scholarly commentary on them from Donne's time through 1995 The editors identify and print both an earlier and a revised authorial sequence of sonnets as well as presenting the scribal collection which contains unique authorial versions of several of the sonnets inscribed by Donne's friend Rowland Woodward in the Westmoreland manuscript **Diglossia** Mauro Fernández, 1993-01-01 Today the notion of diglossia occupies a prominent place in sociolinguistic research Since the 1960s when the dominant sense of diglossia was the complementary sociofunctional distribution of two varieties of the same language the term has been applied often controversially to a growing number of diverse sociolinguistic situations As a consequence of this extension of the scope of the concept in combination with an increasing interest in the relationship between the role of language and the social structure the number of publications in this field has risen exponentially over the last decades However despite the growing importance of the notion up till now there was no adequate bibliography devoted to diglossia while coverage in other bibliographies does not do justice to the number of works actually published in this area This first comprehensive bibliography of the subject includes almost 3 000 entries although the time span covered is 1960 1990 the book includes several dozens of entries from before 1960 and also a substantial number of very recent publications from the period 1990 1992 The selection of items has not been restricted to a specific definition of diglossia all available publications in which the term or one of its offsprings appears have been included moreover when considered appropriate some material relevant to the subject has been added even though the term is not explicitly used The usefulness of the bibliography has been enhanced significantly by six indexes 1 index of languages 2 diglossia in literature 3 historically oriented works 4 pedagogically oriented works 5 theoretical works and 6 theses and dissertations Henry of Ghent W. Vanhamel, 1996 Ancient and Medieval Philosophy Series 1 No 36 Henry of Ghent stands out as a leading thinker together with Thomas Aquinas and Bonaventure of the second half of the thirteenth century His rich and multifaceted thought influenced many different traditions he has been seen as an eclectic This book elucidates Henry of Ghent's philosophical and theological system with special reference to his Trinitarian writings It also shows how Henry d 1293 the most influential theologian of his day in Paris developed the Augustinian tradition in response to the Aristotelian tradition of Aquinas **A Real Van Gogh** Henk Tromp, 2010 Sociologische studie naar de oorzaken en gevolgen van het afwijzen van een kunstwerk als echt toegespitst op de discussies rond het werk van Van Gogh **The Variorum Edition of the Poetry of John Donne** John Donne, 2021-01-05 Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared the eighth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of thirteen Divine Poems and details the genealogical history of each poem accompanied by a thorough prose discussion Arranged chronologically within sections the material is organized under the following headings Dates and Circumstances General Commentary Genre Language Versification and Style the Poet Persona and Themes The volume also offers a comprehensive digest of general and topical commentary on the Divine Poems from Donne's time through 2012 **Ivo van**

Hove Susan Bennett, Sonia Massai, 2018-07-12 This book offers a wealth of resources critical overviews and detailed analysis of Ivo van Hove's internationally acclaimed work as the foremost director of theatre opera and musicals in our time Stunning production photos capture the power of van Hove's directorial vision his innovative use of theatrical spaces and the arresting stage images that have made his productions so popular among audiences worldwide over the last 30 years Van Hove's own contribution to the book which includes a foreword interview and his director's notes for some of his most popular shows makes this book a unique resource for students scholars and for his fans across the different art forms in which he works An informative introduction provides an overview of van Hove's unique approach to directing while five sections individually curated by experts in the respective fields of Shakespeare classical theatre modern theatre opera musicals film and international festival curatorship offer readers a combination of critical insight and short excerpts by van Hove's collaborators the actors in the ensemble companies van Hove works with in Amsterdam and New York and by arts critics and reviewers
