Big Money With Your Book ...Without Selling A Single Copy! Trevor Crane, 2017-10-24 Let's

begin this with total transparency Most people don't make a lot of money with their book The average self published author makes less than 100 per year The average U S nonfiction book is now selling less than 250 copies per year and less than 2 000 copies over its lifetime Very few titles are big sellers Only 62 of 1 000 business books released in 2009 sold more than 5 000 copies according to an analysis by the Codex Group New York Times March 31 2010 A book has far less than a 1% chance of being stocked in an average bookstore There are thousands of titles competing for that limited shelf space What if your book becomes a bestseller Most people think that once that happens your book will take off Then you'll be in demand for interviews and everyone will just magically just come buy your stuff and you'll be famous right Wrong If you build it they will come Only worked for Kevin Costner in the Field Of Dreams And Shoeless Joe Jackson is probably not your target audience The TRUTH is You need to have a system in place i e products and services or a business to monetize your book What happens if you don't Well not much And that's the problem Inside this book you will learn 4 specific strategies THAT YOU CAN USE to make 6 7 figures with your book Yeah and you can do them WITHOUT selling a single copy of your book Inside this book you'll learn the BIG SECRETS from interviews with authors who are using these strategies RIGHT NOW to grow a massive INCOME and make a difference Your book could and should become one of your most powerful marketing tools Get it now and learn how you can start making money with your book today BONUS You'll actually discover many more than 4 strategies for you to make money with your book But Shhhhhh don't tell anybody MORE in this book If you know you have a book or books inside you here you will learn not only how to get that message and those ideas into the right book and get it published but more importantly how to Turn it into your most powerful marketing tool If you have doubts or question that you have what it takes to write a book and find the idea of writing one daunting this book will replace your doubts and questions with practical advice and motivation Whether you want to make it hit BESTSELLER lists or just sell more of your products or services this book will help give you a competitive advantage that makes it easier to do so INSIDE WHY having a book is your best marketing tool HOW to build authority and credibility with a book STEP BY STEP how to turn your book into your ultimate Lead Generation Tool NINJA strategies to use your book to bypass gatekeepers and get it into the hands of your Ideal Client MEDIA secrets for authors that gets you tons of Free Publicity HOW to use your book to get more profitable Speaking Engagements And so much more WHAT THIS BOOK IS NOT This book is NOT a formula to get rich quick This book is NOT going to magically make you successful This book is NOT for people who are not willing to do the work This book WILL show you a simple path that you can follow But it will take your hard work and follow through to make it happen You can do it And this book will help you But it will not do it for you However do the work and you'll wish you had read this book YEARS ago
