One day Kimberly was a vibrant career woman who enjoyed a successful lifestyle and an active social life The next she had to learn basic life skills to survive Kimberlys quest for survival sent her in search of the missing pieces of her past She learned that survival is a multifaceted anvil that shapes our decisions and forges our future Merely existing then becomes a double edged sword you may have managed to keep breathing but are you really living The only way for survival to triumph is to acknowledge the role of fear in the face of crisis affirmed fear liberates coddled fear incapacitates Denial keeps us stuck
