## **Only A Sheep A Parable:**

**Only a Sheep** Natalie J. Totire,2014-10-18 Larry did not like being a mere sheep waiting on the shepherd for green grass and getting butted around by the goats One day Larry obtains five wishes and watch what happens This book is based on a journal entry I wrote down when God gave me light upon what it means to be a sheep A simple children s book with a powerful message     *The Parables* Paula Gooder,2020-09-30 The third volume in the Biblical Explorations series from bestselling New Testament writer Paula Gooder explores a major exponent of the Gospels the parables of Jesus It considers why Jesus spoke in pictures and opens up the world behind the parables to reveal just how striking memorable and challenging they were for their original hearers     *The Parables of the Synoptic Gospels* B. T. D. Smith,2013-03-28 Originally published in 1937 this book provides a critical study of the Synoptic Gospels The text is divided into two main sections part one gives an introduction to the gospels with information on their historical background and formal structure part two presents a commentary on the various parables found within the gospels An indices section and detailed notes are also included This book will be of value to anyone with an interest in biblical criticism and the history of Christianity

**Parables and Rhetoric in the Sermon on the Mount** Ernst Baasland,2015-07-27 Parable research has to a large degree ignored the Sermon on the Mount SM and for its part research into the SM has likewise left the parables by the wayside However the use of parabolic language in more than one third of the SM influences its interpretation and indeed opens up a new approach to it In the current volume Ernst Baasland focuses on this important factor whilst also taking the rhetoric of Jesus teaching into consideration The author maintains that rhetorical features have a great bearing on the interpretation of the text with the overall structure illuminating the entire composition of the sermon Fresh insights into its oration therefore serve to challenge the source problem in a new way The religious and philosophical settings of this most well known of Christ s preachings are clarified by its parables and rhetoric and the sermon s Jewish background has often been investigated While the author continues with that particular task he simultaneously affords more emphasis to the parallels in Greek Hellenistic literature The combining of all these factors leads to a clearer comprehension of the Sermon on the Mount s philosophy of life and provides a better understanding of this classical text     *The Rainbow, a magazine of Christian literature* ,1876     *The Parables of Jesus* Luise Schottroff,1990 A premier New Testament scholar explores how Jesus trial and execution are portrayed in the New Testament and how that portrayal has affected biblical studies Christian theology and Jewish Christian relations through history Tomson has written an accessible responsible analysis of the biblical accounts of Jesus death demonstrating how through compounded misunderstandings they contributed to anti Jewish sentiment in the early church and later history Tomson s question of how Jesus is to be understood in his first century Judean context is a critical one not only for biblical scholars but for anyone concerned about human rights and interreligious dialogue today     *Parables Unplugged* Lauri Thuren,2014-11-01 For far too long Lauri Thur n argues the parables of Jesus

have been read either as allegories encoding Christian theology including the theological message of one or another Gospel writer or as tantalizing clues to the authentic voice of Jesus. Thur n proposes instead to read the parables unplugged from any assumptions beyond those given in the narrative situation in the text on the common sense premise that the very form of the parable works to propose a sometimes startling resolution to a particular problem. Thur n applies his method to the parables in Luke with some surprising results involving the Evangelist's overall narrative purposes and the discrete purposes of individual parables in supporting the authority of Jesus proclaiming God's love, exhorting steadfastness and so on. Eschatological and allegorical readings are equally unlikely according to Thur n's results. This study is sure to spark learned discussion among scholars, preachers and students for years to come.

**An exposition of the Parables** Benjamin Keach, 1856

Essays on Halakhah in the New Testament Bernard S. Jackson, 2008. These essays explore the Jewish background to central issues in the New Testament: letter and spirit, prophecy and law, forgiveness, the accounts of Jesus' trial, the evidence required for legal theological claims, the shepherding images, disinheritance and teachings on marriage and divorce.

The New Testament of Our Lord and Saviour Jesus Christ Charles Girdlestone, 2024-09-12. Reprint of the original first published in 1836.

**Let God Arise** John Whitman, 2019-11-06. The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources. Seeing most young Christians don't have any real access to Bible school training and receive a lot of their information from friends, family and various sources, I became burdened to teach them in depth about the subjects they would talk about. I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory. These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings. Having been to Kenya, Africa on a mission trip where I had the ability to teach some of the things in this book, I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God. That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God. I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord.

**Parables of Jesus** Benjamin Galan, 2010-07-21. Jesus used parables to communicate important truth about God's Kingdom. Jorgensen, 2016-09-26 This reception history of the Gospel of Matthew utilizes theoretical frameworks and literary sources from two typically distinct disciplines patristic studies and Valentinian aka Gnostic studies The author shows how in the second and third centuries the Valentinians were important contributors to a shared culture of early Christian exegesis By examining the use of the same Matthean pericopes by both Valentinian and patristic exegetes the author demonstrates that certain Valentinian exegetical innovations were influential upon and ultimately adopted by patristic authors Chief among Valentinian contributions include the allegorical interpretation of texts that would become part of the New Testament a sophisticated theory of the historical and theological relationship between Christians and Jews and indeed

the very conceptualization of the Gospel of Matthew as sacred scripture This study demonstrates that what would eventually emerge from this period as the ecclesiological and theological center cannot be adequately understood without attending to some groups and individuals that have often been depicted both by subsequent ecclesiastical leaders and modern scholars as marginal and heretical
