

A vibrant, sunlit garden scene. In the foreground, a circular stone fountain with a tiered metal structure sits on a perfectly manicured green lawn. Sunlight filters through the dense foliage of trees and bushes in the background, creating dappled light and shadows on the grass. A stone path leads from the right side of the frame into the distance. On the left, a dark metal trellis archway is heavily laden with climbing roses in shades of pink and red. The overall atmosphere is peaceful and idyllic, typical of a formal garden.
