

Lost/Stolen Firearms Investigations

Each year, thousands of firearms are reported lost or stolen. The owners' ability to adequately identify these firearms is central to law enforcement's ability to investigate these crimes and losses. Insurance claims and reacquisition of recovered firearms will also hinge on the ability to correctly identify these firearms.

By completing this record and maintaining it in a safe location, separate from your firearms, you will be not only protecting your own property, you will be taking an important first step in the effort to prevent thefts and to keep firearms out of the hands of criminals.

This is a personal record only. The information will not be collected or maintained by ATF or any other Federal Government agency.

Personal Firearms Record

Keep this list separate from your firearms to assist police in the event your firearms are ever lost or stolen.

"A stolen gun threatens everyone."

P 3312.8 (Revised August 2013)

Personal Firearms Record

Immediately report any theft or loss of firearms to your local police.
