Michelle Stuart Michelle Stuart, Lucy R. Lippard, 2010 Whether an earth rubbed book object infused with soil from Canyon de Chelly or a multimedia work depicting crossroads of trade in the Yucatan Michelle Stuart's art conveys a sense of cultural history and distant places This intimate visually stunning volume focuses on the artist's small sculptures and sculptural installations Opening with an introduction by critic Lucy Lippard whose decades long friendship with Stuart gives her unique insight into her practice the book features journal entries interspersed among its 160 illustrations conveying an eloquent sense of time and process Since the early 1970s Stuart has pioneered highly regarded approaches involving the unusual use of materials such as earth rubbed paper and the use of seeds as medium and subject matter She has won international acclaim for her inquiries into nature blending an interest in archaeology biology cosmology and history Sculptural Objects provides a glimpse not only of what inspires Stuart's artmaking but also of the journey a creative mind takes in solving the mysteries of being

Undermining Lucy R. Lippard, 2006-09-13 A marvelous slim book that weaves ideas facts images and histories into a whole about the ecology of the manmade world Rebecca Solnit In Undermining the award winning author art historian and social critic Lucy R Lippard delivers another trademark work that combines text and full color images to explore the intersection of art the environment geography and politics Kirkus Reviews Working from her own experience of life in a New Mexico village and inspired by the gravel pits in the surrounding landscape Lippard addresses a number of fascinating themes including fracking mining land art adobe buildings ruins Indian land rights the Old West tourism photography and water In her meditations she illuminates the relationship between culture industry and the land From threatened Native American sacred sites to the history of uranium mining she offers a skeptical examination of the subterranean economy Featuring more than two hundred gorgeous color images Undermining offers a provocative new perspective on the relationship between art and place in a rapidly shifting society Lippard's strength lies in the depth of her commitment her dual loyalty to tradition and modernity and her effort to restore the broken connection between the two Suzi Gablik The New York Times Book Review

Artistic Reconfigurations of Rome Kaspar Thormod, 2019-04-09 In Artistic Reconfigurations of Rome Kaspar Thormod examines how visions of Rome manifest themselves in artworks produced by international artists who have stayed at the city's foreign academies Structured as an alternative guide to Rome the book represents an interdisciplinary approach to creating a dynamic visual history that brings into view facets of the city's diverse contemporary character Thormod demonstrates that when artists successfully reconfigure Rome they provide us with visions that being anchored in a present undermine the connotations of permanence and immovability that cling to the Eternal City epithet Looking at the work of these artists the reader is invited to engage critically with the question what is Rome today or perhaps better what can Rome be
