# WRITING

**GRADES**  
**7-10**

The following is an **example** of how I structure my *Persuasive Writing* unit to allow us to explore a range of uses for rhetoric for students to display their learning in multiple different ways. We will need to adapt and alter this to fit our needs.

## PERSUASIVE language

Main Focus:	Persuasive / Rhetorical Language	Class:	English Language Arts	Grade
Unit Overview:	<p>From print advertisements to political speeches, persuasive unit we will <b>explore how language, specifically techniques</b>. Students will learn to employ persuasive language in their writing.</p> <p>The main goal for this unit is for students to learn the main rhetorical devices (including ethos, pathos, and logos), and how to use them in their writing. They will craft more effective arguments in their speech and writing. We will also explore how advertisements and political speeches employ rhetoric and how they can be used to persuade. Students will become more critical consumers and citizens.</p>			
Essential Questions:	<ul style="list-style-type: none"> <li>» What is rhetoric? How can I identify it?</li> <li>» How can language be used to persuade and convince?</li> <li>» How can persuasive language be used effectively?</li> </ul>			Curricular Standards

*Unequal Lessons* Alexandra Freidus, 2025-08-05 Diversity and racial integration efforts are not sufficient to address educational inequality New York City schools are among the most segregated in the nation Yet over seven decades after the Brown v Board of Education decision New Yorkers continue to argue about whether school segregation matters Amid these debates Alexandra Freidus dives deep into the roots of racial inequality in diversifying schools asking how we can better understand both the opportunities and the limits of school diversity and integration *Unequal Lessons* is based on six years of observations and interviews with children parents educators and district policymakers about the stakes of racial diversity in New York City schools The book examines what children learn from diversity exploring both the costs and benefits of school integration By drawing on students first hand experiences Freidus makes the case that although a focus on diversity offers many benefits to students it often reinscribes rather than diminishes existing inequalities in school policy and practice The idea of diversity for its own sake is frequently seen as the solution with students of color presumed to benefit from their experiences with white students while schools fail to address structural inequality Though educators and advocates often focus on diversity out of a real desire to make a positive difference in students lives this book makes clear the gaps between good intentions and educational injustice

**Language Policy and Language Acquisition Planning** Maarja Siiner, Francis M. Hult, Tanja Kupisch, 2018-05-22 In the sociopolitics of language sometimes yesterday s solution is tomorrow s problem This volume examines the evolving nature of language acquisition planning through a collection of papers that consider how decisions about language learning and teaching are mediated by a confluence of psychological ideological and historical forces The first two parts of the volume feature empirical studies of formal and informal education across the lifespan and around the globe Case studies map the agents resources and attitudes needed for creating moments and spaces for language learning that may at times collide with wider beliefs and policies that privilege some languages over others The third part of the volume is devoted to conceptual contributions that take up theoretical issues related to epistemological and conceptual challenges for language acquisition planning These contributions reflect on the full spectrum of social and cognitive factors that intersect with the planning of language teaching and learning including ethnic and racial power relations historically situated political systems language ideologies community language socialization relationships among

stakeholders in communities and schools interpersonal interaction and intrapersonal development In all the volume demonstrates the multifaceted and socially situated nature of language acquisition planning
