

INSTRUCTIONAL PROGRAM

HIGHLY QUALIFIED TEACHERS

Parents have the right to request the qualifications of teachers and paraprofessionals. Parents will be notified if a non-qualified teacher will be teaching their child for four or more consecutive weeks.

CLASSROOMS

Students will be under the supervision of several teachers during the day. Each instructor will have his/her own rules/requirements that students must become familiar with and obey.

For significant instructional activities to take place, the students must accept part of the burden of responsibility. This includes, but is not limited to, being on time to class and having the necessary tools for learning. Some of the most important tools are *pencils, paper, textbooks, and completed homework assignments*. Schools may sell school supplies.

HALLS

Movement in the halls should be quiet and orderly. Students should walk to the right. "Ganging up" or taking up the entire hall will not be permitted. Student movement in the hall is restricted to walking. *No running is allowed.*

PARENT CONFERENCES/VISITS

Parents/guardians are encouraged to become actively involved in their child's education. Parents are always welcome but are asked to make an appointment through the teacher, counselor, or principal prior to a visit or conference with a teacher. **Drop-in conferences/visits are discouraged because they are a disruption to instructional time.**

PROGRAM CHANGES

In middle and high schools, schedule changes can be made or a course dropped only during the first full week of class if:

1. The change is possible in terms of the student's existing schedule and the change will not overload a particular class.
2. The change results in a reasonable program of studies in terms of the established curriculum.
3. The change is approved by parent/guardian, teacher, and counselor.
4. Final approval is granted by the principal.

DUAL ENROLLMENT/DUAL CREDIT

Dual Enrollment/Dual Credit is a program that allows high school students to simultaneously earn college or vocational credit toward a postsecondary diploma at a Mississippi public institution that will also count as credit toward a high school diploma.

Lowndes County School District encourages high school seniors to enroll in college courses. Students who wish to enroll in college classes should contact their principal or counselor.

MISSISSIPPI VIRTUAL PUBLIC SCHOOL

Lowndes County School District has approved the Mississippi Virtual Public School (MVPS) as a web-based educational service offered by the Mississippi Department of Education to provide students with access to a wider range of course work, with more flexibility in scheduling, and with the opportunity to develop their capacities as independent learners.

High school students may enroll in courses through the Mississippi Virtual Public School with prior approval from the principal or designee. MVPS is *not* a credit issuing or diploma-granting institution. The
