Painted Pages Fueling Creativity With Sketchbooks And Mixed Media Sarah Ahearn Bellemare:

Painted Pages Sarah Ahearn Bellemare, 2011-05-01 This book shows how to use an artist's sketchbook in a new way. Instead of the classic idea of an artist sketching in a sketchbook, the author shows how to use sketchbooks as a daily working tool. While they begin as a place to collect ideas and inspirations, readers learn how those collections, scraps, ideas, and doodles can lead directly to and fuel ideas for future mixed media paintings. Specific how-to's, techniques, creative prompts, and project ideas are introduced in each chapter to guide the reader through creating individual works of art which launch from a variety of themes. Each chapter includes an interview with well-known artists and bloggers who will share a peek into their sketchbooks and journals, and readers will learn how they stay inspired and creative. This is an inspiring and fresh collection of photographs, ideas, and projects that the reader can use on their own to create their own sketchbooks and mixed media works of art, whether they are a seasoned artist or someone just starting out on their creative journey.

Painted Pages Sarah Ahearn Bellemare, 2011-05-01 More inspirational guide than step-by-step workbook, *Painted Pages* is about helping you to find your own unique way in the everyday to be creative and make art. With specific how-to techniques and creative prompts on using an artist's sketchbook in a new way, these pages provide a gentle push to help you discover and integrate your creative passions through sketchbooks, workspaces, and mixed media. Through beautiful full-color imagery, you'll learn in each chapter how your collections, scraps, ideas, and doodles can lead directly to and fuel ideas for creating individual works of art. Using her own materials and methods as a source of motivation, Sarah Ahearn Bellemare provides an inside look at her personal creative processes, sharing her use of her favorite resources alongside tips and tricks for making art all the while encouraging you to explore, play, and make mistakes as part of the journey. At the end of each chapter, Sarah takes you to visit the studios and sketchbooks of some of her fellow artists, including Shanna Murray, Christine Chitnis, Stephanie Levy, and others, for behind-the-scenes glances into their creative work. Become inspired to build upon your own artistic style and discover the beauty in everyday life with *Painted Pages*.
