One Up on Wall Street 27-Copy Floor Display Peter Lynch, 1990-02 **Where the Money Is** Adam Seessel, 2022-05-24 One of the best books I have read on investing in years Bill Ackman founder and CEO Pershing Square Capital Management From a successful investor and a contributor to Barron's and Fortune comes a once in a lifetime book that gives modern investors what they need most a fresh guide to making money in a stock market now dominated by tech stocks Technological change is reshaping the economy in a way not witnessed since Henry Ford introduced the assembly line A little more than ten years ago only two of the ten most valuable publicly traded

companies in the world were digital enterprises today they comprise eight of the top ten Investors around the world are struggling to understand the Digital Age and how they can use the stock market to profit from it Author Adam Seessel understands Several years ago he watched his old school portfolio built using traditional value investing principles decline while the market driven by expensive tech stocks advanced Determined to reverse course he set off in search of a new investment paradigm one that remained true to the discipline that Ben Graham gave us a century ago while reflecting the new realities of the Digital Age In this helpful take on playing the stock market Publishers Weekly Seessel introduces a refreshed value based framework that any investor professional or amateur can use to beat the modern market Like all sectors the tech sector follows certain rules We can study these rules understand them and invest accordingly The world is changing and we can profit from it Approaching tech this way the economy s current changes and the rapid rise of tech stocks are not reasons to be frightened or disoriented they re reasons to be excited Infused with the same kind of optimism and common sense that inspired Benjamin Graham s The Intelligent Investor and Peter Lynch s One Up on Wall Street Where the Money Is ushers in a new era of modern value investing **One Up on Wall Street (Marathi)** Peter Lynch, 2021-12-20
