Jan Svankmajer Keith Leslie Johnson,2017-11-28 Jan Svankmajer enjoys a curious sort of anti reputation he is famous for being obscure Unapologetically surrealist Svankmajer draws on the traditions and techniques of stop motion animation collage montage puppetry and clay to craft bizarre filmscapes If these creative choices are off putting to some they have nonetheless won the Czech filmmaker recognition as a visionary animator Keith Leslie Johnson explores Svankmajer s work as a cinema that spawns new and weird life forms hybrids of machine animal and non organic materials like stone and dust Johnson s ambitious approach unlocks access to the director s world a place governed by a single uncanny order of being where all things are at once animated and inert For Svankmajer everything is at stake in every aspect of life whether that life takes the form of an object creature or human Sexuality social bonds religious longings all get recapitulated on the stage of inanimate things In Johnson s view Svankmajer stands as the proponent of a biopolitical ethical and ecological outlook that implores us to reprogram our relationship with the vital matter all around us including ourselves and our bodies
