Common Core Curriculum: English, Grades K-5 Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

Common Core Curriculum Maps in English Language Arts, Grades K-5 Great Minds, 2011-10-19 The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards CCSS. The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, and more. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

The Chicago Guide to Writing about Numbers Jane E. Miller, 2008-04-15 People who work well with numbers are often stymied by how to write about them Those who don t often work with numbers have an even tougher time trying to put them into words For instance scientists and policy analysts learn to calculate and interpret numbers but not how to explain them to a general audience Students learn about gathering data and using statistical techniques but not how to write about their results And readers struggling to make sense of numerical information are often left confused by poor explanations Many books elucidate the art of writing but books on writing about numbers are nonexistent Until now Here Jane Miller an experienced research methods and statistics teacher gives writers the assistance they need The Chicago Guide to Writing

about Numbers helps bridge the gap between good quantitative analysis and good expository writing Field tested with students and professionals alike this book shows writers how to think about numbers during the writing process Miller begins with twelve principles that lay the foundation for good writing about numbers Conveyed with real world examples these principles help writers assess and evaluate the best strategy for representing numbers She next discusses the fundamental tools for presenting numbers tables charts examples and analogies and shows how to use these tools within the framework of the twelve principles to organize and write a complete paper By providing basic guidelines for successfully using numbers in prose The Chicago Guide to Writing about Numbers will help writers of all kinds clearly and effectively tell a story with numbers as evidence Readers and writers everywhere will be grateful for this much needed mentor
