**Interior Design Since 1900 (Fourth) (World of Art)** Anne Massey,2020-04-14 Newly updated and overflowing with color this well established history of interior design describes and illustrates each movement and change in taste throughout

the twentieth century Interior design experienced an extraordinary amount of changes in taste and style during the twentieth century From William Morris and the Arts and Crafts movement to expressionism postmodernism and green design Interior Design Since 1900 charts them all Featuring more than two hundred color illustrations of interiors from around the world this book reveals the fundamental changes in style that occurred throughout the century The 1900s saw the emergence of professional designers and a growing appetite to redesign homes to keep up with popular fashion In recent decades the focus has shifted toward public spaces and sustainable design In this survey Anne Massey explores the social political economic and cultural contexts of these developments This book has been a classic introduction to interior design for almost thirty years The new fourth edition is brought up to date with a chapter on transnational design encompassing midcentury modernist work in Singapore and Sri Lanka as well as more recent interior spaces including luxury hotels in Dubai and a contemporary art museum in Cape Town Through this book Massey shows how a shared language of design and cutting edge technology are reshaping interiors around the globe

**Unmasking of Our Interiors** Michael Plasse-Taylor, 2022-06-22 A memoir of survival rebellion and tenacity this narrative follows the author's incredible life journey from survivor and outcast to mentor ground breaker and advocate for LGBTQ rights Born a preemie and raised in disfunction and poverty on Toronto's Skid Row he was deemed a sissy boy and faggot at a young age as well as someone who thinks he's better than us for the cardinal sin of dreaming of a better life Never letting those negative voices define who he was or what he could become he found his voice and stood firm knowing that education curiosity and a passion for finding his own way in life through trial and error were his compass to happiness and success Becoming the first person in his family to ever go to university eventually earning a Master's Degree in Interior Design his outlook grew and evolved allowing him to finally find and embrace the person his family had always rejected the person he was always meant to be Though touching upon many difficult subjects from childhood abuse and abandonment to the Aids Epidemic and its devastation impact on the gay community in the 1980s and early 90s this story manages to be highly entertaining throughout overflowing with insight wisdom humour and no small amount of sass

Artful Decoration Andrew Fisher, Jeffry Weisman, 2013-03-19 Andrew Fisher and Jeffry Weisman delight in the unexpected They revel in beautiful contradictions to create interiors that blend the exotic and the traditional and refresh classic ideas with handmade whimsical details Both designers contribute an essential element to every project Andrew Fisher injects opulence and glamour hand decorating chandeliers with shells crafting side tables with delicate branchlike bases and choosing ornate accent materials like tortoise gold leaf and peacock feathers Jeffry Weisman contributes restrained architecture calm visual pauses and impeccable interior finishes As a firm Fisher Weisman breathes new life into traditional aesthetics reinterpreting timeless sensibilities with a lively and contemporary eye Whether recovering Biedermeier chairs in zebra hide and slipper chairs with repurposed Indian saris found on their travels or finishing formal dining rooms in rich chocolate lacquer Fisher Weisman subverts expectations to create truly extraordinary interiors Artful Decoration showcases

the exquisite work of this San Francisco based design firm revealing the imagination meticulous attention to detail and the sense of humor with which they infuse every home Beguiling touches finish off rooms designed with an enviable knowledge of form proportion color and history to bring traditional spaces into the present and create livable fresh interiors with an artisanal flair Artful Decoration features thirteen residences ranging from small but lavish pieds terre to airy Californian estates from elegant penthouses to one especially elaborate tree house Two hundred vivid full color illustrations reveal these and many other unexpected pleasures on every page to delight the eye and inspire the imagination **The New York**

**Times Magazine** ,1978 *Designing for Diversity* Kathryn H. Anthony,2021-08-18 A powerful statement about the repercussions of discrimination and the benefits of diversity in architecture Providing hard data for trends that many perceive only vaguely and some deny altogether *Designing for Diversity* reveals a profession rife with gender and racial discrimination and examines the aspects of architectural practice that hinder or support the full participation of women and persons of color Drawing on interviews and surveys of hundreds of architects Kathryn H Anthony outlines some of the forms of discrimination that recur most frequently in architecture being offered added responsibility without a commensurate rise in position salary or credit not being allowed to engage in client contact field experience or construction supervision and being confined to certain kinds of positions typically interior design for women government work for African Americans and computer aided design for Asian American architects Anthony discusses the profession s attitude toward flexible schedules part time contracts and the demands of family and identifies strategies that have helped underrepresented individuals advance in the profession especially establishing a strong relationship with a mentor She also observes a strong tendency for underrepresented architects to leave mainstream practice either establishing their own firms going into government or corporate work or abandoning the field altogether Given the traditional mismatch between diverse consumers and predominantly white male producers of the built environment plus the shifting population balance toward communities of color Anthony contends that the architectural profession staves off true diversity at its own peril *Designing for Diversity* argues convincingly that improving the climate for nontraditional architects will do much to strengthen architecture as a profession Practicing architects managers of firms and educators will learn how to create conditions more welcoming to a diversity of users as well as designers of the built environment **Robert A.M.
