moved out into the galaxy terraforming and colonizing new worlds to advance the civilization of all humans Soon the Presidium was formed as the ruling government which established laws against any type of mind power that could start another war After the ESPers tried ruling the normals from the first war on Earth paranoia took over and the Presidium formed the Enforcers Lasko left the Enforcers to establish a mercenary business for salvage with the assistance of the Guild until his wife developed a cure that could control the remaining ESPers that followed mankind to the stars Now with two small children that have ESPer power Lasko struggles to free his wife from the Guild while protecting the children the only hope of survival humankind has left

Gaming the Dynamics of Online Harassment Kevin Veale,2020-11-12 This book argues that online harassment communities function as Alternate Reality Games ARGs where the collective goal is to ruin peoples lives Framing these communities like ARGs highlights ways to limit their impact in the future partly through offering people better ways to control their own safety online The comparison also underlines the complicity of social networks in online harassment since the communities use their designs as tools Social networks know this and need to work on minimizing the problem or acknowledge that they are profiting through promoting abuse

When Music Migrates Jon Stratton,2016-02-17 When Music Migrates uses rich material to examine the ways that music has crossed racial faultlines that have developed in the post Second World War era as a consequence of the movement of previously colonized peoples to the countries that colonized them This development which can be thought of in terms of diaspora can also be thought of as postmodern in that it reverses the modern flow which took colonizers and sometimes settlers from European countries to other places in the world Stratton explores the concept of song careers referring to how a song is picked up and then transformed by being revisioned by different artists and in different cultural contexts The idea of the song career extends the descriptive term cover in order to examine the transformations a song undergoes from artist to artist and cultural context to cultural context Stratton focuses on the British faultline between the post war African Caribbean settlers and the white Britons Central to the book is the question of identity For example how African Caribbean people have constructed their identity in Britain can be considered through an examination of when Police on My Back was written and how it has been revisioned by Lethal Bizzle in its most recent iteration At the same time this song written by the Guyanese migrant Eddy Grant for his mixed race group The Equals crossed the racial faultline when it was picked up by the punk rock group The Clash Conversely Johnny Reggae originally a pop ska track written about a skinhead by Jonathan King and performed by a group of studio artists whom King named The Piglets was revisioned by a Jamaican studio group called The Roosevelt Singers After this the character of Johnny Reggae takes on a life of his own and appears in tracks by Jamaican toasters as a Rastafarian Johnny s identity is then totally transformed It is this migration of music that will appeal not only to those studying popular music but
