*Oxford Handbook of Clinical Medicine, Oxford Handbook of Clinical Specialties, and Oxford Handbook for Medical School Pack*  
 Ian B. Wilkinson, Clinical Fellow and Honorary Registrar  
 Tim Raine, Tim Raine, Kate Wiles, Spr Obstetric Physician  
 Kate Wiles, Andrew Baldwin, 2022-08-25

The Oxford Handbook of Clinical Medicine, the Oxford Handbook of Clinical Specialties, and the Oxford Handbook for Medical School are bundled together in a pack of three that represents excellent value and serves as the ultimate guide to the study, practice and philosophy of medicine, providing all the relevant knowledge needed for medical school and in modern clinical practice. Now in its tenth edition, the Oxford Handbook of Clinical Medicine has five new authors on the writing team, bringing content fresh from the bedside. Unique among medical texts, it is a complete and concise guide to the core areas of medicine that also encourages thinking about the world from the patient's perspective, offering a holistic, patient-centred approach. For over thirty years, the Oxford Handbook of Clinical Specialties has guided students and junior doctors through their clinical placements, renowned for providing all the information needed for both practice and revision in a deceptively small package. Now in its eleventh edition, the Handbook has been revitalized by an expanded team of specialty experts and junior doctors to guide readers through each of the specialties encountered through medical school and Foundation Programme rotations, while remaining true to the humanity and patient focus of the original edition. The Oxford Handbook for Medical School provides an essential practical guide for all students, whether you have just received your offer, you're eager to succeed on the wards, or you're about to start your final exams. This handbook includes quick access summaries covering the crucial information for your preclinical years and for each clinical specialty. This pack of three will be your closest companion right up to graduation and beyond. Loved and trusted by millions for over three decades, the Oxford Handbook of Clinical Medicine continues to be a truly indispensable companion for the practice of modern medicine. With reassuring and friendly advice throughout, the Oxford Handbook of Clinical Specialties is the ultimate guide and revision tool for every medical student and junior doctor for each clinical specialty placement. The Oxford Handbook for

Medical School will be more than a survival guide it will help you navigate the bewildering range of opportunities medical school offers showing you how to make the most of your time so you are fully prepared for your future career Unmatched by any competitor in their class these handbooks encompass the entire spectrum of clinical medicine helping you become the doctor you want to be
