(Bishop of Mytilene.), Geoffrey

Pagans Scribe Four Of The Pagan Chronicles:

Pagan's Scribe Catherine Jinks, 2006 In France in 1209 Pagan now an archdeacon takes on a new scribe named Isidore a fifteen year old epileptic and an orphan and together they try to survive the siege of Carcassonne Reprint **Joyce in the Belly of the Big Truck; Workbook** Joyce A. Cascio, 2005-05 **Slavic Paganism in Medieval Christian Writings** Jiří Dynda, 2025-10-30 How did medieval Christian writers shape our understanding of Slavic paganism What prompted men like Thietmar of Merseburg Saxo Grammaticus Cosmas of Prague or the anonymous Old Russian preacher to write detailed accounts of Slavic rituals deities and nearly forgotten tales This volume examines the discursive strategies these authors used to describe distort and redefine pre Christian Slavic religion Through over a dozen case studies the author explores texts archaeological evidence and ethnographic data that reveal how Christianity attempted to reframe pagan traditions With innovative interpretations and interdisciplinary methods this book offers novel perspectives on the study of Slavic pre Christian religions in the Middle Ages **The Last Pagans of Rome** Alan Cameron, 2011 Rufinus vivid account of the battle between the Eastern Emperor Theodosius and the Western usurper Eugenius by the River Frigidus in 394 represents it as the final confrontation between paganism and Christianity It is indeed widely believed that a largely pagan aristocracy remained a powerful and active force well into the fifth century sponsoring pagan literary circles patronage of the classics and propaganda for the old cults in art and literature The main focus of much modern scholarship on the end of paganism in the West has been on its supposed stubborn resistance to Christianity The dismantling of this romantic myth is one of the main goals of Alan Cameron's book Actually the book argues Western paganism petered out much earlier and more rapidly than hitherto assumed The subject of this book is not the conversion of the last pagans but rather the duration nature and consequences of their survival By re-examining the abundant textual evidence both Christian Ambrose Augustine Jerome Paulinus Prudentius and pagan Claudian Macrobius and Ammianus Marcellinus as well as the visual evidence ivory diptychs illuminated manuscripts silverware Cameron shows that most of the activities and artifacts previously identified as hallmarks of a pagan revival were in fact just as important to the life of cultivated Christians Far from being a subversive activity designed to rally pagans the acceptance of classical literature learning and art by most elite Christians may actually have helped the last reluctant pagans to finally abandon the old cults and adopt Christianity The culmination of decades of research *The Last Pagans of Rome* will overturn many long held assumptions about pagan and Christian culture in the late antique West The Chronicle of Pseudo-Zachariah Rhetor Pseudo-Zachariah Rhetor, Zacharias (Bishop of Mytilene.), Geoffrey Greatrex, 2011-01-01 Among the most important sources for the history of the church from the Council of Chalcedon in 451 to the early years of the reign of Justinian is the chronicle attributed to Zachariah of Mytilene Though Zachariah's Ecclesiastical History was just one of a range of sources cited by this later compiler so great was its influence that the resultant text bears his name The chronicle covers both church and secular affairs and includes a wealth of

important information about the fifth and sixth centuries including a history of theological controversies a catalog of the world's regions based on Ptolemy's Geography and many eyewitness accounts of key historical events The Chronicle of Pseudo Zachariah Rhetor is the first translation of this seminal text to a modern language in over one hundred years and the new edition benefits from improvements in Syriac lexicography and expanded research on the source Contributions from two eminent Syriac scholars Sebastian P Brock and Witold Witakowski and a detailed commentary further enhance the value of this book as does the substantial bibliography Beyond a mere translation this book is a key resource for understanding the development of the modern dynamics of Christianity in Turkey Iraq and the Near East *The Church Historians of England: pt. 1. The Anglo-Saxon chronicle. The chronicle of Florence of Worcester* Joseph Stevenson, 1853 *The Church Historians of England: pt. 1. The Anglo-Saxon chronicle. Florence of Worcester. The chronicle of Florence of Worcester, with a continuation and appendix** Anglo-Saxon chronicle, 1853 God Against the Gods Jonathan Kirsch, 2005-01-25 Lively points out that the conflict between the worship of many gods and the worship of one true god never disappeared Publishers Weekly Jonathan Kirsch has written another blockbuster about the Bible and its world David Noel Freedman Editor in Chief of the Anchor Bible Project Kirsch tackles the central issue bedeviling the world today religious intolerance A timely book well written and researched Leonard Shlain author of *The Alphabet and the Goddess and Sex Time and Power* An intriguing read *The Jerusalem Report* A timely tale about the importance of religious tolerance in today's world San Francisco Chronicle Kirsch is a fine storyteller with a flair for rendering ancient tales relevant and appealing The Washington Post The Athenaeum and Literary Chronicle, 1829 **A History of the Russian Church to 1488** John L. Fennell, 2014-01-14 The Russian church is central to an understanding of early Russian and Slav history but for many years there has been no accessible up to date introduction to the subject in English until now The late John Fennell's last book is a masterly survey of the development nature and role of the early Church in Russia from Christianization of the country in 988 through Kievan and Tatar periods to 1448 when the Russian Church finally became totally independent of its mother church in Byzantium Tom Harpur 4-Book Bundle Tom Harpur, 2014-01-16 Tom Harpur is one of the world's great writers on the topics of Christianity and ethics and the author of many bestselling books This special four book bundle collects *Water Into Wine* An Empowering Vision of the Gospels an examination of the story and meaning of Jesus' life *Born Again* My Journey from Fundamentalism to Freedom in which Harpur relates the personal story of his spiritual development the perennial bestseller *The Pagan Christ* Recovering the Lost Light and *There Is Life After Death* Harpur's classic examination of death and dying This is an essential collection from a compelling author not only for Christian readers but any reader with a deep interest in philosophy and ethics Includes *Born Again* *The Pagan Christ* *There Is Life After Death* *Water Into Wine* *Spaces in Late Antiquity* Juliette Day, Raimo Hakola, Maijastina Kahlos, Ulla Tervahauta, 2016-05-26 Places and spaces are key factors in how individuals and groups construct their identities Identity theories have emphasised that the

construction of an identity does not follow abstract and universal processes but is also deeply rooted in specific historical cultural social and material environments The essays in this volume explore how various groups in Late Antiquity rooted their identity in special places that were imbued with meanings derived from history and tradition In Part I essays explore the tension between the Classical heritage in public especially urban spaces in the form of ancient artwork and civic celebrations and the Church s appropriation of that space through doctrinal disputes and rival public performances Parts II and III investigate how particular locations expressed and formed the theological and social identities of Christian and Jewish groups by bringing together fresh insights from the archaeological and textual evidence Together the essays here demonstrate how the use and interpretation of shared spaces contributed to the self identity of specific groups in Late Antiquity and in so doing issued challenges and caused conflict with other social and religious groups

The Family Herald ,1857 **The Samaritans in Flavius Josephus** Reinhard Pummer,2009 The first century C E Jewish historian Flavius Josephus is our main source of information for the early history of the Samaritans a community closely related to Judaism whose development as an independent religion is commonly dated in the Hellenistic Roman period Josephus two main works Jewish War and Jewish Antiquities contain a number of passages that purport to describe the origin character and actions of the Samaritans In composing his histories Josephus drew on different sources some identifiable others unknown to us Contemporary Josephus research has shown that he did so not as a mere compiler but as a creative writer who selected and quoted his sources carefully and deliberately and employed them to express his personal views Rather than trying to isolate and identify Josephus authorities and to determine the meaning these texts had in their original setting Reinhard Pummer examines what Josephus himself intended to convey to his audience when he depicted the Samaritans in the way he did He attempts to combine composition criticism and historical research and argues that the differences in Josephus portrayal of the Samaritans in War on the one hand and in Antiquities on the other are due to the different aims the historian pursued in the two works
