economic and social changes Engelhardt reveals a broad middle of southerners that included poor whites farm families and middle and working class African Americans for whom the stakes of what counted as southern food were very high Five moments in the story of southern food moonshine biscuits versus cornbread girls tomato clubs pellagra as depicted in mill literature and cookbooks as means of communication have been chosen to illuminate the connectedness of food gender and place Incorporating community cookbooks letters diaries and other archival materials A Mess of Greens shows that choosing to serve cold biscuits instead of hot cornbread could affect a family s reputation for being hygienic moral educated and even godly *The Cambridge World History of Food* Kenneth F.
