Minnesota Commandery, 1890 *Brought Forth on This Continent* Harold Holzer, 2024-02-13 Winner of the Barondess Lincoln Award Winner of the Lincoln Group of New York s Award of Achievement From acclaimed Abraham Lincoln historian Harold Holzer a groundbreaking account of Lincoln s grappling with the politics of immigration against the backdrop of the Civil War In the three decades before the Civil War some ten million foreign born people settled in the United States forever altering the nation s demographics culture and perhaps most significantly voting patterns America s newest residents fueled the national economy but they also wrought enormous changes in the political landscape and exposed an ugly at times violent vein of nativist bigotry Abraham Lincoln s rise ran parallel to this turmoil even Lincoln himself did not always rise above it Tensions over immigration would split and ultimately destroy Lincoln s Whig Party years before the Civil War Yet the war made clear just how important immigrants were and how interwoven they had become in American society Harold Holzer winner of the Lincoln Prize charts Lincoln s political career through the lens of immigration from his role as a member of an increasingly nativist political party to his evolution into an immigration champion a progression that would come at the same time as he refined his views on abolition and Black citizenship As Holzer writes The Civil War could not have been won without Lincoln s leadership but it could not have been fought without the immigrant soldiers who served and by the tens of thousands died that the nation might live An utterly captivating and illuminating work *Brought Forth on This Continent* assesses Lincoln s life and legacy in a wholly original way unveiling remarkable similarities between the nineteenth century and the twenty first *Glimpses of the Nation's Struggle* Edward Duffield Neill, 1889 *Glimpses of the nation's struggle* Military order of the Loyal Legion of the U.
