Online Pressure Politics Autocratic Survival Democratization:

Foreign Pressure and the Politics of Autocratic Survival Abel Escribà-Folch, Joseph George Wright, 2015 Can coercive foreign policy destabilize autocratic regimes Can democracy be promoted from abroad This book examines how foreign policy tools such as aid economic sanctions human rights shaming and prosecutions and military intervention influence the survival of autocratic regimes Foreign pressure destabilizes autocracies through three mechanisms limiting the regime's capacity to maintain support undermining its repressive capacity and altering the expected utility of stepping down for political elites Foreign Pressure and the Politics of Autocratic Survival distinguishes between three types of autocracies personalist rule party based regimes and military dictatorships These distinct institutional settings influence the dictators strategies for surviving in power as well as the propensity with which their leaders are punished after a regime transition Consequently the influence of foreign pressure varies across autocratic regime types Further the authors show that when foreign coercion destabilizes an autocracy this does not always lead to democratic regime change because different regimes breakdown in distinct ways While democratization is often equated with the demise of autocratic rule it is just one possible outcome after an autocratic regime collapses Many times instead of democratization externally induced regime collapse means that a new dictatorship replaces the old one This theory is tested against an extensive analysis of all dictatorships since 1946 and historical cases which trace the causal process in instances where foreign policy tools helped oust dictatorships Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford

Interests and Stability or Ideologies and Order in Contemporary World Politics Fabio Fossati, 2017-05-11 Drawing upon extensive experience of both theoretical and empirical research according to the Italian school of Political Science this book provides a holistic assessment of contemporary world politics It begins by defining concepts such as world order before going on to classify foreign policies into four models of political cultures namely the interests intensive conservative the ideologies intensive liberal the leftist constructivist and the leftist Manichean The volume shows how multipolar and bipolar systems have remained relatively stable with each main power defending its own interests yet ultimately not promoting ideas and order Change periods however are instable Between 1915 and 1945 Nazi fascist and communist ideologies emerged but after Yalta the West did not effectively export market democracy and peace to the Third World After 1989 the ideas of liberalism in economic globalization and EU enlargement neo conservatism in the Iraq war and multi cultural leftism in pluri national conflict resolution processes began to be applied toward a near world order Since 2001 Islamic fundamentalism's threat has prevented both stability with the failure of the concert of powers of the

1990s and order with minimal improvements in democracy and peace Following the Arab Spring Obama has also abandoned interests intensive conservative diplomacy no longer supporting lesser evils personalistic or military regimes against absolute evils such as the Islamic State and waged only low intensity wars in Iraq Syria and Libya *Personalism and Personalist Regimes* Alex Baturo, Luca Anceschi, Francesco Cavatorta, 2024-07-04 Personalist leaders such as Russia's Vladimir Putin Belarus's Alexander Lukashenko or Venezuela's Nicol's Maduro are increasingly prominent players in the international landscape their motivations and policies however are poorly understood The regimes they lead are difficult to examine mostly because of their most defining feature an inordinate concentration of power in the hands of one single individual Yet personalist leaders do not rule alone even if they do not always govern through institutional channels How do personalist regimes really work How do their rulers acquire and maintain personal control How does contemporary personal rule differ from how it was practised during the Cold War These are the key questions addressed in *Personalism and Personalist Regimes* which offers a systematic examination of the logic of personalism or personalist rule tackling comprehensively the study of personalist leaders and personalist regimes The book is underpinned by a theoretical framework that combines historical and comparative analyses brought forward through a series of detailed country studies authored by a distinguished group of comparativists and area studies experts The book also revisits and builds upon *Sultanistic Regimes* the seminal study by H E Chehabi and Juan Linz In contrast to *Sultanistic Regimes* that studied sultanism an extreme form of personalism *Personalism and Personalist Regimes* examines personal rule on its full continuum from Turkey under Erdo an or Venezuela under Maduro to Turkmenistan under Berdimuhamedov or Libya under Gaddafi Because personalism or personal rule can be present across all regimes the book also includes several studies of personalism and institutions in party dictatorships China or Cuba amongst others

Dictators' Endgames Aurel Croissant, David Kuehn, Tanja Eschenauer-Engler, 2024-10-14 *Dictators Endgames* examines the political role of the military in dictators endgames large scale nonviolent mass protests in autocracies that demand the regime leader's removal from office It addresses the question why some militaries defend an embattled autocrat by violently cracking down on the protestors whereas others side with the opposition or decide to stage a coup d tat The book introduces a systematic definition and operationalization of the dictator's endgame as a situation of non violent mass mobilization in which the dictator's political survival depends on the loyalty of the military leaders The theoretical argument proposed in this book focuses on the strategic calculations of military leaders and offers a systematic explanation why the armed forces opt for repression of the demonstrators shift their loyalty from the dictator to the opposition or remove the autocrat in a coup during the mass protests The theory's predictions are empirically tested in a multi method research design that combines statistical analyses and case studies drawing on the original Dictator's Endgame Dataset of all 40 endgames that took place between 1946 and 2014 The study identifies the conditions and processes through which militaries determine the outcome of dictators endgames and thus affect the survival and future political development

of authoritarian regimes **The Internet and Political Protest in Autocracies** Nils B. Weidmann, Espen Geelmuyden Rød, 2019 Eight years after the Arab Spring there is still much debate over the link between Internet technology and protest against authoritarian regimes While the debate has advanced beyond the simple question of whether the Internet is a tool of liberation or one of surveillance and propaganda theory and empirical data attesting to the circumstances under which technology benefits autocratic governments versus opposition activists is scarce In this book Nils B Weidmann and Espen Geelmuyden Rød offer a broad theory about why and when digital technology is used for one end or another drawing on detailed empirical analyses of the relationship between the use of Internet technology and protest in autocracies By leveraging new sub national data on political protest and Internet penetration they present analyses at the level of cities in more than 60 autocratic countries The book also introduces a new methodology for estimating Internet use developed in collaboration with computer scientists and drawing on large scale observations of Internet traffic at the local level Through this data the authors analyze political protest as a process that unfolds over time and space where the effect of Internet technology varies at different stages of protest They show that violent repression and government institutions affect whether Internet technology empowers autocrats or activists and that the effect of Internet technology on protest varies across different national environments *Soldiers of Democracy?* Sharan Grewal, 2023-07-04 Why do some militaries support and others thwart transitions to democracy After the Arab Spring revolutions why did Egypt's military stage a coup to end the transition Conversely why did Tunisia's military initially support the transition only to later facilitate the elected president's dismantling of democracy In *Soldiers of Democracy Military Legacies and the Arab Spring* Sharan Grewal argues that a military's behavior under democracy is shaped by how it had been treated under autocracy Autocrats who had empowered their militaries produce soldiers who will repress protests and stage coups to preserve their privileges Meanwhile autocrats who had marginalized their militaries produce soldiers who support democratization but who are also more susceptible to incumbent takeovers and civil wars The dictator's choice to either empower or marginalize the military thus creates legacies that shape both the likelihood of democratization and the forms by which it breaks down Drawing on over 140 interviews with civilian and military leaders and three surveys of military personnel this scholarly volume illustrates this theory through detailed case studies of Egypt and Tunisia Grewal also probes the generalizability of the theory through a cross national analysis of all countries between 1946-2010 Overall he brings the military front and center to the study of democratic transition and consolidation *Foreign Pressure and the Politics of Autocratic Survival* Abel Escribà-Folch, Joseph George Wright, 2015 Can coercive foreign policy destabilise autocratic regimes Can democracy be promoted from abroad This book examines how foreign policy tools such as aid economic sanctions human rights shaming and prosecutions and military intervention influence the survival of autocratic regimes China and Autocracy Miao-ling Lin Hasenkamp, 2020-05-14 What effect is China's successful autocracy having on global politics Is it leading to the decline of democracy and the rise of strong

man government worldwide China's success economically this collection argues is undermining the post war consensus that liberal democracy is best In a multi polar Chinese dominated world Trump Putin Erdogan and other global leaders no longer criticize China In fact they frequently invoke the usefulness of strong and united leadership At the same time China seeks to wear the mantle of a great power and in doing so talks about human rights climate change freedom and economic liberalism This collection examines how China views itself and where reality meets rhetoric on trade international relations diplomacy economics and social policy The contributors expertly dissect China's autocracy and show how a ripple effect is altering the political model consensus around the world

Struggle for Alliance Abdolrasool Divsallar, 2024-08-22 This book provides a comprehensive study of the complex impacts of the war in Ukraine on Russo Iranian relations and the resulting consequences for the international relations of the Middle East In contrast to dominant academic approaches which view Russo Iranian relations through the lens of an anti hegemonic agenda and confrontation with the US led international order this study presents an alternative angle stating that the war in Ukraine has sped up Moscow and Tehran's interdependency primarily because of the protective benefits that it brings to both states The book analyzes various debates about the impact of the war on Russo Iranian relations From the perspective of the emerging literature on authoritarian regionalism the book explores how domestic politics and common threat perceptions play a role in these states decisions to adjust to the systemic changes caused by the war Chapters address how changes in the strategic environment are affecting Moscow and Tehran's perception of each other what factors contribute the most to both states decision to pursue greater cooperation and how they manage the new conflicts of interest raised by the war The book also queries whether relations continue to be based on tactical partnership or whether a stronger alliance between Moscow and Tehran is unfolding and what the consequences of such a struggle for alliance will be for the wider region

How Regional Organizations Sustain Authoritarian Rule Maria J. Debre, 2025-02-11 Authoritarian regional organizations have experienced a remarkable rise in numbers and importance Autocracies across the world have joined organizations such as the Shanghai Cooperation Organization SCO the Gulf Cooperation Council GCC and the Bolivian Alliance for the People of Our America ALBA over the last few decades But why do autocracies institutionalize cooperation and join regional organizations considering the possible sovereignty costs Do authoritarian regional organizations differ from their democratic counterparts in terms of activities and design What are the domestic effects of membership for authoritarian rule *How Regional Organizations Sustain Authoritarian Rule* explores the rise in and the impact of authoritarian regional organizations the Dictators Clubs in world politics It examines how and why incumbent autocratic regimes sort into regional authoritarian organizations compares their activities and designs to their democratic counterparts and considers the political effects on member states With a combination of statistical survival analysis and case studies from the Middle East Eur Asia Sub Saharan Africa and Latin America Maria J Debre reveals that regional organizations have helped to defend autocratic regimes from pro democratic protestors co opt political elites

legitimize flawed elections regulate behavior among members to prevent unwanted domestic interference and shield regimes against the fallout from international sanctions While regionalism has long been associated with the aspiration of states to promote democracy and human rights Debre illustrates that these dictators clubs bolster authoritarian rule worldwide

The Foreign Policies of the European Union and the United States in North Africa Francesco Cavatorta, Vincent Durac, 2013-09-13 The war in Iraq seemed to bring to a head underlying differences between the United States and the vast majority of European countries regarding the best means to maintain international peace and stability The unilateralism of the United States as opposed to the multilateralism of the European Union is seen as a very significant source of potential rivalry between the two actors This volume examines in detail whether the policies of the United States and the EU are truly diverging with respect to the most pressing issues facing North Africa or whether in fact they are converging in terms of objectives to be achieved and strategies for their implementation Through a number of papers that include both comparative and case specific studies this book enables a better understanding of the differences and similarities in EU and US foreign policies and security strategies for the region a clearer analysis of their respective democracy promotion policies and a better examination of their respective approach to the Islamist question in light of the continued success of such movements This book was originally published as a special issue of the Journal of North African Studies Legitimität und Legitimation

Claudia Wiesner, Philipp Harfst, 2020-01-23 Dieses Buch behandelt Legitimität und Legitimation von und in politischen Systemen als ein Kernthema der Vergleichenden Politikwissenschaft Damit greift es eine hochaktuelle Debatte auf Neben der Legitimität politischer Systeme und Ordnungen wird auch Legitimation betrachtet d.h. die Prozesse in denen Legitimität erlangt oder mit denen sie erzeugt wird Der Band vereint konzeptionell normativ und auch empirisch angelegte Beiträge die Legitimität und Legitimation politischer Systeme in den Blick nehmen Bulletin of the Atomic Scientists, 1969-02 The

Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world Atlanta Magazine, 2008-02 Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region

Directed Digital Dissidence in Autocracies Jason Gainous, Rongbin Han, Andrew W. MacDonald, Kevin M.

Wagner,2023 In this book we use the case of China to examine how state actors can transform the Internet and online discourse into a key strategic element for maintaining the government and relieving domestic pressure on national institutions While scholars have long known that the democratizing influence of the Internet can be blunted by autocratic states in this book we show that the online sphere can effectively be co opted by states like China and transformed into a supporting institution Our theory Directed Digital Dissidence explains how autocracies manage critical online information flows and the impact this management has on mass opinion and behavior While the expansion of the Internet may stimulate dissidence it also provides the central government an avenue to direct that dissent away and toward selected targets Under the strategy of Directed Digital Dissidence the Internet becomes a mechanism to dissipate threats by serving as a targeted relief valve rather than a building pressure cooker We consider the process and impact of this evolving state led manipulation of the political Internet using data and examples from China We use an original large scale random survey of Chinese citizens to measure Internet use social media use and political attitudes We also consider the impact of the state firewall Beyond simply identifying the government strategy we focus on testing the effectiveness of the strategy with empirical data We also consider how the redirection of dissent can be done across a broader range of targets including non state actors and other nations

Online Pressure Politics Autocratic Survival Democratization Introduction

Online Pressure Politics Autocratic Survival Democratization Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Online Pressure Politics Autocratic Survival Democratization Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Online Pressure Politics Autocratic Survival Democratization : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Online Pressure Politics Autocratic Survival Democratization : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Online Pressure Politics Autocratic Survival Democratization Offers a diverse range of free eBooks across various genres. Online Pressure Politics Autocratic Survival Democratization Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Online Pressure Politics Autocratic Survival Democratization Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Online Pressure Politics Autocratic Survival Democratization, especially related to Online Pressure Politics Autocratic Survival Democratization, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Online Pressure Politics Autocratic Survival Democratization, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Online Pressure Politics Autocratic Survival Democratization books or magazines might include. Look for these in online stores or libraries. Remember that while Online Pressure Politics Autocratic Survival Democratization, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Online Pressure Politics Autocratic Survival Democratization eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Online Pressure Politics Autocratic Survival Democratization full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Online Pressure Politics Autocratic Survival Democratization eBooks, including some popular titles.

FAQs About Online Pressure Politics Autocratic Survival Democratization Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Online Pressure Politics Autocratic Survival Democratization is one of the best book in our library for free trial. We provide copy of Online Pressure Politics Autocratic Survival Democratization in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Online Pressure Politics Autocratic Survival Democratization. Where to download Online Pressure Politics Autocratic Survival Democratization online for free? Are you looking for Online Pressure Politics Autocratic Survival Democratization PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Online Pressure Politics Autocratic Survival Democratization. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Online Pressure Politics Autocratic Survival Democratization are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Online Pressure Politics Autocratic Survival Democratization. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Online Pressure Politics Autocratic Survival Democratization To get started finding Online Pressure Politics Autocratic Survival Democratization, you are right to find our website which has a comprehensive collection

of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Online Pressure Politics Autocratic Survival Democratization So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Online Pressure Politics Autocratic Survival Democratization. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Online Pressure Politics Autocratic Survival Democratization, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Online Pressure Politics Autocratic Survival Democratization is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Online Pressure Politics Autocratic Survival Democratization is universally compatible with any devices to read.
