## **Minority Rights In The Middle East:**

*Minority Rights in the Middle East* Joshua Castellino, Kathleen A. Cavanaugh, 2013-04-25 Minority rights in the Middle East are subject to different legal regimes national law and international law as well as Islamic law This book investigates the treatment of ethnic and religious minorities in the region both from a historical and contemporary perspective before addressing three case studies Iraq Syria and Lebanon

*Minority Rights in the Middle East* Joshua Castellino, Kathleen A. Cavanaugh, 2013-04-25 Within the Middle East there are a wide range of minority groups outside the mainstream religious and ethnic culture This book provides a detailed examination of their rights as minorities within this region and their changing status throughout the twentieth and twenty first centuries The rights of minorities in the Middle East are subject to a range of legal frameworks having developed in part from Islamic law and in recent years subject to international human rights law and institutional frameworks The book examines the context in which minority rights operate within this conflicted region investigating how minorities engage with or are excluded from various sites of power and how state practice in dealing with minorities often ostensibly based on Islamic authority intersects with and informs modern constitutionalism and international law The book identifies who exactly can be classed as a minority group analysing in detail the different religious and ethnic minorities across the region The book also pays special attention to the plight of minorities who are spread between various states often as the result of conflict It assesses the applicable domestic legislative instruments within the three countries investigated as case studies Iraq Syria and Lebanon and highlights key domestic remedies that could serve as models for ensuring greater social cohesion and greater inclusion of minorities in the political life of these countries

**Routledge Handbook of Minorities in the Middle East** Paul S Rowe, 2018-09-20 The Routledge Handbook of Minorities in the Middle East gathers a diverse team of international scholars each of whom provides unique expertise into the status and prospects of minority populations in the region The dramatic events of the past decade from the Arab Spring protests to the rise of the Islamic state have brought the status of these populations onto centre stage The overturn of various long term autocratic governments in states such as Tunisia Egypt Libya and Yemen and the ongoing threat to government stability in Syria Iraq and Lebanon have all contributed to a new assertion of majoritarian politics amid demands for democratization and regime change In the midst of the dramatic changes and latent armed conflict minority populations have been targeted marginalized and victimized Calls for social and political change have led many to contemplate the ways in which citizenship and governance may be changed to accommodate minorities or indeed if such change is possible At a time when the survival of minority populations and the utility of the label minority has been challenged this handbook answers the following set of research questions What are the unique challenges of minority populations in the Middle East How do minority populations integrate into their host societies both as a function of their own internal choices and as a response to majoritarian consensus on their status Finally given their inherent challenges and the vast sweeping changes

that have taken place in the region over the past decade what is the future of these minority populations What impact have minority populations had on their societies and to what extent will they remain prominent actors in their respective settings This handbook presents leading edge research on a wide variety of religious ethnic and other minority populations By reclaiming the notion of minorities in Middle Eastern settings we seek to highlight the agency of minority communities in defining their past present and future **Minorities in the Middle East** David McDowall, Minority Rights Group, 1992

*Federalism and Decentralization in the Contemporary Middle East* Aslı Ü. Bâli, Omar M. Dajani, 2023-01-05 The first book in English on the law and politics of federalism and decentralization in the MENA region *Emergence of Minorities in the Middle East* Benjamin Thomas White, 2012-09-11 This book uses a study of Syria under the French mandate to show what historical developments led people to start describing themselves and others as minorities **Religious Minorities in the Middle East** Anh Nga Longva, Anne Sofie Roald, 2011-11-11 Focusing on the situation of both Muslim and non Muslim religious minorities in the Middle East this volume offers an analysis of various strategies of resilience and accommodation from a historical as well a contemporary perspective Middle Eastern Minorities Ibrahim Zabad, 2017-03-27 This is a comprehensive survey of minorities in the Middle East with a special focus on the post Arab Spring era Minority communities in the Middle East are the most susceptible to the turbulence engulfing the region the majority may suffer physical violence and socioeconomic loss but minorities could potentially vanish Instead of ushering in democracy and inclusive politics the revolutionary upheavals have prompted chaos and fear and reinforced the resurgence of Islamic fundamentalism throughout the region Zabad uses historical sources as well as first hand interviews to vividly describe the current status of minorities in the Middle East explaining attitudes towards the revolutionary upheavals as well as the various strategies they used to avail themselves of the opportunities presented and to confront the risks posed The question of ethnic sectarian and religious minorities is situated in the context of the broader history of the region in order to explain the underlying institutional and ideological factors that caused their predicament and problematized their relationship with the majority The book provides a rich trove of information and insights generated from ten case studies that covered the Sh a in Saudi Arabia Bahrain Lebanon and Egypt the Druze the Alawites Christians and Kurds in Syria the Copts in Egypt and the Zaydis in Yemen *Minority Rights and Liberal Democratic Insecurities* Anna-Mária Bíró, Dwight Newman, 2022-11-11 This book addresses the impact of a range of destabilising issues on minority rights in Europe and North America This collection stems from the fact that liberal democracy did not bring about the end of history but rather that the transatlantic region of Europe and North America has encountered a new era of instability particularly since the global financial crisis The transatlantic region may have appeared to be entering a period of stability but terrorist attacks on the soil of Euro Atlantic states the financial crisis itself and other changes including mass migration the rise of populism changes in fundamental political conceptions technological change and most recently the Covid pandemic have brought increasing uncertainties and instabilities in existing orders In these

contexts the book investigates the resulting difficulties and opportunities for minority rights Bringing together scholars from a range of disciplines who are engaged in work on various unstable orders the book provides a unique and largely neglected perspective on present developments as well as addressing the pressing issue of the future of the minority rights regime at global regional and national levels This book will appeal to those with interests in minority rights human rights nationalism law and politics Routledge Handbook of Citizenship in the Middle East and North Africa Roel Meijer,James N.

Sater,Zahra R. Babar,2020-11-23 This comprehensive Handbook gives an overview of the political social economic and legal dimensions of citizenship in the Middle East and North Africa from the nineteenth century to the present The terms citizen and citizenship are mostly used by researchers in an off hand self evident manner A citizen is assumed to have standard rights and duties that everyone enjoys However citizenship is a complex legal social economic cultural ethical and religious concept and practice Since the rise of the modern bureaucratic state in each country of the Middle East and North Africa citizenship has developed differently In addition rights are highly differentiated within one country ranging from privileged underprivileged and discriminated citizens to non citizens Through its dual nature as instrument of state control as well as a source of citizen rights and entitlements citizenship provides crucial insights into state citizen relations and the services the state provides as well as the way citizens respond to these actions This volume focuses on five themes that cover the crucial dimensions of citizenship in the region Historical trajectory of citizenship since the nineteenth century until independence Creation of citizenship from above by the state Different discourses of rights and forms of contestation developed by social movements and society Mechanisms of inclusion and exclusion Politics of citizenship nationality and migration Covering the main dimensions of citizenship this multidisciplinary book is a key resource for students and scholars interested in citizenship politics economics history migration and refugees in the Middle East and North Africa **Minorities in the Middle East**,1992 **International Approaches to Governing Ethnic Diversity** Jane Boulden,Will Kymlicka,2015 This book charts new territory by mapping the range of international actors who affect the governance of ethnic diversity and exploring their often contradictory roles and impacts

The United Nations Declaration on Minorities Ugo Caruso,Rainer Hofmann,2015-03-31 Created in order to celebrate the 20th Anniversary of the United Nations Declaration on the Rights of Persons Belonging to National or Ethnic Religious and Linguistic Minorities 1992 2012 this publication aims to offer readers a comprehensive review written by a variety of scholars in the field of the value and impact of the standards formulated in the Declaration In so doing it hopes to stimulate attention for and debate around the Declaration and its principles The regional perspectives and case studies included further enable the identification of positive initiatives and good practices as well as persistent gaps in the implementation of the standards enshrined in the Declaration **Assessing Multiculturalism in Global Comparative Perspective** Yasmeen Abu-Laban,Alain-G Gagnon,Arjun Tremblay,2022-12-30 In Assessing Multiculturalism in Global Comparative Perspective a group of leading scholars come together in a

multidisciplinary collection to assess multiculturalism through an international comparative perspective Multiculturalism today faces challenges like never before through the concurrent rise of populism and white supremacist groups and contemporary social movements mobilizing around alternative ideas of decolonization anti racism and national self determination Taking these challenges head on and with the backdrop that the term multiculturalism originated in Canada before going global this collection of chapters presents a global comparative view of multiculturalism through both empirical and normative perspectives with the overarching aim of comprehending multiculturalism s promise limitations contemporary challenges trajectory and possible futures Collectively the chapters provide the basis for a critical assessment of multiculturalism s first 50 years as well as vital insight into whether multiculturalism is best equipped to meet the distinct challenges characterizing this juncture of the 21st century With coverage including the Americas Europe Oceania Africa and Asia and thematic coverage of citizenship religion security gender Black Lives Matter and the post pandemic order Assessing Multiculturalism in Global Comparative Perspective presents a comprehensively global collection that is indispensable reading for scholars and students of diversity in the 21st century

**Jewish Internationalism and Human Rights after the Holocaust** Nathan A. Kurz, 2020-11-26 Nathan A Kurz charts the fraught relationship between Jewish internationalism and international rights protection in the second half of the twentieth century For nearly a century Jewish lawyers and advocacy groups in Western Europe and the United States had pioneered forms of international rights protection tying the defense of Jews to norms and rules that aspired to curb the worst behavior of rapacious nation states In the wake of the Holocaust and the creation of the State of Israel however Jewish activists discovered they could no longer promote the same norms laws and innovations without fear they could soon apply to the Jewish state Using previously unexamined sources Nathan Kurz examines the transformation of Jewish internationalism from an effort to constrain the power of nation states to one focused on cementing Israel s legitimacy and its status as a haven for refugees from across the Jewish diaspora

*Transimperial Anxieties* José D. Najar, 2023-06 From the late 1850s to the 1940s multiple colonial projects often in tension with each other influenced the formation of local transimperial and transnational political identities of Arab Ottoman subjects in the eastern Mediterranean and the Western Hemisphere Arab Ottoman men women and their descendants were generally accepted as whites in a racially stratified Brazilian society Local anxieties about color and race among white Brazilians and European immigrants however soon challenged the white racial status the Brazilian state afforded to Arab Ottoman immigrants In *Transimperial Anxieties* Jos D Najar analyzes how overlapping transimperial processes of migration and return community conflicts and social adaption shaped the gendered racial and ethnic identity politics surrounding Arab Ottoman subjects and their descendants in Brazil Upon arrival to the Brazilian Empire Arab Ottoman subjects were referred to as turcos an all encompassing ethnic identity encased in Islamophobia and antisemitism which forced the immigrants to renegotiate their identities in order to secure the possibility of upward mobility and national belonging By exploring the

relationship between race and gender in negotiating international and interimperial politics and law national identity and religion Transimperial Anxieties advances understanding of the local and global forces shaping the lives of Arab Ottoman immigrants and their descendants in Brazil and their reciprocity to state structure *Minority Politics in the Middle East and North Africa* Will Kymlicka, Eva Pförtl, 2018-02-02 Projects of democratic reform in the Middle East and North Africa have said little about the place of minorities and minority rights in their vision of reform implying that these issues are best deferred to some indefinite future While many people describe the Arab Spring as a battle for pluralism there is a reluctance to discuss what this pluralism might actually mean for the political claims of minorities for fear of triggering divisive conflicts and undemocratic tendencies Is there an alternative to this fearful deferral of minority politics Can we imagine transformative minority politics that is a form of minority politics that strengthens democratic reform in the region and that helps deepen a culture of human rights and democratic citizenship This volume explores whether this is indeed a realistic prospect in the Middle East and North Africa examining cases that include the Amazigh in North Africa the Copts in Egypt the Kurds in Iraq the Palestinians in Israel the minoritarian regimes in Syria and Bahrain and various ethnic minorities in Iran This book was originally published as a special issue of Ethnic and Racial Studies *The Middle East* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Near Eastern and South Asian Affairs, United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Near Eastern and South Asian Affairs, 1991 Near and Middle Eastern Series , **The Palestinian-Arab Citizens of Israel: Towards the Internationalisation of National Aspirations** Ilham Shahbari, 2021-01-28 The relations between the Israeli state and its Arab citizens have been distorted by the perception that national security concerns require the full rights of citizenship to be restricted for members of the Arab community However the national security of the state can also be affected by a poor reputation in the international community which plays a vital role in sustaining the existence of the state This created a space for Arab intelligentsia to use internationalisation as a means to promote their cause This study is designed to explore and analyse the internationalisation process and its impact regarding the Arab community in Israel It is a beneficial source to academics experts policymakers journalists and other experts and interested members of the public
