Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all

the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious Introduction to Speechwork for Actors Ron Carlos,2022-12-29 Traditional speech work has long favored an upper class white accent as the model of intelligibility Because of that generations of actors have felt disconnected from their own identities and acting choices This much needed textbook redresses that trend and encourages actors to achieve intelligibility through rigorous language analysis and an exploration of their own accent and articulation practices Following an acting class model where you first analyze the script then reveal yourself through it this work breaks down a process for analyzing language in a way that excites the imagination Guiding the student through the labyrinth of abstract concepts and terms readers are delivered into the practicality of exercises and explorations giving them self awareness that enables them to make their own speech come alive Informed throughout by notes from the author s own extensive experience working with directors and acting teachers this book serves as an ideal speech training resource for the 21st century actor and includes specially commissioned online videos demonstrating key exercises Mickey the Wonder Cat Somnath Bhattacharjee,2023-11-27 Welcome to Mickey s Story Mickey the wonder cat series is filled with laughter and fun with the funny antics of Cat Mickey the want to be next President of the United States and where cats can also speak Can cats also speak What Sorry to say but the nations gave them a lot of free speech and now the cats have also started to speak and protest about their needs and wants Cat s needs Well in the world of cats if you don t cuddle and spend happy time with your kitty kitten or our brave and handsome cats you can be punished under the constitution of the United States of Meow Cats You can also help Mickey defend himself from other kids who are so interested in knowing Mickey s gender and to make Mickey s ears look like Mr Elephant s ears by dragging Want to help Mickey more Help him and vote for him to be the next President of the United States I promise the whole world might see a new boom of corruption or Meow meow Introduction Meet Mickey the cool white cat with confidence like McDonald Brum He chills in a busy pet shop in London trying to make predictions about adoption days with his friend Jason Jason The orange cat who does not know the meaning of rest Then Miss Britney the pet shop owner appears so suddenly that Mickey stands up and closes his eyes as if in a fairytale from a Disney movie Mickey s life takes a wild turn A family walks in and 8 year old Julia falls madly for Mickey s charm The family decides Mickey is the perfect addition to their peaceful life to create a beautiful mess But here s the twist Mickey isn t just joining a family he s entering a world where cats have their governments armies and even pick presidents Hold on tight because Mickey s adventure is about to get crazy There s a mischievous 4 year old girl named Jasmine annoying Mickey in his every

breath In the next door Mickey s future girlfriend is waiting with flip flops for him I meant flowers Eh Chapter 2 begins with Mickey Mickey is sitting on the armchair just like another cat but with sorrowful eyes because he misses his old friend Jason But hey it s our Mickey Suddenly Rosie brought in her cute cat to meet with Mickey and Mickey His heart took a U turn from No Drew Tate and started to run after the new cat He prays for a friendship with her and follows her inside the house At the time when nothing could go wrong Max s admiration for another girl in front of Rosie makes her furious Mickey grabs a popcorn and watches the melodrama with violin music But when Mickey expected to watch WWE junior version for a love triangle suddenly it turns into their first kiss and Mickey He looks at the new cat and she runs away Oops what a heartbreak Mickey Chapter 3 tries to bring Mickey to be the next president Mickey with his big beautiful presidential dreams and with a hidden untold desire to get a Nobel Meow Prize takes a taxi full of mishap and stops by a phone store Mickey likes no phone from it but takes one and runs for the parliament building There Mickey starts his presidential campaign with a bribe and promises of better healthcare equal treatment free education green spaces sustainable litter friendly international relations with other states and Meow AI 2 0 Mickey s promises look strong and the cat population chooses the best candidate Chapter 4 begins with YES YES READ EVERYTHING HERE DON T READ BOOKS YES GOOD BOY GO NOW AND READ THE FULL BOOK OR MICKEY WILL DO A HUNGER STRIKE ON YOU Mickey said in a furious voice Yo I can t I want fish candies Eh Mickey why did you need to talk I brought you fish candies backstage already Just sit on a hunger strike and act like you got Dariya and eat but just pretend to be with me Like politicians do Meow Mickey said with a smirk Yes good now what are you waiting for Go read the Halloween catastrophe of Mickey and the Flying Car And Live Love and Laugh *Perfect Figures* Bunny Crumpacker,2007-08-07 Since the beginning of civilization numbers have been more than just a way to keep count Perfect Figures tells the stories of how each number came to be and what incredible associations and superstitions have been connected to them ever since Along the way are some of the great oddities of numbers past as a time when finger counting was a sign of intelligence the Venerable Bede could count to a million on his hands the medieval Algorists who were burnt at the stake for their use of Arabic rather than Roman numerals the Bank of England which stubbornly kept accounts on notched wooden sticks until 1826 Filled with Crumpacker s eloquent wit and broad intelligence Perfect Figures brings the history of numbers to life just as Bill Bryson did for the English language in *The Mother Tongue* **It Begins It Ends It Ends It Begins** Judy Richter,2011-10-28 It Begins It Ends It Ends It Begins is a collection of sketches describing some of the author Judy Richter s memories of life on and off her one hundred acre farm in Bedford New York Coker Farm is home to Richter s avocation as well as her vocation For over forty five years Richter has been in the horse business training young riders and horses for show competition The farm is a still point in a turning world for her family and friends Though many now are grown and gone they keep in touch on the Internet and Facebook Having been actively involved in the sport for nearly half a century Richter has seen many changes but she feels the more things change the more they remain the same

2200 PROVERBS FOR EASY UNDERSTANDING SAAKE SRINIVASULU,2019-03-29 I was inspired by my friend's advice to write this book When I decided to write about proverbs I drew them from a broad range of sources like The Bible famous authors great personalities around the world advertisements diaries etc Proverbs represent our ancient tradition and culture for better understanding I am interpreting and explaining the existing proverbs which are mostly advisory for maintaining morals of the younger generation and easily adoptable in day to day life My experiences are depicted in them for better clarity I tried to write in a language as easy as possible which does not require any reference to a dictionary of any kind They deserved to be quoted in public speeches to inculcate moral values Particularly attention has been paid to impress upon the reader for easy understanding in a given context **The Bee, fire-side companion, & evening tales** ,1823
