Mistborn Secret History is a companion story to the original Mistborn Trilogy As such it contains huge spoilers for the books Mistborn The Final Empire The Well of Ascension and The Hero of Ages It also contains very minor spoilers for the book The Bands of Mourning Mistborn Secret History builds upon the characterization events and worldbuilding of the original trilogy Reading it without that background will be a confusing process at best In short this isn't the place to start your journey into Mistborn Though if you have read the trilogy but it has been a while you should be just fine so long as you remember the characters and the general plot of the books Saying anything more here risks revealing too much Even knowledge of this story's existence is in a way a spoiler There's always another secret

Fantasy Literature and Christianity Weronika Łaszkiewicz, 2018-10-18 The debate surrounding the Christian aspects of C S Lewis's The Chronicles of Narnia J R R Tolkien's The Lord of the Rings Philip Pullman's His Dark Materials and J K Rowling's Harry Potter has revealed not only the prominence of religious themes in fantasy fiction but also readers' concerns over portrayals of religion in fantasy Yet while analyses of these works fill many volumes other fantasy series have received much less attention This critical study explores the fantastic religions and religious themes in American and Canadian works by Stephen R Donaldson Chronicles of Thomas Covenant Guy Gavriel Kay Fionavar Tapestry Celia S Friedman Coldfire Trilogy and Brandon Sanderson Mistborn References to biblical tradition and Christian teachings reveal these writers' overall approach to Christianity and the relationship between Christianity and the fantasy genre

The Shape of Fantasy Charul Palmer-Patel, 2019-10-23 The Shape of Fantasy is an in-depth look at Heroic Epic Fantasy It depicts structural and narrative patterns with models stemming from science and philosophy Although Fantasy Fiction is generally defined by its impossibility Fantasy Fiction not an illogical form It is in fact governed by a sense of rules and structure one that reflects our current understanding of space time and cosmology These models are an integral part of the structure of Heroic Epic Fantasy itself Thus this book introduces new ways of perceiving current productions of the Fantasy genre In doing so it also explores how Fantasy Fiction exhibits a conscious awareness of its own form
