Mexican Solidarity Citizen Participation And Volunteering:

Mexican Solidarity Jacqueline Butcher, 2009-11-27 During the nearly 20 years of its existence the Centro Mexicano para la Filantropía A C Cemefi acronym in Spanish for the Mexican Center for Philanthropy has promoted a varied agenda of research about civil society in Mexico Cemefi has produced and published information on the characteristics of the social organizations that make up the Mexican nonprofit sector as well as information about the type of legal fiscal and economic factors that promote or hinder organized citizen participation based on the principles of solidarity social responsibility and philanthropy Once again with the aim of bringing together information regarding the importance of practices of solidarity in the country Cemefi has decided to contribute to understanding making known and ultimately promoting volunteer action and acts of solidarity undertaken by citizens in this country The end result of this effort is portrayed in this book *Mexican Solidarity Citizen Participation and Volunteerism* edited and coordinated by Doctor Jacqueline Butcher It is the product of a joint effort on the part of different people and institutions with a common goal finding out about the characteristics of volunteerism and in general citizen participation in acts of solidarity in Mexico *Perspectives on Volunteering* Jacqueline Butcher, Christopher J. Einolf, 2016-08-10 This volume overlooks the distinct expressions and awareness of volunteering in the lived reality of people from different regions of the world By casting the net widely this book not only expands the geographic reach of experiences models and case studies but also transcends the conventional focus on formal volunteering It highlights institutional forms of volunteering specific to developing nations and also describes volunteering that is more loosely institutionalized informal and a part of solidarity and collective spirit As a result this book provides a different look at the values meaning acts and expressions of volunteering The chapters in this book consist of essays and case studies that present recent academic research thinking and practice on volunteering Working from the premise that volunteering is universal this collection draws on experiences from Latin America Africa including Egypt and Asia This book focuses on developing countries and countries in transition in order to provide a fresh set of experiences and perspectives on volunteering While developing countries and countries in transition are in the spotlight for this volume the developed country experience is not ignored Rather the essays use it as a critical reference point for comparisons allowing points of convergence disconnect and intersection to emerge **The Palgrave Handbook of Volunteering, Civic Participation, and Nonprofit Associations** David Horton Smith, Robert A. Stebbins, Jürgen Grotz, 2017-01-18 Written by over 200 leading experts from over seventy countries this handbook provides a comprehensive state of the art overview of the latest theory and research on volunteering civic participation and nonprofit membership associations The first handbook on the subject to be truly multinational and interdisciplinary in its authorship it represents a major milestone for the discipline Each chapter follows a rigorous theoretical structure examining definitions historical background key analytical issues usable knowledge and future trends and required research The nine parts of the handbook cover the historical and conceptual background of the discipline

special types of volunteering the major activity areas of volunteering and associations influences on volunteering and association participation the internal structures of associations the internal processes of associations the external environments of associations the scope and impacts of volunteering and associations and conclusions and future prospects This handbook provides an essential reference work for third sector research and practice including a valuable glossary of terms defining over eighty key concepts Sponsored by the International Council of Voluntary Civil Society and Social Economy Researcher Associations ICSERA www.icsera.org it will appeal to scholars policymakers and practitioners and helps to define the emergent academic discipline of voluntaristics

Solidarity in Europe Christian Lahusen, Maria T.

Grasso, 2018-04-19 This open access volume provides evidence based knowledge on European solidarity and citizen responses in times of crisis Does the crisis of European integration translate into a crisis of European solidarity and if yes what are the manifestations at the level of individual citizens How strongly is solidarity rooted at the individual level both in terms of attitudes and practices And which driving factors and mechanisms contribute to the reproduction and or corrosion of solidarity in times of crisis Using findings from the EU Horizon 2020 funded research project European paths to transnational solidarity at times of crisis Conditions forms role models and policy responses TransSOL the book addresses these questions and provides cross national comparisons of eight European countries Denmark France Germany Greece Italy Poland Switzerland and the UK It will appeal to students scholars and policymakers interested in the Eurocrisis politics and sociology

Accounting for the Varieties of Volunteering Riccardo Guidi, Ksenija Fonović, Tania Cappadozzi, 2021-07-07

For a long time volunteering lacked standardized data sets allowing methodologically robust comparative analyses and global policy making Starting from 2011 the International Labour Office ILO and the United Nations UN have provided global statistical standards for organization based and direct volunteering which offer path breaking opportunities The global statistical standards on volunteering are however only relatively known They also have to face difficult methodological and substantial challenges Can they really account for the local varieties of volunteering in the different areas of the world Does their adoption further develop our knowledge of volunteering both at national and international level Beyond illustrating which innovations these statistical standards bring and critically assessing the tensions between the global guidelines and the local differences the book shows how the ILO and the UN standards can be implemented into national statistics and which advancements in the understanding of characters antecedents and impacts of contemporary organization based and direct volunteering they allow The Volume takes Italy as an illustrative case that offers global value This multidisciplinary book demonstrates that a holistic approach to the implementation of the ILO and UN guidelines permits to virtuously balance international statistical standards and locally embedded cultures as well as to move knowledge of volunteering forward in a complexity driven agenda The book provides tools evidences and inspiration for scholars statistical agencies practitioners and policy makers

The Mexican Press and Civil Society, 1940-1976 Benjamin T. Smith, 2018-08-07 Mexico today is one of

the most dangerous places in the world to report the news and Mexicans have taken to the street to defend freedom of expression As Benjamin T Smith demonstrates in this history of the press and civil society the cycle of violent repression and protest over journalism is nothing new He traces it back to the growth in newspaper production and reading publics between 1940 and 1976 when a national thirst for tabloids crime sheets and magazines reached far beyond the middle class As Mexicans began to view local and national events through the prism of journalism everyday politics changed radically Even while lauding the liberty of the press the state developed an arsenal of methods to control what was printed including sophisticated spin and misdirection techniques covert financial payments and campaigns of threats imprisonment beatings and even murder The press was also pressured by media monopolists tacking between government demands and public expectations to maximize profits and by coalitions of ordinary citizens demanding that local newspapers publicize stories of corruption incompetence and state violence Since the Cold War both in Mexico City and in the provinces a robust radical journalism has posed challenges to government forces

Third Sector Research Rupert Taylor, 2010-03-02 To mark the 20th Anniversary of *Voluntas International Journal of Voluntary and Nonprofit Organizations* the editor has compiled a comprehensive overview of contemporary debates in third sector scholarship comprised of all original research by leaders in the field The volume will offer a critical review of the central and innovative themes that have come to form the core of third sector debate and research with an international focus The first global compendium of third sector research this volume provides a international multi disciplinary and state of the art overview of the field The contributions not only examine and review the existing scholarship but introduce new perspectives and thinking on the third sector especially in terms of future implications around the world Topics covered include History and Development of the Field New Trends in Volunteering and Philanthropy Volunteering and Participation in Developing Countries Leadership and Governance Corporate Responsibility Social Capital Global Civil Society This seminal volume provides a broad and comprehensive look at the field of Third Sector Research of primary interest to researchers in political science sociology development studies and nonprofit leadership programs

The Global Historical and Contemporary Impacts of Voluntary Membership Associations on Human Societies David Horton Smith, 2018-07-17 Reviewed here is global research on how 13 types of Voluntary Membership Associations MAs have significantly or substantially had global impacts on human history societies and life Such outcomes have occurred especially in the past 200 years since the Industrial Revolution circa 1800 CE and its accompanying Organizational Revolution Emphasized are longer term historical and societal or multinational impacts of MAs rather than more micro level individual or meso level organizational outcomes MAs are distinctively structured with power coming from the membership not top down The author has characterized MAs as the dark matter of the nonprofit third sector using an astrophysical metaphor Astrophysicists have shown that most physical matter in the universe is dark in the sense of being unseen not stars or planets

Refugee Protection and Civil Society in Europe Margit Feischmidt, Ludger Pries, Celine

Cantat,2018-09-29 This volume analyses civil society as an important factor in the European refugee regime Based on empirical research the chapters explore different aspects structures and forms of civil society engagement during and after 2015 Various institutional collective and individual activities are examined in order to better understand the related processes of refugees movements reception and integration Several chapters also explore the historical development of the relationship between a range of actors involved in solidarity movements and care relationships with refugees across different member states Through the combined analysis of macro level state and European policies meso level organization s activities and micro level individual behaviour Refugee Protection and Civil Society in Europe presents a comprehensive exploration of the refugee regime in motion and will be of interest to scholars and students researching migration social movements European institutions and social work

Shelter on the Journey Priscilla Solano,2024-04-26 This book surveys the social life and contested meanings in migrant shelters in Mexico probing the interactions between refugees humanitarian staff and outside interests The author finds that these interactions construct a human rights discourse in favor of freedom of movement

A Survey of Voluntaristics David Horton Smith,2015-11-24 This article provides a survey of the growth of research on Nonprofit Sector and Voluntary Action Research now termed simply voluntaristics The author founded the organized global interdisciplinary socio behavioral science field of voluntaristics in 1971 with his formation and establishment of the Association for Research on Nonprofit Organizations and Voluntary Action ARNOVA www.arnova.org Both ARNOVA and its interdisciplinary academic journal Nonprofit and Voluntary Sector Quarterly NVSQ have served as initial models for the global diffusion of this interdisciplinary field now present in all inhabited continents and with upwards of 20 000 academic participants in at least 130 nations and territories and likely more Voluntaristics after more than 40 years of growth now qualifies as a new global integrative academic discipline in the socio behavioral sciences and related social professions not just as one of many interdisciplinary fields of research according to six defining criteria for a discipline However the author prefers to label voluntaristics as an inter discipline since its hallmark is the interdisciplinary study of all voluntary nonprofit sector VNPS phenomena

Manual on the Measurement of Volunteer Work International Labour Office,2011 Intended as a guide for countries in generating systematic and comparable data on volunteer work by means of regular supplements to labour force or other household surveys The objective is to make available comparative cross national data on a significant form of work which is growing in importance but is often ignored or rarely captured in traditional economic statistics in order to establish the economic value of volunteering

Youth Civic Engagement in a Globalized World Catherine Broom,2016-10-19 In this book the authors explore the apparent decline in youth civic engagement through research studies conducted in seven societies nations with varied experiences with democracy This work is framed within a youth civic engagement model Each subsequent chapter presents the findings for each nation along with contextual and historical discussions of citizenship education This book explores the findings in Canada England Hong Kong India Italy

Japan and Mexico **Mediterranean Mobilities** Maria Paradiso, 2018-05-31 This book critically assesses mobilities across the Mediterranean Basin and explores the implications of changing European relationships in the light of observations of the intersectional formation and evolution of identities behavior and ideas Further it discusses the timely topic of a new diversity of migration and mobility practices personal and virtual mobilities in terms of gender motivations emotional geographies impacts and circulation from conceptual and empirical perspectives providing new insights for scholars and policy makers in the context of urgently needed national and European policies Mediterranean Mobilities is based on fieldwork in European and non European countries and on mutual learning and transfer of knowledge among scholars from nine universities in Morocco Algeria Israel Ireland Italy Portugal and Spain as well as stakeholders in Europe and North Africa The results stem from the FP7 Marie Curie IRSES project MEDCHANGe coordinated by the book editor The project comprises fieldwork conducted by distinguished scholars in Europe Morocco Algeria and Israel generating original data and findings on fast changing realities This book appeals to researchers but also serves as a basic or complementary text in advanced undergraduate graduate or master s courses on mobilities migration regionalization cooperation international relations and Mediterranean studies as part of teaching programs in geography sociology international political sciences as well as programs focusing on regional studies e g European integration It is also of interest to the professional and institutional community in the wide area of Mediterranean politics economy and society as well as a general readership **The mexican**

enigma Sergio Aguayo Quezada, 2015-05-27 The country s future depends on what a conscious and organized society does or fail to do The mexican enigma is an informative analysis of the situation of political social and economic crisis that Mexico is going through from the review of three key areas the political elites mainly figures like Enrique Pe a Nieto whom the author studies in a bibliographical manner as well as reviews his actions since he was governor of Estado de Mexico the de facto powers that have been developed in the country and its implications in Mexican political and social credibility the last axis is organized society which from the perception of Aguayo has always been excluded from Mexican politics The author also discusses the state of political culture within society and the level of disapproval of this before the present form of the government of Mexico The author makes a strong documentary research that reaches to an almost didactic text bringing the reader to a real and well informed approach of what is happening in Mexico The book in digital format allows interaction with documents videos and photographs that complement the reading while encouraging political reflection from its readers

Mexican Hometown Associations in Chicago acán Xóchitl Bada, 2014-04-30 Chicago is home to the second largest Mexican immigrant population in the United States yet the activities of this community have gone relatively unexamined by both the media and academia In this groundbreaking new book X chitl Bada takes us inside one of the most vital parts of Chicago s Mexican immigrant community its many hometown associations Hometown associations HTAs consist of immigrants from the same town in Mexico and often begin quite informally as soccer clubs or prayer groups As Bada s work shows however HTAs

have become a powerful force for change advocating for Mexican immigrants in the United States while also working to improve living conditions in their communities of origin Focusing on a group of HTAs founded by immigrants from the state of Michoacán the book shows how their activism has bridged public and private spheres mobilizing social reforms in both inner city Chicago and rural Mexico Bringing together ethnography political theory and archival research Bada excavates the surprisingly long history of Chicago's HTAs dating back to the 1920s then traces the emergence of new models of community activism in the twenty first century Filled with vivid observations and original interviews Mexican Hometown Associations in Chicagoacán gives voice to an underrepresented community and sheds light on an underexplored form of global activism
