Evangelical Theological Method Stanley E. Porter, Steven M. Studebaker, 2018-07-10 How should one approach the task of theology This Spectrum volume brings together five evangelical theologians with distinctly different approaches to the theological task who present their own approach and respond to each of the other views Emerging from this theological conversation is an awareness of our methodological commitments and the benefits that each can bring to the theological task

Eat the Bible Micah E. Chung, 2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user s manual a lamp a love letter But how did metaphor which in the eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theo dramatic script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one drawn from the Bible itself namely that of Scripture as food

Hearers and Doers Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In *Hearers and Doers* Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples

Defending Sin Hans Madueme, 2024-05-28

The conflict between the natural sciences and Christian theology has been going on for centuries. Recent advances in the fields of evolutionary biology, behavioral genetics, and neuroscience have intensified this conflict, particularly in relation to origins, the fall, and sin. These debates are crucial to our understanding of human sinfulness and necessarily involve the doctrine of salvation. Theistic evolutionists have labored hard to resolve these tensions between science and faith, but Hans Madueme argues that the majority of their proposals do injustice both to biblical teaching and to long-standing doctrines held by the mainstream Christian tradition. In this major contribution to the field of science and religion, Madueme demonstrates that the classical notion of sin reflected in Scripture, the creeds, and tradition offers the most compelling and theologically coherent account of the human condition. He answers pressing challenges from the physical sciences on both methodological and substantive levels. Scholars, pastors, students, and interested lay readers will profit from interacting with the arguments presented here.

Who is a True Christian? David W. Congdon, 2024-02-22 Explores why the question of what defines Christianity has become so damagingly vexatious and how believers might conceive of it differently.

A Tapestry of Global Christology Isuwa Y. Atsen, 2022-12-16 Who is Jesus Christ in a context of violence and bloodshed such as that experienced by Christians in Northern Nigeria? This is the question at the heart of Dr. Isuwa Atsen's study of global Christology. His aim, however, is not to develop a Christology that is unique to Northern Nigeria but a Christology that is contextually and conceptually relevant to the real concerns of Nigerian Christians while maintaining a catholic and scriptural understanding of the person of Jesus Christ. In order to do so, he weaves together three diverse christological approaches: examining the intersection of contextual theology, analytic theology, and the theological interpretation of Scripture. The approach thereby presents some helpful insights for theological methodology in general. This is an excellent resource for theologians, students, and all those involved in the task of global Christology.

Psalms 73-150 Daniel J. Estes, 2019-01-31 The New American Commentary is for those who have been seeking a commentary that honors the Scriptures; it represents the finest in contemporary evangelical scholarship and lends itself to the practical work of preaching and teaching.

The Oxford Handbook of Religious Perspectives on Reproductive Ethics Davis, 2023 As I write this introduction, the third season of the Israeli series *Shtisel* has arrived on Netflix, eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra-Orthodox Jews living in Jerusalem. One episode focuses on Ruchami and Hanina, a young couple who have been married for five years but without children. It turns out that pregnancy and childbirth would threaten Ruchami's life. She is using an IUD but she keeps threatening to have it removed, risking her life to become a mother. Finally, with great reluctance, Hanina visits the rebbe, the spiritual authority in their community, to discuss the possibility of using a surrogate. They are, says the rebbe, caught between two non-ideal situations: surrogacy, normally forbidden, is non-ideal but so is Ruchami's unhappiness and the possibility that she might go ahead and take the risk, which is also forbidden.

In All the Scriptures Nicholas G. Piotrowski, 2021-12-28 Biblical

interpretation is both a science and an art and it has powerful implications for what we believe and how we apply God's Word In this accessible introduction to biblical hermeneutics Nicholas G Piotrowski presents a contextualized approach that equips students pastors and thoughtful readers to build a strong foundation for interpreting the Scriptures **Reading Scripture**

as the Church Derek W. Taylor, 2020-09-22 The Bible is meant to be read in the church by the church as the church Following the example of Dietrich Bonhoeffer Derek Taylor argues that we should regard the reading of Scripture as an inherently communal exercise of discipleship In conversation with other theologians Taylor shares how this approach to Scripture can engender a faithful hermeneutical community *Evangelicalism in Europe* Pieter J. Lalleman, Frank Hinkelmann, 2025-08-31 What does the evangelical movement stand for In the twenty first century the term has become highly contested In August 2024 the Fellowship of European Evangelical Theologians met for its biennial conference in cooperation with the European Evangelical Alliance to explore evangelical identity in Europe with particular emphasis on unity in diversity This collection of essays and invited additional chapters was presented by national leaders and experts from across Europe Addressing pertinent issues for the movement in their diverse contexts the authors develop an evangelical theology outline the movement's history and current circumstances and provide sociological analyses of evangelicals This timely and important book shapes the future of evangelicalism reminding its readers that what lies at the heart of it no matter the location is faithfulness to the gospel of Jesus Christ and rejoicing in the good news that it brings to humanity

Trinitarian Interpretation in Light of the Identity of YHWH as the Triune God Alias K. Eldhose, 2024-01-10 Have you ever wondered how to maintain an understanding of monotheism in light of the Christian understanding of the triune Godhead Have you ever wondered about the identity of YHWH in the Old Testament Have you identified YHWH as the first person of the Trinity as many in the Christian tradition have If so this book is for you Many of the early Trinitarian heresies stemmed from a misunderstanding of YHWH in the Old Testament especially identifying YHWH as one person and not multiple persons This book addresses issues relating to the identity of YHWH in the Old Testament and makes the bold claim that YHWH is multiple persons in the OT and therefore Father is YHWH Jesus is YHWH and the Holy Spirit is YHWH This conclusion is based on sound exegesis of OT NT passages the early Christian understanding of God in the Old Testament and the New Testament's identification of Jesus in the identity of YHWH If identified thus a Christian reading of the entirety of Scripture will take on new meaning resulting in a robust Trinitarian interpretation of Scripture Tyconius' Book of Rules Matthew R. Lynskey, 2021-03-01 In Tyconius Book of Rules Matthew R Lynskey explores the church centric interpretation of ancient biblical exegete Tyconius in his hermeneutical treatise *Liber regularum* Influential within his Donatist tradition and the broader context of early North African Christianity Tyconius wrote one of the earliest works on exegetical theory and praxis in Latin Christianity By investigating five key concepts undergirding Tyconius's theology of church Lynskey demonstrates how Tyconius ecclesiology shaped his hermeneutical enterprise Through careful readings and close analysis of

Liber regularum this study seeks to describe Tyconius exegesis on its own terms reflecting on notable historical theological formational and missiological implications of his ecclesial exegesis as it concerns the ancient and contemporary church
