

The background of the top half of the image features the silhouettes of several men standing in a row, facing away from the viewer. They are positioned against a dramatic, fiery sky with intense orange and yellow flames. The overall mood is somber and evocative.

"Patrick Taylor has become probably the most popular Irish-Canadian writer of all time."

Ending the Troubles John M. Burney,Andrew J. Auge,2024-10-29 In June 1996 the British government convened multiparty talks trying to establish peace within Northern Ireland after thirty years of bloody civil war based on religious cultural political and economic tensions known as The Troubles The talks included political parties from the two factions central to the conflict Unionists largely Protestants committed to retaining Northern Ireland within the United Kingdom and

Nationalists largely Catholics committed to the reunification of Northern Ireland with the independent Republic of Ireland Fundamental questions on national identity and democracy quickly turned these proceedings into faction bickering thus failing to produce any substantive progress The emergence of new leaders in 1997 Tony Blair prime minister of Great Britain and Bertie Ahern taoiseach in the Republic of Ireland created an opportunity for reenergizing the talks chaired by the former US senator George Mitchell with all parties making a concerted effort to reach a viable resolution among Nationalists and Unionists In the game students will represent the major parties in Northern Ireland as they reconvene at the multiparty talks in 1997 to find ways to reconcile two competing visions of Northern Irish nationalism or at least find a way for each community to tolerate one another s participation in a common constitutional arrangement Much is at stake for another failure could lead to a full resumption of the civil war

*Shakespeare and Contemporary Irish Literature* Nicholas Taylor-Collins, Stanley van der Ziel, 2018-09-18. This book shows that Shakespeare continues to influence contemporary Irish literature through postcolonial dramaturgical, epistemological, and narratological means. International critics examine a range of contemporary writers including Eavan Boland, Marina Carr, Brian Friel, Seamus Heaney, John McGahern, Frank McGuinness, Derek Mahon, and Paul Muldoon, and explore Shakespeare's tragedies, histories, and comedies as well as his sonnets. Together, the chapters demonstrate that Shakespeare continues to exert a pressure on Irish writing into the twenty-first century, sometimes because of and sometimes in spite of the fact that his writing is inextricably tied to the Elizabethan and Jacobean colonization of Ireland. Contemporary Irish writers appropriate, adopt, adapt, and strategize through their engagements with Shakespeare and indeed through his own engagement with the world around him four hundred years ago.
