Only Say The Word Affirming Gay And Lesbian Love:

Only Say the Word Alan McManus, 2012-11-30 Many good people in good faith while sympathising with the ethical and ecclesiastical situation of lesbian and gay Christians still regard homosexuality as unnatural Other good people in just as good faith defend homosexuality on grounds of personal plight and involuntary sexual orientation with private misgivings that this defence may also be applied to paedophilia This little book provides not only a useful argument for a more merciful reading of Scripture than that usually employed to condemn same sex relationships but also a philosophical analysis of the nature of nature Finding that all and only those relationships which are harmonious can be considered natural the author invites us to only say the Word that we may all be healed A former Franciscan friar Dr Alan McManus wrote his doctoral thesis *Alchemy at the Chalkface* Pirsig Pedagogy and the Metaphysics of Quality at the University of Glasgow Holding degrees in Church History Practical Theology and Religious Studies he has taught EFL at home and abroad Spanish Italian to adults and Religious Moral Philosophical Studies in comprehensive schools in Scotland He has published articles on political philosophy and WW1 remembrance in the online journal *Citizenship Social and Economics Education* He is a member of Affirmation Scotland

Does the Bible Affirm Same-Sex Relationships? Rebecca McLaughlin, 2024-05-15 Examines the arguments used to claim that the Bible affirms same sex relationships You may have heard the claim that the Bible when read correctly is not against believers entering monogamous faithful same sex relationships The arguments sound quite compelling Jesus never talked about same sex relationships Paul was only condemning exploitative relationships not consensual ones We don't keep the Old Testament food laws so why would we keep the ones on same sex sex If God is love he can't be against relationships of love And more Have Christians through the ages just been getting this one wrong In this concise book Rebecca McLaughlin looks at ten of the most common arguments used to claim that the Bible affirms same sex sexual relationships She analyzes the arguments and associated Bible passages one by one to uncover what the Bible really says For Rebecca as someone with a lifelong history of same sex attraction this is not just an academic question But rather than concluding that the Bible does affirm same sex marriage she points readers to the gospel purpose of male female marriage a different kind of gospel centered love between believers of the same sex and God's life and love filled vision for singleness

Parenting without Panic in an LGBT-Affirming World Rachel Gilson, 2024-09-01 Helps parents to teach young children what the Bible says about sexuality proactively and positively in a culture with contrasting ideas and values As Christian parents we long to equip our kids as they venture out into a culture where LGBT identities are affirmed and celebrated We want them to know what God says and

to love what God says But it s hard to know where to start That s where this book can help Author Rachel Gilson helps you to teach your children proactively and positively about God s beautiful design for human sexuality gender and relationships This book will help you to provide your children with a Christian framework for sexual ethics rather than letting the culture lay the foundations of their worldview in this area Rachel writes with understanding and clarity to help fellow parents engage with the wider LGBT narrative with faith rather than fear Since she herself experiences same sex attraction but has chosen to follow the Bible s teaching she has put much thought into this topic She reassures us that Jesus gives us everything we need to be faithful disciples in a fallen world and that God works out his perfect purposes despite human sin She also shares her wisdom on how to respond with grace and truth to people with different beliefs in this area This book is ideal for parents of pre school and primary school children

Why the Church of the Nazarene Should be Fully LGBTQ+ Affirming Thomas Jay Oord,Alexa Oord,2023-05-01 This book fundamentally changes the game for the Church of the Nazarene A growing number of people are calling for fresh conversations about sexuality and gender And many want fundamental change This book gives voice to those people There are strong reasons the Church of the Nazarene should become fully LGBTQ affirming The writers of these essays whether queer or straight lay out those reasons share their experiences and explain why change is needed Love rests at the heart of the denomination s view of God And yet its statement about human sexuality does not support the ways of love At least in America the Church of the Nazarene is rapidly shrinking Many people are leaving the denomination because of its views on LGBTQ matters According to research in fact the holiness movement is the worst at keeping young people This book offers hope Hearing the voices of queer people allies and scholars is a crucial step toward transformation For love to win in the Church of the Nazarene change is needed

ENDORSEMENTS We Nazarenes have a peculiar origin story The pioneers of our movement didn t agree Even where some of the most important tenets of faith are concerned our founders couldn t and didn t agree But they prioritized being and staying together in the hopes that what united them would be stronger than what would divide them In that same spirit of hopeful inclusiveness these writers dream of a tent large enough to house our differences May we learn again the power of dignity inclusion diversity breadth and love Jon Middendorf Senior Pastor at Oklahoma City First Church of the Nazarene These essays are the start of a much needed conversation for the church and LGBTQIA community At times they are not easy to read you may agree with some things and not with others But the generations coming behind us some as authors in this book need us to hear and engage with their hearts Read them let their emotion soak in And then start talking about it Bruce Barnard Elder in the Church of the Nazarene

ABOUT THE EDITORS Thomas Jay Oord is a theologian philosopher and scholar of multi disciplinary studies Oord has been an ordained elder in the Church of the Nazarene for more than 30 years taught at two Nazarene institutions of higher education and published many books through the denomination s publishing house A best selling author Oord currently directs doctoral students at Northwind Theological Seminary Website thomasjaylor.com Alexa MacKenzie Oord is a graduate of Harvard

Can You Be Gay and Christian? Michael L. Brown,2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God's power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the
