Oxford Worlds Classics Gullivers Travels World Classics:

Gulliver's Travels Jonathan Swift, 2008-06-12 Thus gentle Reader I have given thee a faithful History of my Travels for Sixteen Years and above Seven Months wherein I have not been so studious of Ornament as of Truth In these words Gulliver represents himself as a reliable reporter of the fantastic adventures he has just set down but how far can we rely on a narrator whose identity is elusive and whoses inventiveness is self evident Gulliver s Travels purports to be a travel book and describes Gulliver s encounters with the inhabitants of four extraordinary places Lilliput Brobdingnag Laputa and the country of the Houyhnhnms A consummately skilful blend of fantasy and realism makes Gulliver s Travels by turns hilarious frightening and profound Swift plays tricks on us and delivers one of the world s most disturbing satires of the human condition This new edition includes the changing frontispiece portraits of Gulliver that appeared in successive early editions ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
