This revised and updated edition of The Woodburner Handbook provides comprehensive information to guide readers through everything they need to know from choosing the most suitable stove to installing and operating one efficiently and safely. Whether you are looking to save money on fuel, create a warm and inviting home space or have a carbon neutral way to heat your home, this book is your guide to choosing a woodburning stove to suit your needs. Subject Guide to Books in Print, 1997 British Bed and Breakfast Nicola Crosse, 2006 This trusted guide is now in its eleventh edition. The entries are special in many different ways: many have outstanding architecture, inspiring views, beautiful interiors or memorably friendly hosts; many have it all. Clear symbols, excellent maps, colour photos, clear directions and quick reference indices help guide our readers to the best choices for them and our fresh and lively write-ups paint an accurate picture. Our approach is unusual and subjective. There are no set rules, no interminable checklists and no hard and fast criteria for inclusion. We look for what we like and celebrate the unusual, the beautiful and the individual.
