Why There Should Be a Match of the Day for Women's Football

Anyone who likes football can close their eyes and imagine the noise. They can hear the crowd noise, imagine the set pieces, the goals, the players, the referee. However, the players are always of the same age. Football should be given equal billing with men's football and women's football should be given equal coverage on TV.

Women's football is a popular and growing sport. It is the most popular team sport for women, the crowd levels are even better than those in the men's game, and it is growing on TV.

Girls who enjoy playing football should have an influence for them. Not many people know the rules, but many people know the rules. It is more familiar with women who have become likely to train hard to try and achieve the same level of success as men.

It is hugely important to give boys and girls equal coverage. In the UK, it makes really good sense for football to be a world where everybody is treated equally. It is a world where everybody is treated equally.

Undoubtedly the time has come to air a Match of the Day for women's football. It would be the perfect way to provide positive role models for girls and women.

Persuasive Writing Examples

Dear Mr. Jones,

I am writing to you because I would like to see harsher penalties imposed on dog owners who allow their pets to foul the pavement and not clear up the mess. I see new piles of dog waste every day when I walk to school. I feel very strongly that this is not acceptable and I would like you to do something about it.

Children especially do not look at the ground as carefully as adults because they are often playing or skipping or running. Obviously, they are much more likely to step in dog mess. This has happened to me several times recently and also to many of my friends.

When you get dog mess on your shoes, everyone knows about it. The horrid smell makes you feel ashamed, almost as if everyone is looking at you and you often have to take your shoes off and leave them outside or run the risk of getting pee all over you when you try to clean your shoes. Why should children be made to feel like this?

If people choose to own dogs, then they should make sure that the pavements are left suitable for everyone to use. It is totally obvious that clearing up dog mess is just as much a part of owning a dog as feeding it or taking it for walks. If owners are not prepared to clean up after their dog, then they should not own one.

In summary, I am fed up of ordinary people, particularly children, suffering while they go about their daily business as a result of the laziness of some dog owners. While I appreciate that most dog owners take their responsibilities seriously, I think that those who don't should pay a much heavier penalty.

Yours sincerely,

Mr. J. Trudant

School Council Elections

and I would like to explain why you should vote for me.

As I am 11 years old so I can do a lot about what happens in my school. I have been elected to the school council and I have enjoyed being there. I think that together we could make some changes to the school.

One of the things I would like to see changed is the equipment we have. We have a lot of money raised at the school was spent? I plan to make a list of the things we need and then ask you - the children - what we need. I will make a list of the things we need and then ask you - the children - what we need. I will make a list of the things we need and then ask you - the children - what we need.

I am a good person because I have really good ideas. I like to make things happen. I know what children at this school like and I talk to lots of people. I am good at talking to people.

This is an extremely important quality in a school. It is very important to have someone who can depend on me not to tell anyone else, but I will be honest if I am in the office.

As a candidate for this position, I know the school, I know the children, and I am reliable and honest. Vote for me!
