Falangist and National Catholic Women in the Spanish Civil War (1936-1939) Angela Flynn, 2020-03-11 Although there is an established historiography on women's roles during the Spanish Civil War 1936-9 little has been written on Nationalist women in the Republican held zones Women were the anti Republican resisters of the first hour in the capital but they have been largely overlooked in the historical record During the bitter civil conflict a sector of dissident women helped to create a subversive and clandestine national Catholic space in the heart of Republican Madrid By examining the vital and invisible role played by women within Madrid's fifth column this monograph offers a new contribution to the gender historiography of the Spanish Civil War and re-evaluates the significance of women in the Nationalist war effort It explores how and why a sector of Falangist and Catholic women decided to mobilise against the legally constituted Popular Front government in support of an undemocratic military coup While women's subversive activities often involved the transgression of traditional gender norms their social and political agency arose within the conditions and precepts of Catholicism and was conceptualised and imagined within new national Catholic discourses of holy Crusade

Como se vê do abrangente temário da obra o IBERC e os autores dos 44 artigos que a compõem pretendem fornecer instrumento útil de reflexão científica em meio aos primeiros impactos da pandemia no ambiente jurídico normativo. Trata-se de livro que busca projetar luzes sobre problemas da responsabilidade civil que se inserem com absoluta prioridade

na pauta das preocupações de advogados, juizes, professores e estudantes. De fato, diante dos gigantescos desafios que se avizinham, a difusão e o aprimoramento constante do conhecimento técnico-científico tornam-se muito seguros e permanentes para lidar com as incertezas do porvir e, sob tais circunstâncias, a doutrina mais do que em tempos de normalidade passa a constituir espaço privilegiado para auxiliar o enfrentamento da crise em suas múltiplas dimensões. Inspirados em tal propósito, que os autores e o IBERC oferecem a presente obra, sabemos certo de que se cuida de esforço desenvolvido em momento embrionário de uma crise cujos efeitos ainda se farão sentir por tempo indefinido e, portanto, de que atualizações e adequações se farão necessárias em esforço permanente. Mas cientes de que a primeira palavra foi dada.
