**Michael C. O'Laughlin**

## **Michaels Story The Florida Irish Volume 5:**

*Irish in Ontario, 1st Edition* Donald Harman Akenson, 1984-08-01 Hailed as one of the most important books on social sciences of the last fifty years by the Social Sciences Federation of Canada Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson's research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalize his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America

**Irish in Ontario, Second Edition** Donald Harman Akenson, 1999-06-01 Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson's research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalize his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America

The Revelation of Ireland Diarmaid Ferriter, 2024-09-05 THE NUMBER 1 IRISH TIMES BESTSELLER SHORTLISTED FOR THE IRISH BOOK AWARDS HISTORY BOOK OF THE YEAR 2024 An Irish Times Book of the Year 2024 Ireland is a strikingly different country now to the one it was in the mid 1990s Dramatic economic social and cultural changes including the Celtic Tiger boom and increasingly secular debate about abortion the status of women and same sex marriage underlined the scale of the transformation The new diversity of the population and literary and musical prowess also revealed a country experiencing rapid alteration The road to peace that saw an end to war in Northern Ireland and culminated in the first visit to southern Ireland of a reigning British monarch in 100 years illuminated the new Anglo Irish dynamic Explosive revelations about deep betrayals from the past destroyed the credibility of the traditionally powerful Catholic Church And in the wake of the 2008 financial crash Ireland rebounded and rebuilt to great success but remained plagued by health and housing failures Economic recovery the end of civil war politics ever closer European involvement and Anglo Irish highs were followed by

Brexit lows and increasing talk of Irish unity There is much to open people's eyes in this riveting account of contemporary Ireland As the Republic enters its second century of independence and the North continues to grapple with the legacy of the Troubles Diarmaid Ferriter makes historical sense of post 1990s Ireland and what lies in the darkest corners of its archives

A New History of Ireland: Volume III: Early Modern Ireland 1534-1691 T. W. Moody, F. X. Martin, F. J. Byrne, 1991-10-24 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day The third volume opens with a character study of early modern Ireland and a panoramic survey of Ireland in 1534 followed by twelve chapters of narrative history There are further chapters on the economy the coinage languages and literature and the Irish abroad Two surveys Land and People c 1600 and c 1685 are included

**A History of Irish Working-Class Writing** Michael Pierse, 2018 Michael Pierse is Lecturer in Irish literature at Queen's University Belfast His research mainly explores the writing and cultural production of Irish working class life Over recent years this work has expanded into new multidisciplinary themes and international contexts including the study of festivals digital methodologies in public humanities and theatre as research practices Michael has contributed to a range of national and international publications is the author of *Writing Ireland's Working Class* Dublin after O Casey 2011 and has been awarded several Arts and Humanities Research Council awards and the Vice Chancellor's Award at Queen's

The Book of Irish Families, Great & Small Michael C. O'Laughlin, 2002 This is the master volume to the 28 book set on Irish Family History from the Irish Genealogical Foundation The largest and most comprehensive of the series this volume includes family histories from every county in Ireland and Northern Ireland It also has for the first time the complete surname index for the entire series The 27 other books which are indexed in this volume will provide additional information on even more families

*Irishness and Womanhood in Nineteenth-Century British Writing* Thomas Tracy, 2017-11-30 In *The Wild Irish Girl* the powerful Irish heroine's marriage to a heroic Englishman symbolizes the Anglo Irish novelist Lady Morgan's reimagining of the relationship between Ireland and Britain and between men and women Using this most influential of pro union novels as his point of departure the author argues that nineteenth century debates over what constitutes British national identity often revolved around representations of Irishness especially Irish womanhood He maps out the genealogy of this development from Edgeworth's *Castle Rackrent* through Trollope's Irish novels focusing on the pivotal period from 1806 through the 1870s The author's model enables him to elaborate the ways in which gender ideals are specifically contested in fiction the discourses of political debate and social reform and the popular press for the purpose of defining not only the place of the Irish in the union with Great Britain but the nature of Britishness itself

**O'Lochlainn's Personal Journal of Irish Families**, 1990

The Wireless Past Emily C. Bloom, 2016 Emily Bloom chronicles the emergence of the British Broadcasting Corporation as a significant promotional platform and aesthetic

influence for Irish modernism from the 1930s to the 1960s She situates the works of W B Yeats Elizabeth Bowen Louis MacNeice and Samuel Beckett in the context of the media environments that shaped their works **Publishers' Weekly**,1905 Bulletin of the Public Library of the City of Boston ,1919 Bulletin of the Public Library of the City of Boston Boston Public Library,1920 **Bulletin [1908-23]** Boston Public Library,1920 *Pickett's Charge at Gettysburg* James A. Hessler,Wayne Motts,2015-06-19 A battlefield guide to the sites and history of the climactic attack during the American Civil War s Battle of Gettysburg 150 years after the event the grand near suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle On the afternoon of July 3 Confederate Gen Robert E Lee ordered more than 12 000 Southern infantry to undertake what would become the most legendary charge in American military history This attack popularly but inaccurately known as Pickett s Charge is often considered the turning point of the Civil War s seminal battle of Gettysburg Although much has been written about the battle itself and Pickett s Charge in particular Pickett s Charge at Gettysburg is the first battlefield guide for this celebrated assault After the war one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama Unfortunately what was true then remains true to this day The authors of this book two of Gettysburg s elite Licensed Battlefield Guides along with one of the Civil War s leading cartographers have corrected that oversight Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself Pickett s Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives For the first time readers can march toward the Copse of Trees with Armistead s Virginians advance on the Confederate left with Pettigrew s North Carolinians or defend the Angle with Alonzo Cushing s gunners and thousands of Union soldiers There is much here to enrich the experience including dozens of full color original maps scores of battlefield and other historic photographs a unique mix of rare human interest stories a discussion of leadership controversies and a rare collection of artifacts directly related to the charge Pickett s Charge at Gettysburg is designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg s third day of battle Extremely well done designed as a tour guide to the area of the battlefield where the famous July 3 1863 Confederate assault on the center of the Union Line took place the heart of any tour guide is maps and that feature is served up in exemplary fashion here far more than just maps The two text authors are battlefield guides and the detail provided is immense strongly recommended Civil War News **George Galphin and the Transformation of the Georgia-South Carolina Backcountry** Michael P. Morris,2014-12-05 The focus of this work is a reconstruction of the life and career of an Ulster Scot fur trader George Galphin pronounced Golfin who immigrated to South Carolina in the colonial period The thesis of this work is that his life and career helped to shape the history of the backcountry of Georgia and South Carolina in three distinct ways First his support of a for profit Indian trade as opposed to a for stability trade shaped Anglo Indian relations

between frontier settlers and their Indian neighbors. Ultimately men like Galphin helped the United States move away from the British policy towards Native Americans in favor of a uniquely American policy which ran the gamut from exploitation to land seizures and finally toward Indian Removal itself. The book involves a look at the histories of the Muskogee Creeks and Cherokees who were his clients and has a heavy Native American component. Galphin's second major influence on the Southeast came with the creation of the Ulster Scot communities he sponsored in both South Carolina and Georgia. The relocation plans catered strictly to the Scots Irish Protestants and located them in danger zones between coastal settlements of Anglo Saxon British settlers and the Indian frontiers of the two colonies. Galphin's third major influence came during the American Revolution when he was appointed as a Patriot Indian Commissioner fighting to control the southeastern tribes and keep them out of the war. In that role he made his contribution as did so many others that helped secure a Patriot victory. This part of his story would be of note to an audience interested in the American Revolution in the South from the perspective of the backcountry. Finally his family life included the creation of a large multi racial family which helped establish the Creole society of the Eastern Georgia Western South Carolina. His spouses and children included Caucasians, Native Americans and African Americans. Two of Galphin's daughters were his slaves until his death.

**James Joyce's America** Brian Fox, 2019-02-14. James Joyce's America is the first study to address the nature of Joyce's relation to the United States. It challenges the prevalent views of Joyce as merely indifferent or hostile towards America and argues that his works show an increasing level of engagement with American history, culture and politics that culminates in the abundance of allusions to the US in *Finnegans Wake*, the very title of which comes from an Irish American song and signals the importance of America to that work. The volume focuses on Joyce's concept of America within the framework of an Irish history that his works obsessively return to. It concentrates on Joyce's thematic preoccupation with Ireland and its history and America's relation to Irish post Famine history. Within that context it explores first Joyce's relation to Irish America and how post Famine Irish history as Joyce saw it transformed the country from a nation of invasions and settlements to one spreading out across the globe, ultimately connecting Joyce's response to this historical phenomenon to the diffusive styles of *Finnegans Wake*. It then discusses American popular and literary cultures in terms of how they appear in relation to or as a function of the British Irish colonial context in the post Famine era and concludes with a consideration of how Joyce represented his American reception in the Wake.

*The Field Day Anthology of Irish Writing* Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991. *A Distant Shore* Lyndon Fraser, 2000. This book tells the story of Irish migration to New Zealand in the nineteenth and early twentieth centuries. In a series of essays written by leading scholars in the field it offers a glimpse into the lives and experiences of these newcomers as they left post Famine Ireland and made their way to a destination half the world from home. It uses many sources including letters from migrants to their families in Ireland and also looks at the history of Irish organisations in New Zealand both Catholic and Protestant.
