of Best Films Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece. And yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Celebrating the Lectionary® for Intermediate Grades, Year A Catherine G. Johnson, Mary Kathleen Kelley, SSJ, Maureen A. Kelly, Nora Malone, Christine Ondrila, James Philipps, 2019-08-23

Celebrating the Lectionary is a supplementary catechetical resource that helps you bring the richness of the Lectionary and the liturgical year into your catechetical program. It can be used in Catholic school programs during the process of preparing children for Christian initiation or as a supplement to a traditional basal text for Catholic school or parish religious education programs. It has been changed from a school year annual to now follow the pattern of the Lectionary. It includes sessions for every Sunday of the liturgical year: Advent, Christmas Time, Lent, Easter Time, and Ordinary Time; sessions for each day of the Sacred Paschal Triduum; and sessions for holydays, solemnities, and feasts so that you can use it in a variety of catechetical settings. Each session is easily adapted to your specific needs and time constraints with sessions designed so that you can lead class discussions and activities with minimal preparation and make use of the resources you have on hand. Each session includes Background information for the catechists, Ways to connect the children's lives with the liturgical year, Full text of the day's Gospel reading and an age appropriate guided reflection, Gospel related activities, A take home page for the families to do during the week.
