

ONTOLOGY

or the Theory of Being

An Introduction to General Metaphysics

P. Coffey

Ontology Theory Being Metaphysics Coffey

James E. Dolezal

Ontology Theory Being Metaphysics Coffey:

Ontology : Or the Theory of Being Peter Coffey,1918 *Ontology or the Theory of Being* Peter Coffey,2018-09-20

Reproduction of the original Ontology or the Theory of Being by Peter Coffey **Ontology Or the Theory of Being**

(Metaphysics) Peter Coffey,2015-12-04 OntologyOr theTheory of BeingByPeter Coffey Ph D Louvain Metaphysics

Ontology Peter Coffey,2015-08-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Ontology** Peter Coffey,2018-01-29 It is hoped that the present volume will supply a want that is really felt by students of philosophy in our universities the want of an English text book on General Metaphysics from the Scholastic standpoint An important introduction to the study of Ontology Epistemology; Or, The Theory of Knowledge Peter Coffey,1917 *Ontology* Peter Coffey,1914 **Ontology, or the Theory of Being** P. Coffey,2022-09-16 In *Ontology or the Theory of Being* P Coffey delves into the intricate workings of existence and identity bridging metaphysical inquiry with contemporary philosophical discourse Coffey employs a rigorous analytical prose style that invites readers into the nuanced realms of ontological distinctions exploring how concepts of being shape our understanding of reality Drawing on a rich tapestry of historical and modern philosophical thought the text situates itself in the broader lineage of metaphysics borrowing from figures such as Heidegger and Kant while also engaging critically with modern existentialism and phenomenology P Coffey a distinguished philosopher with extensive academic credentials draws on decades of research and teaching to craft this authoritative work His scholarly background in both analytic and continental philosophy provides him with a unique vantage point from which to tackle the perennial questions of existence Having published numerous articles on the intersections of ontology and ethics Coffey s expertise is evident in his articulate engagement with complex ideas that resonate with both scholars and students alike I highly recommend *Ontology or the Theory of Being* to anyone intrigued by the foundations of philosophical inquiry and the nature of existence The clarity of Coffey s argumentation combined with his ability to synthesize diverse philosophical traditions makes this text an essential companion for scholars students and avid readers who seek a deeper understanding of being in our ever complex world Epistemology or the Theory of Knowledge

Peter Coffey,2023-07-24 This book aims at applying the principles of Scholasticism to the solution of the problems raised by a critical inquiry into the validity of knowledge and the grounds of certitude It does not purport to be in any sense a history of theories of knowledge or to supply anything like an adequate bibliography of works on the subject It is primarily a text book for the use of university students in philosophy though it is hoped that a perusal of it may be found helpful to all who desire a closer acquaintance with the attitude of modern scholastic writers towards the critical problems which almost monopolize the attention of philosophers nowadays It is needless to emphasize the growing importance of such problems in this age of restless inquiry and scepticism Nor will a text book in English from the standpoint of Scholasticism be deemed superfluous

The Science of Logic Peter Coffey,1918 **Identity and Coherence in Christology** Paul S. Scott,2023-09-29 This book explores a number of closely related logical and metaphysical questions relating to the identity of Jesus Christ In particular it considers What does Jesus Christ name and How may Jesus Christ be the subject of both divine and human attributes given their apparent incompatibility The author draws on analytic and scholastic influences and integrates them into a rehabilitation of the neglected habitus theory of the hypostatic union The theory maintains a real identity between Christ and the Word and emphasises the instrumental or possessory dimension of Christ's relationship to his human nature This approach allows for an account of the hypostatic union that is true to the indispensable articles of classical Christology and which satisfies the demands of logical coherence Yet at no point is the mystery of the Incarnational event reduced to the strictures of creaturely comprehension The book will be of particular interest to scholars of Christology analytic theology and the philosophy of religion *God without Parts* James E. Dolezal,2011-11-09 The doctrine of divine simplicity has long played a crucial role in Western Christianity's understanding of God It claimed that by denying that God is composed of parts Christians are able to account for his absolute self-sufficiency and his ultimate sufficiency as the absolute Creator of the world If God were a composite being then something other than the Godhead itself would be required to explain or account for God If this were the case then God would not be most absolute and would not be able to adequately know or account for himself without reference to something other than himself This book develops these arguments by examining the implications of divine simplicity for God's existence attributes knowledge and will Along the way there is extensive interaction with older writers such as Thomas Aquinas and the Reformed scholastics as well as more recent philosophers and theologians An attempt is made to answer some of the currently popular criticisms of divine simplicity and to reassert the vital importance of continuing to confess that God is without parts even in the modern philosophical theological milieu **Francis Cheynell** Sergiej Saverio Slavinski,2024-07-15 Sergiej S Slavinski presents the first major study of Francis Cheynell's 1650 treatise on the doctrine of the Trinity Situating Cheynell in his historical context Slavinski examines Cheynell's role in the Trinitarian controversies of the Civil War and Interregnum England The book demonstrates the interplay between polemic and piety in a work of Reformed scholasticism showcasing how Cheynell's eclectic theological method in reading Scripture reinforced his

conviction of the Trinitarian persons as one true God Slavinski argues that Cheynell's polemical practical Trinitarianism has the idea of Trinitarian oneness as infinite simplicity at its core **The Philosophical Review** Jacob Gould Schurman, James Edwin Creighton, Frank Thilly, Gustavus Watts Cunningham, 1922 An international journal of general philosophy Books of 1912- Chicago Public Library, 1917 **Ex Auditu - Volume 07** Klyne Snodgrass, 2004-06-23 *British Books* ,1914 The Publishers' Circular and Booksellers' Record ,1914 **The Publisher** ,1914 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1914

Ontology Theory Being Metaphysics Coffey Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever.
