Thompson,2011-03-30 Lynching occurred more in Mississippi than in any other state During the 100 years after the Civil War almost one in every ten lynchings in the United States took place in Mississippi As in other Southern states these brutal murders were carried out primarily by white mobs

against black victims The complicity of communities and courts ensured that few of the more than 500 lynchings in Mississippi resulted in criminal convictions This book studies lynching in Mississippi from the Civil War through the civil rights movement It examines how the crime unfolded in the state and assesses the large number of deaths the reasons the distribution by counties cities and rural locations and public responses to these crimes The final chapter covers lynching s legacy in the decades since 1965 an appendix offers a chronology **The Whole Story** John E. South Carolina Civilians in Sherman's Path Karen Stokes,2012-06-19 Discover the true accounts of South Carolinian s as they recount General Sherman s march through the Palmetto State during the Civil War During the fateful winter and spring of 1865 thousands of civilians in South Carolina young and old black and white felt the impact of what General William T Sherman called the hard hand of war This book tells their stories many of which were corroborated by the testimony of Sherman s own soldiers and officers and other eyewitnesses These historical narratives are taken from letters and diaries of the time as well as newspaper accounts and memoirs The author has drawn on the superb resources of the South Carolina Historical Society s collection of manuscripts and publications to present these true compelling stories of South Carolinians

Sherman's March Through the Carolinas John G. Barrett,1956 **66 Days of Hell** John C Rigdon,2020-07-24 This book covers those events which occurred in South Carolina in January and February 1865 Robertsville Lawtonville Lopers Crossroads Barkers Mill Salkehatchie River McPhersonville Hayward Plantation Hickory Hill Whippy Swamp Ferguson s Branch McBride s Bridge Tennant s Branch DuBoise Landing Tobys Bluff Roberts Ford Broxton s Bridge River s Bridge Buford s Bridge Fiddle Pond Morris Ford Springtown Blackville Barnwell White Pond Orangeburg Johnson s Crossing Aiken Lexington Cheraw Columbia Lynch s Creek Again at the hospital I see the horrid results of every battle Men mutilated in every shape conceivable groaning begging for assistance and gasping in death Many of our wounded will have to lie all night in that horrid swamp it being impossible to find them and carry them out on the narrow foot bridge that has been made Many have had their heads propped up out of the water where they lay to keep them from drowning Gen Sherman s march through South Carolina began in late December 1864 By March 9 1865 his troops had passed out of the state into North Carolina leaving behind a path of total destruction 100 miles wide and extending the entire length of the state Today many people only remember the March To The Sea which was largely unopposed and not nearly as destructive as what happened in South Carolina When I go through South Carolina he promised it will be one of the most horrible things in the history of the world The devil himself couldn t restrain my men in that state During the first part of the march houses were burned as they were found Whenever a view could be had from high ground black columns of smoke were seen rising here and there within a circuit of twenty or thirty miles Solid built chimneys were the only relics of plantation houses after the fearful blast had

swept by The destruction of houses barns mills c was almost universal Families who remained at home occasionally kept the roof over their heads Refugeeing as the Yankee soldiers termed fleeing from the wrath to come was taken as evidence that the refugees were rebels and the property they had left was destroyed This book documents the story largely in the account of yankee diaries and histories stories which have largely been hidden for over 150 years Deo Vindice **Sherman and the Burning of Columbia** Marion B. Lucas, 2021-08-13 An investigation into who burned South Carolina s capital in 1865 Who burned South Carolina s capital city on February 17 1865 Even before the embers had finished smoldering Confederates and Federals accused each other of starting the blaze igniting a controversy that has raged for more than a century Marion B Lucas sifts through official reports newspapers and eyewitness accounts and the evidence he amasses debunks many of the myths surrounding the tragedy Rather than writing a melodrama with clear heroes and villains Lucas tells a more complex and more human story that details the fear confusion and disorder that accompanied the end of a brutal war Lucas traces the damage not to a single blaze but to a series of fires preceded by an equally unfortunate series of military and civilian blunders that included the burning of cotton bales by fleeing Confederate soldiers This edition includes a new foreword by Anne Sarah Rubin professor of history at the University of Maryland Baltimore County and the author of *Through the Heart of Dixie* Sherman s March and America
