

## OOKA and the Honest Thief

A Japanese Story

One day, Yahichi, the owner of a rice store, came to Ooka's court, complaining that each night some of his rice disappeared. "It is such a small amount, your Honour, that I hesitate to trouble you over it," he said. "But I am reminded of the story of the mountain that was reduced to a plain because a single grain was stolen from it each day for centuries." Ooka nodded gravely. "It is just as dishonest to steal one grain of rice as it is to steal a large sack," he remarked. "I will guard over your store tonight to see if I can catch the mysterious thief myself."

As he had promised, Ooka sat inside and guarded Yahichi's store that evening. A little past midnight, he heard a slight noise outside. He sprang to his feet and ran to the window. To his surprise, Ooka discovered Gonta, a labourer who had been out of work for some time, wandering outside the building. Though Ooka recognised the thief, Gonta did not recognise the judge through the window in the dark.

Ooka hesitated to arrest the man. After all, he had no proof that Gonta had actually come to steal the rice. Instead, he decided to pose as a thief himself to trap Gonta in the act of committing his crime. Speaking in a disguised tone of voice, Ooka said, "You have obviously come here to steal rice just as I have." Gonta was relieved to find himself face to face with another thief instead of a guard. "As a favour from one thief to another," Ooka continued, "I will pass the rice out to you, so that you will not need to risk coming into the store yourself." Gonta thanked him profusely for his courtesy, and Ooka picked up a large sack of rice and handed it out to him.

"This is too much," Gonta protested. "I want only a few handfuls, just enough to feed my family for a single day, for each day I hope I will find work and not have to steal anymore. If I do find work, I intend to return what I have taken."

Then he took out the amount of rice he needed and handed the sack back to the astonished judge. Thanking Ooka once more for his courtesy, Gonta disappeared into the darkness. The judge did not try to stop him.
