The devotional companion to Stovall Weems's book *The God First Life* will help you uncomplicate your life through understanding and implementing the principle of God first living Everywhere you look there are how to books for improving various areas of our lives such as finances fitness business marriage friendships etc The list can be exhausting If we were to add up all the tips and methods there would be hundreds of things to keep in mind just to make it through a single day Often in our search for ways to improve our lives we mistake depth and discipleship for a long list of prescribed spiritual to dos and lose the simplicity of following Jesus in the moment But what if it is possible to boil it all down to one simple un complicated principle that would bring the solutions and wisdom we are looking for It's called living the God first life your life God's way Every area of life brings different seasons of change and one thing is for certain we will always face challenges True peace comes from living a life of faith that is grounded first and foremost in trust Do we trust when God says He's got our backs Can we let go of things we don't have the answers to and trust Him enough to simply follow Can we follow him in the moment no matter what baggage we carry and what spiritual milestones we've yet to conquer There's a much more vibrant way to live and act in faith and it is much simpler than you would think **Chicken Soup for the Soul: Devotional Stories for Tough Times** Susan M.
