**Was It Heaven or Hell** Mark Twain, 2020-09-28 The family consisted of four persons Margaret Lester widow aged thirty six Helen Lester her daughter aged sixteen Mrs Lester s maiden aunts Hannah and Hester Gray twins aged sixty seven Waking and sleeping the three women spent their days and night in adoring the young girl in watching the movements of her sweet spirit in the mirror of her face in refreshing their souls with the vision of her bloom and beauty in listening to the music of her voice in gratefully recognizing how rich and fair for them was the world with this presence in it in shuddering to think how desolate it would be with this light gone out of it By nature and inside the aged aunts were utterly dear and lovable and good but in the matter of morals and conduct their training had been so

uncompromisingly strict that it had made them exteriorly austere not to say stern Their influence was effective in the house so effective that the mother and the daughter conformed to its moral and religious requirements cheerfully contentedly happily unquestionably To do this was become second nature to them And so in this peaceful heaven there were no clashings no irritations no fault finding no heart burnings In it a lie had no place In it a lie was unthinkable In it speech was restricted to absolute truth iron bound truth implacable and uncompromising truth let the resulting consequences be what they might At last one day under stress of circumstances the darling of the house sullied her lips with a lie and confessed it with tears and self upbraidings There are not any words that can paint the consternation of the aunts It was as if the sky had crumpled up and collapsed and the earth had tumbled to ruin with a crash They sat side by side white and stern gazing speechless upon the culprit who was on her knees before them with her face buried first in one lap and then the other moaning and sobbing and appealing for sympathy and forgiveness and getting no response humbly kissing the hand of the one then of the other only to see it withdrawn as suffering defilement by those soiled lips      Never Living A Lie Again Robin

Prijs,2019-08-04 This is a true story like you probably haven't heard before Born and raised in a Christian family Robin grew up in Church and heard all about the gospel Yet in his teenage years he decided to start a search into the occult which eventually would cause him to surrender his life to satan Caught in a life of lies destruction and sin it drove him to the point where he wanted to commit suicide Until he met Jesus He decided to turn his life around and started to follow Jesus but from there the battle was far from over In this book Robin takes you on a journey through his life through the good and the bad while revealing his mistakes and failures in a way like you seldom see these days No political correctness no keeping up appearances but a real and vulnerable man facing real battles From being bullied most of his childhood to a life of hate and plotting revenge to following Jesus From following Jesus to falling back into sins to getting back up again to falling back to getting back up The battle was enormous and the struggle was immense While sharing his failures he also shares about the lessons he has learned from it which gives you insight in the way the enemy tries to ensnare you and how you can arm yourself against it Even though he came from a life of being humiliated being beaten being spit at being scammed and being rejected he choose to live a life of forgiveness and love As you re about to see that didn't come easy In fact it had nothing to do with the way he felt There's still a God Who saves heals delivers and restores The Blood of Jesus hasn't lost its power Freedom is within reach      *To Study Deceit* Beverly Thomas,2016-12-21 To Study Deceit Deceit is the worse disease in the world It has killed millions

**When I Look at Your Heavens** Thaddeus Robinson,2022-10-04 The Creator of the universe has revealed Himself to it The intelligent life out there knows about the Creator and they have a strong desire to know more about Him He has revealed the existence of a planet in a faraway system that has special value to Him Why is this small insignificant planet of such special value to Him What mystery can be uncovered by visiting it What dangers might we encounter there Do we have the technology to get there Do we go there as conquerors or explorers Dr Robinson presents a

scenario where inquiring intelligent beings from another planet visit Earth seeking knowledge of the earth's importance to their Creator. It's a scenario that presents the Jew-Gentile relationship as a relationship of the earth and the universe. Could it be that humanity by limiting God to Earth has limited God's relationship to the rest of His creation? Sanctiprize Dennis Bank, 2012-08-17. Author Dennis Bank reveals the mystery of the Lord's Prayer and the incredible restorative and overcoming power available to all believers in Sanctiprize. Through the author's personal journey, readers will be challenged to consider closely held religious traditions and beliefs that have effectively rendered the gospel powerless. New Christians will find guidance within this book as they embark on their first steps toward working out their salvation. More mature believers will be encouraged to examine their roots to determine if their Christian walk has veered off course or if they were even on the right course to begin with. Christian readers in general will find this book to be a great resource, as will serious Bible students looking to move to the next level of abundance and understanding.

**The Fall and Restoration** Neville, 2018-11-28. Neville was born in Barbados, West Indies, in 1905 into a poor English family, nine boys and one girl, where he was raised and educated in a traditional Christian manner. His father, who knew about the power of imagining along with the help of his industrious sons, made the Goddards into the largest business presence in the island, and at his death left all ten children independently wealthy. At age seventeen, Neville left Barbados for New York City, where he worked in retail for several years until he became a dancer in Broadway shows. This led to a stint in London, where he was introduced to metaphysical thought, and upon returning to New York, he began to teach the law of imagining in 1938 to ever-growing audiences in the East, Los Angeles, and San Francisco. When he moved his family to Los Angeles in the early 1950s, he was attracting crowds of 2,000 for his Sunday talks. Everyone wanted something: homes, new jobs, mates, money, and he successfully taught them how to fulfill those desires through the use of their all-powerful human imaginations. The techniques, testimonies from his audiences, the creative formula, visions, dreams, and Bible interpretations are discussed simply and in detail in these lectures. They encourage any seeker to apply his or her imagination for success and ultimately lead to the appreciation that there is no intermediary between God and man's I AM and man. Starting in 1959, he had a series of six visions over a three and a half year period: resurrection, birth from above, David splitting of the temple, ascension, and the dove's descent. Then he understood his mission: To first experience these visions, understand their meanings, and then teach the meaning of these signs that are given to man after multiple lifetimes, and all states of consciousness have been played by each individual. These signs confirm the awakening of man's soul. Man's origin and destiny are divine: from unity into diversity, back to unity with no loss of individuality. All is forgiven, and the exile, the prodigal, returns to Lordship, greatly expanded by the journey through limitation, illusion, and a sleep likened unto death.

L. Smith,2016-01-07 Did God really say You must not eat from any tree in the garden Genesis 3:1 With a seemingly small twist on God's Word the assault on truth began in Eden The enduring battle against truth is prevalent today as some argue that there is no inherent truth Instead they assert that truth is ever changing and necessary in order to complement the times Still others pretend to uphold the truth yet preach a false gospel They twist the Scriptures in order to propel their selfish and highly flawed agendas deceiving many Truth or Deception urges believers to examine the Scriptures for themselves in order to be equipped to discern between the truth and the lies The church that believes and lives in Christ can only experience victory in today's hostile environment if it is founded upon the truth of God's Word While the world is lost and confused it ought not to be so with believers The Word of God is the owner's manual for mankind It offers guidance and warns on the dangers of the deceivers Jesus said Ye shall know the truth and the truth shall make you free John 8:32 But how can one who is deceived truly experience freedom or lead anyone else toward freedom It's impossible It is time for God's people to uncompromisingly stand for truth and expose the counterfeits for what they truly are enemies of God
