Watching Doctor Who Paul Booth, Craig Owen Jones, 2020-02-20 Watching Doctor Who explores fandom's changing attitudes towards Doctor Who. Why do fans love an episode one year but deride it a decade later? How do fans' values of Doctor Who change over time? As a show with an over fifty year history, Doctor Who helps us understand the changing nature of notions of value and quality in popular television. The authors interrogate the way Doctor Who fans and audiences re-interpret the value of particular episodes, Doctors, companions and eras of Who. With a foreword by Paul Cornell. **Web**, 2003

Leslie Halliwell, 2006 This best-selling encyclopedia is the definitive Who's Who of cinema with everything you will ever need to know about major and behind-the-scenes players. It's packed with biographical profiles of actors and actresses, directors, producers, editors and other key figures. Halliwell's Who's Who in the Movies also features filmographies, entries on the major studios and the foreign film industry, a history of the cinema and information on all the major film awards including a list of Oscar winners and nominations. Opinionated, witty and packed with more information than any other film guide, it's as wonderfully unclassifiable as it is impossible to put down.

The Media in Your Life Jean Folkerts, Stephen Lacy, 2004 What do reviewers have to say about Media in Your Life? The text's strengths are on the emphasis on media history, convergence, trends and marketplaces. I also appreciate that the text is written at a sophisticated yet appropriate level for college students.

Kim Smith, Iowa State University The material covered is essential to the understanding of the current student in today's media culture.

Jeanne Rollberg, University of Arkansas Little Rock Authors that forget that they are teachers and try too hard to pretend they're the students' friends don't do their content justice, nor do they model appropriate writing for students to emulate. Folkerts and Lacy don't fall into this trap; they present material credibly, appropriately and yet readably.

Rebecca Lind, University of Illinois Chicago The overall strengths of Media in Your Life are that it is exhaustively researched and attractively presented. The broad topic of mass media is effectively structured into an accessible format.

Randall K. Pugh, Montana State University Billings The book's emphasis on knowledge students can use in navigating our complex culture is a major strength. Its organization is logical. It is well documented. It provides a solid summary of most significant media-related issues of the day.

William Lingle, Linfield College The authors have a good framework to present an overview of the

structure and process of mass communication in the U S The text is visually appealing and will attract students interest Elizabeth Perse University of Delaware Billboard ,2006-09-30 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Indianapolis Monthly** ,2001-12 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape *Australian Books in Print* ,1985 **The New York Times Index** ,2002 **Backpacker** ,2007-09 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured **Indianapolis Monthly** ,2001-12 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape **Latina Magazine** ,2002 *The Advocate* ,2002-11-12 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States Reference Books Bulletin ,1997 **The Advocate** ,2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States
