Kitarō Nishida

Nishida And Western Philosophy Nishida And Western Philosophy:

An Inquiry into the Good Kitaro Nishida, 1992-01-29 *An Inquiry into the Good* the earliest work of Kitaro Nishida established its author as the foremost Japanese philosopher of the twentieth century The book represents the foundation of Nishida's philosophy which reflects both his deep study of Zen Buddhism and his thorough analysis of Western philosophy In this important new translation two scholars one Japanese and one American have worked together to present a lucid and accurate rendition of this basic work They have also included an enlightening introduction and ample notes to aid the Western reader Nishida sets forth the notion of pure experience The concept that pure or direct experience precedes the separation of subject and object and is true reality He next considers reality investigating its relation to thinking volition and intuition The Good which Nishida considered to be the realization of our internal demands or ideals is analyzed in the light of the nature of reality and pure experience In conclusion Nishida suggests a theory of God as the unifier of the universe and the universe as an expression of God Throughout he touches upon the work of Western philosophers such as Kant Hegel Fichte William James and John Dewey in order to explicate his ideas Front flap

Nishida and Western Philosophy
Robert Wilkinson, 2016-05-13 Nishida Kitaro 1870 1945 is the most important Japanese philosopher of the last century His constant aim in philosophy was to try to articulate Zen in terms drawn from Western philosophical sources yet in the end he found that he could not do so and his thought illustrates a conceptual incommensurability at the deepest level between the main line of the Western tradition and one of the main lines in Eastern thought This book is a work of comparative philosophy Attention is given to the consequences of Nishida's metaphysics in the areas of ethics aesthetics the philosophy of religion and notably the implications of Nishida's example for the question of pluralism This study of Nishida brings into sharp focus the question of whether faced with a conceptual incommensurability at as deep a level as that manifested by Zen the choice between it and its Western alternative can be wholly rational

Intuition and Reflection in Self-Consciousness Kitaro Nishida, 1987-01-09 Nishida Kitaro's reformulation of the major issues of Western philosophy from a Zen standpoint of absolute nothingness and absolutely contradictory self identity represents the boldest speculative enterprise of modern Japan continued today by his successors in the Kyoto School of philosophy This English translation of *Intuition and Reflection in Self Consciousness* evokes the movement and flavor of the original clarifies its obscurities and eliminates the repetitions It sheds new light on the philosopher's career revealing a long struggle with such thinkers as Cohen Natorp Husserl Fichte and Bergson that ended with Nishida's break from the basic ontological assumptions of the West Throughout labyrinthine arguments Nishida never loses sight of his theme the irreducibility and unobjectifiability of the act of self consciousness which constitutes the self Extensive annotation is provided for the first time in any edition of Nishida's work Historians of Japanese philosophy and culture and all those interested in the interaction of Eastern and Western thought forms now have a document which highlights many of the cultural psychological and intellectual dynamics that have shaped Japanese

intellectual life in one of its most fascinating and ambitious manifestations

Nanzan Studies in Religion and Culture

Keiji Nishitani, 1991 In recent years several books by major figures in Japan's modern philosophical tradition have appeared in English exciting readers by their explorations of the borderlands between philosophy and religion What has been wanting however is a book in a Western language to elucidate the life and thought of Nishida Kitaro 1870-1945 Japan's first philosopher of world stature and the originator of what has come to be called the Kyoto School No one is more qualified to write such a book than Nishitani Keiji whose lifetime coincides with the rise and flowering of the Kyoto School and whose own critical contribution to Japanese thought has been so important Nishida Kitaro is a translation of essays Nishitani wrote about his teacher from 1936 to 1968 and published as a book in 1985 This series of meditations by one master on another provides a remarkable living portrait of Nishida the person and conveys the enthusiasm he aroused in his students Examining Nishida's most important work *An Inquiry into the Good* Nishitani penetrates to the core of his thought and presents it in language that is a marvel of clarity

Art and Morality Kitarō Nishida, 1973

[The Origins of Modern Japanese Philosophy](#) Richard Stone, 2024-05-16 Nishida Kitaro is widely considered as the first original philosopher in modern Japan Addressing this claim Richard Stone critically examines Nishida's relation to his contemporary philosophers in the Meiji era 1868-1912 highlighting the continuity difference and relationships between them Stone reassesses the notion that Nishida's *An Inquiry into the Good* 1911 was substantially more philosophically worthwhile than any preceding attempts at philosophy in Japan whilst demonstrating how his early ideas were heavily influenced by the work of thinkers such as Inoue Enryō Onishi Hajime and Miyake Setsurei He argues that original philosophy in Japan did not suddenly start with Nishida Instead it developed within a process of methodological refinement wherein ideas starting from early Meiji philosophers were gradually given more rigorous treatment over the course of the era eventually culminating in Nishida's early philosophy Providing an in depth analysis of Nishida's work that brings it into dialogue with his predecessors *The Origins of Modern Japanese Philosophy* offers both an engaging insight into the Meiji Period as the background of Nishida's philosophical formation and also a clear account of how several core themes in modern Japanese philosophy evolved over the course of an era

Art and Morality Kitaro Nishida, 1973

[Intelligibility and the Philosophy of Nothingness](#) Kitaro Nishida, 2003-01-01

The Nothingness Beyond God Robert Edgar Carter, 1989 When we hear the term Japanese philosophy we think of Zen Buddhism or the Shinto scriptures Yet one of the great 20th century interpreters of Western philosophy Nishida Kitaro lived and wrote in the Japanese islands all his life laboring at an ultimate synthesis of oriental thought and Western hermeneutics To be sure Nishida's aim was to understand his own cultural influences in relation to the Western world What distinguished him however was his passion for rendering oriental metaphysics understandable in the language of Western philosophy and his attempts to contrast the paradoxicality of Buddhist logic with the logical strategies of Aristotle Kant or Hegel Featured in this book is an interpretation of Nishida's writings Professor Carter focuses on the Japanese thinker's notion of *basho* a

concept of nothingness as field place or topos as borrowed from Plato's Timaeus Expounding on the logical foundations and archaic elements in Nishida's work and carefully explaining Nishida's critical approach to the questions of God religion and morality and pure existence this discerning book offers students of Western philosophy and oriental thought alike a highly readable introduction to the teachings of a true world philosopher *Intelligibility and the Philosophy of Nothingness* Kitarō Nishida,1973-01-01 Kitarō Nishida's Philosophy of Life Tatsuya Higaki,Jimmy Aames,2020-12-11T00:00:00+01:00

Nishida Kitaro's Philosophy of Life traces the development of the philosopher's thought by focusing on the keyword life as a unifying thread Active from the end of the nineteenth century to the beginning of the twentieth century Nishida was part of the first generation of Japanese philosophers who tried to develop an original philosophy under the influence of and in response to Western philosophy In his native Japan he has often been interpreted in the context of Eastern thought and Zen Buddhism as well as in relation to phenomenology i.e. Husserl and Heidegger The current volume instead presents an alternative reading of Nishida noting the influence of William James Henri Bergson and Neo Kantianism on his thought and highlighting a line of development that runs in parallel to the thought of the midtwentieth century French philosopher Gilles Deleuze **Zen and Philosophy** Michiko Yusa,2002-03-31 This is the definitive work on the first and greatest of Japan's twentieth century philosophers Nishida Kitaro 1870-1945 Interspersed throughout the narrative of Nishida's life and thought is a generous selection of the philosopher's own essays letters and short presentations newly translated into English

Nothingness Beyond God Robert Edgar Carter,1997 Introduces the work and thought of Nishida Kitaro a Japanese who was one of the 20th century's most profound interpreters of Oriental metaphysics in the language Western philosophy Expounds his approach to God religion morality and pure experience with chapters on the logic of basho self contradictory identity God and nothingness action intuition and values and feeling Annotation copyrighted by Book News Inc Portland OR

Reviving Intellectual Intuition in Metaphysics Kenneth Rose,2024-11-28 Calling for a revival of intellectual intuition in metaphysics long after its banning by Kant Kenneth Rose overcomes the forgetfulness of being through contemplative ontology Rose argues for the reinstatement of intellectual intuition in metaphysics long after its banning by Kant His claim is not merely the conclusion of a thought experiment or of an exercise in conceptual analysis It is the result of the contemplative recognition of being with a meditatively concentrated intellect nous in Greek and buddhi in Sanskrit Recognizing intellectual intuition as a long neglected faculty of philosophical insight Rose shows how it can result in an immediate intuitive discerning of being He discusses how being parcels itself out into the intellectual forms providing the underlying nonphysical arrangement of the physical and mental worlds By reviving the use of intellectual intuition in metaphysics Rose draws upon historical sources across multiple Asian and Anglo European philosophical schools This is a work of contemplative constructive philosophy that breaks down divisions between science philosophy and religion and between diverse cultures and divergent worldviews Nishida Kitaro Nishitani Keiji,1998-04-01 A translation of essays

Nishitani wrote from 1936 to 1968 about his teacher Nishida Kitaro Japan's first philosopher of world stature the originator of what has come to be called the Kyoto School They were collected published as a book in 1985 No one is more qualified to write such a book than Nishitani whose lifetime coincides with the rise flowering of the Kyoto School whose own critical contribution to Japanese thought has been so important This series of meditations by one master on another provides a remarkable living portrait of Nishida the person conveys the excitement he aroused in his students **Japanese**

Phenomenology Y. Nitta, H. Tatematsu, 2012-12-06 **A Study of Good** Kitarō Nishida, 1988-10-10 **Intuition and Reflection in Self-consciousness** Kitarō Nishida, 1987 **The Knowledge-creating Company** Ikujiro Nonaka, Hirotaka Takeuchi, 1995 The authors contend that Japanese firms are successful because they are innovative and not merely masters of imitation as some think and because they create new knowledge and use it to produce successful products and technologies Illustrations **Japan in Traditional and Postmodern Perspectives** Charles Wei-hsun Fu, Steven Heine, 1995-07-01 This book displays the uniqueness and creativity of Japan in terms of the interplay between traditional and postmodern perspectives It deals with the traditional elements in Japanese culture in the light of or in contrast to postmodernism

The Enigmatic Realm of **Nishida And Western Philosophy Nishida And Western Philosophy**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. While this might not be the Nishida And Western Philosophy Nishida And Western Philosophy full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Nishida And Western Philosophy Nishida And Western Philosophy eBooks, including some popular titles.

FAQs About Nishida And Western Philosophy Nishida And Western Philosophy Books

What is a Nishida And Western Philosophy Nishida And Western Philosophy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nishida And Western Philosophy Nishida And Western Philosophy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nishida And Western Philosophy Nishida And Western Philosophy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nishida And Western Philosophy Nishida And Western Philosophy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nishida And Western Philosophy Nishida And Western Philosophy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
