**Sticky Faith Service Guide** Kara Powell, Brad M. Griffin, 2016-02-02 Anyone who serves teenagers today knows that more and more young people are eager to make a difference in the world When students participate in short term missions service and justice causes parents and youth leaders hope these experiences will lead to real transformation But research shows that our efforts don't always stick If we truly want short term work to translate into long term change leaders and students must spend more time before during and after service projects preparing for and processing their experiences The sessions in this leader's guide will help you create experiences that stick both for the students you take and the communities you serve This guidebook offers a host of practical and field tested exercises for each phase of your experience whether it's a half day local service project or a two week trip overseas Participants will engage in hands on experiences to gain new insights about themselves their relationship with God their teammates and the world we're called to love and serve Each of these steps is a catalyst in helping students apply what they have learned in the field to their own lives back at home Also included are ideas to help get parents and the whole church engaged in service together A companion student journal is also available to boost the potential for personal application throughout the journey

and an outward focus to reach and bless their communities cities and nations      Introductory Guide Neil Johnson, Tom Milton, Andrew Roberts, 2018-01-19 Holy Habits is an initiative to nurture Christian discipleship It explores Luke's model of church found in Acts 2:42-47 identifies ten habits and encourages the development of a way of life formed by them These resources which include an introductory guide have been developed to help churches explore the habits in a range of contexts and live them out in whole life missional discipleship      The Mission-Centered Life Bethany Ferguson, 2019-07-22 In this study on missional living Bethany Ferguson guides readers to see how their own experience of need empowers them to serve a needy world Through Scripture essays and application for personal reflection or group discussion The Mission Centered Life explores confidence in God's missional purposes in the world      **Ready-to-Go Devotions for Mission and Service** Mark Ray, 2010-10-01 Ready to Go Devotions for Mission and Service is a toolkit of daily devotionals for youth mission trips The devotions in this book address every aspect of the mission experience from leaving home and sleeping on the floor to dealing with language barriers and grumpy teammates Each devotion includes a relevant Bible story a commentary that connects that story to the mission experience and a section that challenges the reader to take specific actions on the trip back home or both The book includes devotions in preparation for during and after the mission trip or service project The ready to go format allows the youth worker to quickly assemble a customized devotional journal for participants matching each day's selection to what's likely to happen that day The devotions could also be used in a group setting which would allow the youth worker to pick devotions based on what has happened during the trip or event Either way the devotions point to the larger biblical and personal significance of mission trip or service project happenings What if you held a mission trip and nobody changed It's a haunting daunting question one that youth workers and researchers across America are beginning to ask Short term mission trips STM have exploded in popularity since the mid 1990s thanks in part to the Internet which makes connecting with mission agencies and mission recipients easier than ever Sociologist Kurt Ver Beek estimates that the number of North American short term missionaries grew from 125 000 in 1989 to as many as four million in 2003 Many of those short termers are teenagers According to Christianity Today more than two million American teens enter the mission field every year Pollster George Barna reports that 15 percent of U S Christian teens have done a short term mission trip while the National Study of Youth and Religion found that 29 percent of all teens had participated in a short term mission trip or religious service project Unfortunately the impact of short term mission trips may be short term as well both for those who go on mission trips and for those who receive mission teams Ver Beek recently surveyed North Americans who worked in Honduras after a 1998 hurricane as well as those who were served by them He found that the North American work teams had little or no lasting impact on the communities they served and that missionaries reported only a small positive lasting change in their own lives The situation isn't hopeless however according to Robert Priest associate professor of mission and intercultural studies at Trinity Evangelical Divinity School In research with Ph D students

at Trinity he wrote in Christianity Today I've been impressed that while STM may not always or automatically produce desired results the right sorts of STM carried out in the right sorts of ways and accompanied by the right sorts of reflections have potential for good Unfortunately youth workers don't always build the right sorts of reflections into their mission trips At best they allot time in the daily schedule for reflection or debriefing At worst they just hope and pray that their students will somehow be transformed by the mission experience The existing literature isn't much help Books on mission trip planning offer plenty of advice on selecting a mission agency raising money coordinating transportation handling emergencies entering closed countries and re-entering the normal world but they offer precious little advice on using the mission experience to impact the participants' lives The handful of available mission focused devotional guides offer some assistance but they typically take a one size fits all approach Usually presented as mission journals these guides assume trips will be a certain length or include certain elements such as dealing with non-English speakers Ready to Go Devotions for Mission and Service fills the void offering targeted topical devotionals that can help turn short term missions into life changing experiences

**Missional Life** Missional Women, 2013-10-04 It is easy to walk or sprint through life without being purposeful in living out the mission Jesus has given us It's easy to be controlled by the tyranny of the urgent or get comfortable in our daily routines that living on purpose for the glory of God is something that we reserve for a missions trip
