Sears, Jack S. Levy, 2013-08-01 Political psychology applies what is known about human psychology to the study of politics It examines how people reach political decisions on topics such as voting party identification and political attitudes as well as how leaders mediate political conflicts and make foreign policy decisions The Oxford Handbook of Political Psychology

gathers together a distinguished group of scholars from around the world to shed light on these vital questions Focusing first on political psychology at the individual level attitudes values decision making ideology personality and then moving to the collective group identity mass mobilization political violence this fully interdisciplinary volume covers models of the mass public and political elites and addresses both domestic issues and foreign policy Now with new material providing an up to date account of cutting edge research within both psychology and political science this is an essential reference for scholars and students interested in the intersection of the two fields

Social Movements and Protest Politics Greg Martin, 2023-12-22 This fully revised and updated edition of *Social Movements and Protest Politics* provides interdisciplinary perspectives on the sociology of protest movements It considers major theories and concepts which are presented in a clear accessible and engaging format The second edition contains new chapters on methods and ethics of social movement research and legal mobilisation protest policing and criminal justice activism including calls to abolish or defund police made at protests during the COVID 19 pandemic This edition introduces readers to the concept of the post protest society wherein the right to protest is whittled away to near vanishing point and authorities have considerable legal recourse to ban protests and render the tactics of protest movements ineffective The book also looks at recent developments and novel social movements including Black Lives Matter Extinction Rebellion Gilets Jaunes MeToo and Hong Kong's Umbrella Movement as well as the rise of contemporary forms of populism in democratic societies The book presents specific chapters outlining the early origins of social movement studies and more recent theoretical and conceptual developments It considers key ideas from resource mobilisation theory the political process model and new social movement approaches It provides extensive commentary on the role of culture in social protest including visual images emotions storytelling music and sport religious movements geography and struggles over space media and movements and global activism Historical and contemporary case studies and examples from a variety of countries are provided throughout including the American civil rights movement Greenpeace Pussy Riot Indigenous peoples movements liberation theology Indignados Occupy Tea Party and Arab Spring Each chapter also contains illustrations and boxed case studies to demonstrate the issues under discussion *Social Movements and Protest Politics* will be an indispensable resource for undergraduate and postgraduate students in the social sciences and humanities wanting to be introduced to or extend their knowledge of the field The book will also prove useful to university teachers and academic researchers activists and practitioners interested in the study of social cultural and political protest

Community Gardening as Social Action Claire Nettle, 2016-05-23

There has been a resurgence of community gardening over the past decade with a wide range of actors seeking to get involved from health agencies aiming to increase fruit and vegetable consumption to radical social movements searching for symbols of non capitalist ways of relating and occupying space Community gardens have become a focal point for local activism in which people are working to contribute to food security question the erosion of public space conserve and improve urban environments develop technologies of sustainable food production foster community engagement and create neighbourhood solidarity Drawing on in depth case studies and social movement theory Claire Nettle provides a new empirical and theoretical understanding of community gardening as a site of collective social action This provides not only a more nuanced and complete understanding of community gardening but also highlights its potential challenges to notions of activism community democracy and culture

Protests as Events Ian R Lamond, Karl Spracklen, 2014-11-05 Can activism be considered a leisure activity Can the Occupy movement local campaigns for change and lone acts of personal resistance be understood as events Within the field of Events Management the content of events is generally analyzed within three categories culture sport or business Such a typology can be helpful as a heuristic for interpretation and analysis within a

commercial paradigm However this framework overlooks and depoliticizes a significant variety of events those more accurately construed as protest

Protests as Events is the first book to explore activism as a leisure activity and protests as events using a fresh interpretation of event to develop a new critical politics of events and leisure Bringing together a range of cutting edge research from around the world it explores a variety of protests through the lens of events studies and leisure in order to understand how the study of events management might be conceptualized in the protest space

Right-Wing Radicalism Today Sabine von Mering, Timothy Wyman McCarty, 2013-06-19 This book highlights recent developments in the radical right providing comparative analysis of current extremist activity in Eastern and Western Europe and the United States It reveals the growing amount of connections and continuities of rightwing movements and ideologies across national borders Subjects covered include Who joins radical right parties and why Recent developments in parties in Eastern Western Europe The transatlantic cross fertilisation of ideological perspectives How the US extreme right has changed since the emergence of the Tea Party movement This will be essential reading for all students and scholars within an interest in the contemporary radical right and extremism

Intercommunal Warfare and Ethnic Peacemaking Joldon Kutmanaliev, 2023-05-08 With increasing urban population density conflicts in cities erupt more frequently and violently Cities have become hotspots for armed combat highlighting the urgency of understanding the impact of local communities and urban factors on the development of violent conflict Joldon Kutmanaliev presents a novel approach to analyzing communal violence and armed conflicts in urban zones Drawing from fieldwork in cities of southern Kyrgyzstan he explains local level variations in violence across neighbourhoods during the most intense and violent episode of urban communal violence in Central Asia the clashes between Kyrgyz and Uzbeks in June 2010 Kutmanaliev explains why armed violence affects some urban neighbourhoods but not others why local communities react differently to the same existential threat how they deal with a deteriorating security environment and interethnic fears and how different types of urban planning and urban landscapes influence the spread of violence Importantly the book identifies key factors that help local communities and their leaders to negotiate non aggression pacts and control local constituencies and therefore successfully prevent violence

Intercommunal Warfare and Ethnic Peacemaking explains communal war and ethnic peacemaking on the level of neighbourhood communities a perspective that is largely absent in previous studies
