Ben Fallaw

Mexico Between Hitler And Roosevelt:

Mexico Between Hitler and Roosevelt Friedrich Engelbert Schuler, 1998 Mexico's relationship with the world during the 1930s is revealed as a fascinating series of calculated responses to domestic political changes and international economic shifts *Unwelcome Exiles. Mexico and the Jewish Refugees from Nazism, 1933-1945* Daniela Gleizer, 2013-10-02

Unwelcome Exiles Mexico and the Jewish Refugees from Nazism 1933-1945 reconstructs a largely unknown history during the Second World War the Mexican government closed its doors to Jewish refugees expelled by the Nazis In this comprehensive investigation based on archives in Mexico and the United States Daniela Gleizer emphasizes the selectiveness and discretionary implementation of post revolutionary Mexican immigration policy which sought to preserve mestizaje the country's blend of Spanish and Indigenous people and the ideological basis of national identity by turning away foreigners considered inassimilable and therefore undesirable Through her analysis of Mexico's role in the rescue of refugees in the 1930s and 40s Gleizer challenges the country's traditional image of itself as a nation that welcomes the persecuted This book is a revised and expanded translation of the Spanish *El exilio inc modo M xico y los refugiados jud os 1933 1945* which received an Honorable Mention in the LAJSA Book Prize Award 2013

Mexico's Relations with Latin America during the Cárdenas Era Amelia M. Kiddle, 2016-10-15 This book examines culture and diplomacy in Mexico's relations with the rest of Latin America during the presidency of L zaro C rdenas 1934-1940 Drawing on archival research throughout Latin America the author demonstrates that C rdenas's representation of Mexico as a revolutionary nation contributed to the formation of Mexican national identity and spread the legacy of the Mexican Revolution of 1910 beyond Mexico's borders C rdenas did more than any other president to fulfill the goals of the revolution incorporating the masses into the political life of the nation and implementing land reform resource nationalization and secular public education and his government promoted the idea that these reforms represented a path to social political and economic development for the entire region Kiddle offers a colorful and detailed account of the way Cardenista diplomacy was received in the rest of Latin America and the influence his policies had throughout the continent *The War Has Brought Peace to Mexico* Halbert Jones, 2014-04-15

Though the war years in Mexico have attracted less attention than other periods this book shows how the crisis atmosphere of the early 1940s played an important part in the consolidation of the post revolutionary regime **Mexico and the**

Spanish Civil War Mario Ojeda Revah, 2015-07-01 Based on first hand diplomatic political and journalistic sources most unpublished Mexico and the Spanish Civil War investigates the backing of the Second Republic by Mexico during the Spanish Civil War Significant military material and financial aid was given by the government of L zaro C rdenas 1934-1940 to the Republic which involved not only direct sales of arms but also smuggling operations covertly undertaken by Mexican diplomatic agents in order to circumvent the embargo imposed by the London Committee of Non Intervention This path breaking account reveals the operations in Spain of Mexican workers soldiers artists and intellectuals such as later Nobel

Laureate Octavio Paz and the Muralist David Alfaro Siqueiros as volunteers and propagandists for the Republican cause Engagement with the Spanish Civil War also had a profound impact upon Mexico's domestic politics as support for the Republic was equated by Cárdenas with his own revolutionary project The defeat of the Republic in 1939 therefore had far reaching repercussions for the post 1940 governments Originally published to critical acclaim in Spanish the work has been quoted and reviewed by many leading specialists on the Civil War including Anthony Beevor Nigel Vias Santos Juliá and Pedro Pérez Herrero This book is essential reading for students and scholars specialising in contemporary European history and politics Latin American studies and all those with an interest in the Spanish Civil War and the Mexican Revolution

Religion and State Formation in Postrevolutionary Mexico Ben Fallaw, 2013-01-21 The religion question the place of the Church in a Catholic country after an anticlerical revolution profoundly shaped the process of state formation in Mexico From the end of the Cristero War in 1929 until Manuel L. Calles assumed the presidency in late 1940 and declared his faith Mexico's unresolved religious conflict roiled regional politics impeded federal schooling undermined agrarian reform and flared into sporadic violence ultimately frustrating the secular vision shared by Plutarco Elías Calles and Lázaro Cárdenas Ben Fallaw argues that previous scholarship has not appreciated the pervasive influence of Catholics and Catholicism on postrevolutionary state formation By delving into the history of four understudied Mexican states he is able to show that religion swayed regional politics not just in states such as Guanajuato in Mexico's central west Rosary Belt but even in those considered much less observant including Campeche Guerrero and Hidalgo Religion and State Formation in Postrevolutionary Mexico reshapes our understanding of agrarian reform federal schooling revolutionary anticlericalism elections the Segunda a second Cristero War in the 1930s and indigenism the Revolution's valorization of the Mesoamerican past as the font of national identity

Finding Afro-Mexico Theodore W. Cohen, 2020-05-07 In 2015 the Mexican state counted how many of its citizens identified as Afro Mexican for the first time since independence Finding Afro Mexico reveals the transnational interdisciplinary histories that led to this celebrated reformulation of Mexican national identity It traces the Mexican African American and Cuban writers poets anthropologists artists composers historians and archaeologists who integrated Mexican history culture and society into the African Diaspora after the Revolution of 1910 Theodore W. Cohen persuasively shows how these intellectuals rejected the nineteenth century racial paradigms that heralded black disappearance when they made blackness visible first in Mexican culture and then in post revolutionary society Drawing from more than twenty different archives across the Americas this cultural and intellectual history of black visibility invisibility and community formation questions the racial cultural and political dimensions of Mexican history and Afro diasporic thought

The Vatican and Catholic Activism in Mexico and Chile Stephen J. C. Andes, 2014 A religious and political history of transnational Catholic activism in Latin America during the 1920s and 1930s

Cervantes, the Golden Age, and the Battle for Cultural Identity in 20th-Century Spain Ana María G. Laguna, 2021-07-29 Studies that connect the Spanish

17th and 20th centuries usually do so through a conservative lens assuming that the blunt imperialism of the early modern age endlessly glorified by Franco's dictatorship was a constant in the Spanish imaginary. This book by contrast recuperates the thriving humanistic vision of the Golden Age celebrated by Spanish progressive thinkers, writers and artists in the decades prior to 1939 and the Francoist Regime. The hybrid modern stance of the country in the 1920s and early 1930s would uniquely incorporate the literary and political legacies of the Spanish Renaissance into the ambitious design of a forward democratic future. In exploring the complex understanding of the multifaceted event that is modernity, the life story and literary opus of Miguel de Cervantes (1547-1616) acquires a new significance given the weight of the author in the poetic and political endeavors of those Spanish left wing reformists who believed they could shape a new Spanish society. By recovering their progressive dream buried for almost a century of incipient and full Spanish modernities, Ana María G. Laguna establishes a more balanced understanding of both the modern and early modern periods and casts doubt on the idea of a persistent conservatism in Golden Age literature and studies. This book ultimately serves as a vigorous defense of the canonical as well as the neglected critical traditions that promoted Cervantes's humanism in the 20th century.

Antifascist Humanism and the Politics of Cultural Renewal in Germany Andreas Agocs, 2017-07-14. A study of German traditions of cultural renewal from their origins in antifascist activism in German exile communities in Europe and Latin America during World War II to their failure during the emerging Cold War in occupied Germany and the early German Democratic Republic.

Hitler's Man in Havana Thomas Schoonover, 2008-09-12. When Heinz L.ning posed as a Jewish refugee to spy for Hitler's Abwehr espionage agency, he thought he had discovered the perfect solution to his most pressing problem: how to avoid being drafted into Hitler's army. L.ning was unsympathetic to Fascist ideology but the Nazis' tight control over exit visas gave him no chance to escape Germany. He could enter Hitler's army either as a soldier or a spy. In 1941 he entered the Abwehr academy for spy training and was given the code name Lumann. Soon after L.ning began the service in Cuba that led to his ultimate fate of being the only German spy executed in Latin America during World War II. L.ning was not the only spy operating in Cuba at the time. Various Allied spies labored in Havana: the FBI controlled eighteen Special Intelligence Service operatives and the British counterintelligence section subchief Graham Greene supervised Secret Intelligence Service agents and Ernest Hemingway's private agents supplied inflated and inaccurate information about submarines and spies to the U.S. ambassador Spruille Braden. L.ning stumbled into this milieu of heightened suspicion and intrigue. Poorly trained and awkward at his work, he gathered little information worth reporting, was unable to build a working radio and improperly mixed the formulas for his secret inks. L.ning eventually was discovered by British postal censors and unwittingly provided the inspiration for Graham Greene's *Our Man in Havana*. In chronicling L.ning's unlikely trajectory from a troubled life in Germany to a Caribbean firing squad, Thomas D. Schoonover makes brilliant use of untapped documentary sources to reveal the workings of the famed Abwehr and the technical and social aspects of L.ning's spycraft.

Using archival sources from three continents Schoonover offers a narrative rich in atmospheric details to reveal the political upheavals of the time not only tracking L ning s activities but also explaining the broader trends in the region and in local counterespionage Schoonover argues that ambitious Cuban and U S officials turned L ning s capture into a grand victory For at least five months after L ning s arrest U S and Cuban leaders J Edgar Hoover Fulgencio Batista Nelson Rockefeller General Manuel Ben tez Ambassador Spruille Braden and others treated L ning as a dangerous key figure for a Nazi espionage network in the Gulf Caribbean They reworked his image from low level bumbler to master spy using his capture for their own political gain In the sixty years since L ning s execution very little has been written about Nazi espionage in Latin America partly due to the reticence of the U S government Revealing these new historical sources for the first time Schoonover tells a gripping story of L ning s life and capture suggesting that L ning was everyone s man in Havana but his own

The Ambivalent Revolution Stephen E. Lewis,2005 Why did the Zapatista rebellion occur in Chiapas and not in some other state in southern Mexico where impoverished marginalized indigenous peasants also suffer a legacy of exploitation and repression Stephen Lewis believes the answers can be found in the 1920s and 1930s During those critical years Mexico s most important state and nation building agent the Ministry of Public Education SEP struggled to introduce the reforms and institutions of the Mexican revolution in Chiapas In 1934 the administration of president L zaro C rdenas endorsed socialist education turning federal teachers into federal labor inspectors and promoters of agrarian reform Teachers also attempted to incorporate indigenous populations and forge a more sober defanaticized nationalist citizenry SEP activism won over most mestizo communities after 1935 but enraged local ranchers planters and politicians unwilling to abide by the federal blueprint In the Maya highlands federal education was a more categorical failure and Cardenista Indian policy had unintended even sinister consequences By 1940 Cardenismo and SEP populism were in full retreat even as mestizo communities came to embrace the culture of schooling and identify with the Mexican nation Fifty years later the delayed incomplete and corrupted nature of state and nation building in Chiapas prevented resolution of the state s most pressing problems As Lewis concludes the Zapatistas appropriated the federal government s discarded revolutionary nationalist discourse in 1994 and launched a rebellion that challenged the Mexican state to contemplate a plural multi ethnic nation

Watering the Revolution Mikael D. Wolfe,2017-06-22 In Watering the Revolution Mikael D Wolfe transforms our understanding of Mexican agrarian reform through an environmental and technological history of water management in the emblematic Laguna region Drawing on extensive archival research in Mexico and the United States Wolfe shows how during the long Mexican Revolution 1910 1940 engineers distribution of water paradoxically undermined land distribution In so doing he highlights the intrinsic tension engineers faced between the urgent need for water conservation and the imperative for development during the contentious modernization of the Laguna s existing flood irrigation method into one regulated by high dams concrete lined canals and motorized groundwater pumps This tension generally resolved in favor of development

which unintentionally diminished and contaminated the water supply while deepening existing rural social inequalities by dividing people into water haves and have nots regardless of their access to land By uncovering the varied motivations behind the Mexican government's decision to use invasive and damaging technologies despite knowing they were ecologically unsustainable Wolfe tells a cautionary tale of the long term consequences of short sighted development policies

Connected Struggles Maurice Demers, 2014-07-01 Nationalists from Quebec and Catholic militants from Mexico once shared a common cause one that influenced international relations between their two countries At a time when the Revolution and its aftermath in Mexico and world wars marginalized voices of political dissent in Canada Catholics in both nations saw their cultural struggles as interconnected and worked to build transnational alliances as meaningful discourses of cultural identity In *Connected Struggles* Maurice Demers considers how and why groups from Mexico and Quebec actively sought to establish close cultural and political links Drawing on extensive research in government religious and university archives in Mexico and Canada Demers delves into the actors their rationales and the processes and meanings of such alliances He proposes a reinterpretation of North South collaboration in the Americas by analysing how the bonds created by Quebec's and Mexico's civil societies and religious communities influenced diplomatic relations showing not only the Catholic origins of this solidarity but its conservative even reactionary roots Demers explains how the foreign ministries in Canada and Mexico both used and denounced these linkages depending on the political gains to be made Documenting the emergence of solidarity between French Canadians and Mexicans *Connected Struggles* contributes to the understanding of the influence of civil societies in the history of international relations

Technified Muses Sara A. Potter, 2024-10-08 In this volume Sara Potter uses the idea of the muse from Greek mythology and the cyborg from posthuman theory to consider the portrayal of female characters and their bodies in Mexican art and literature from the 1920s to the present examining genres including science fiction cyberpunk and popular fiction

Anti-americanism in Latin America and the Caribbean Alan McPherson, 2006-03 Whether rising up from fiery leaders such as Venezuela's Hugo Chavez and Cuba's Fidel Castro or from angry masses of Brazilian workers and Mexican peasants anti U S sentiment in Latin America and the Caribbean today is arguably stronger than ever It is also a threat to U S leadership in the hemisphere and the world Where has this resentment come from Has it arisen naturally from imperialism and globalization from economic and social frustrations Has it served opportunistic politicians Does Latin America have its own style of anti Americanism What about national variations How does cultural anti Americanism affect politics and vice versa What roles have religion literature or cartoons played in whipping up sentiment against el yanqui Finally how has the United States reacted to all this This book brings leaders in the field of U S Latin American relations together with the most promising young scholars to shed historical light on the present implications of hostility to the United States in Latin America and the Caribbean In essays that carry the reader from Revolutionary Mexico to Peronist Argentina from Panama in the nineteenth century to the West Indies mid

century independence movement and from Colombian drug runners to liberation theologians the authors unearth little known campaigns of resistance and probe deeper into episodes we thought we knew well They argue that for well over a century identifying the United States as the enemy has rung true to Latin Americans and has translated into compelling political strategies Combining history with political and cultural analysis this collection breaks the mold of traditional diplomatic history by seeing anti Americanism through the eyes of those who expressed it It makes clear that anti Americanism far from being a post 9 11 buzzword is rather a real force that casts a long shadow over U S Latin American relations *Cárdenas Compromised* Ben Fallaw,2001-08-17 The first archive based study of the failure of President Cardenas s agrarian reform in Mexico s Yucatan region *Power and Illicit Drugs in the Global South* Maziyar Ghiabi,2020-04-28 More than a hundred years have passed since the adoption of the first prohibitionist laws on drugs Increasingly the edifice of international drug control and laws is vacillating under pressures of reform Scholarship on drugs history and policy has had a tendency to look at the issue mostly in the Western hemisphere of the globe or to privilege Western narratives of drugs and drugs policy This volume instead turns this approach upside down and makes an intellectual attempt to redefine the subject of drugs in the Global South Opium heroin cannabis hashish methamphetamines and khat are among the drugs discussed in the contributions to the volume which spans from Sub Saharan Africa to Southeast Asia including the Middle East North Africa Latin America and the Indian Subcontinent The volume also makes a powerful case for an interdisciplinary approach to the study of drugs by juxtaposing the work of historians political scientists geographers anthropologists and criminologists Ultimately this edited volume is a rich and diverse collection of new case studies which opens up venues for further research This book was originally published as a special issue of Third World Quarterly [A Companion to Latin American History](#) Thomas H. Holloway,2011-03-21 The Companion to Latin American History collects the work of leading experts in the field to create a single source overview of the diverse history and current trends in the study of Latin America Presents a state of the art overview of the history of Latin America Written by the top international experts in the field 28 chapters come together as a superlative single source of information for scholars and students Recognizes the breadth and diversity of Latin American history by providing systematic chronological and geographical coverage Covers both historical trends and new areas of interest **State Governors in the Mexican Revolution, 1910-1952** Jürgen Buchenau,William H. Beezley,2009-03-16 This unique book traces Mexico s eventful years from 1910 to 1952 through the experiences of its state governors During this seminal period revolutionaries destroyed the old regime created a new national government built an official political party and then discarded in practice the essence of their revolution In this tumultuous time governors some of whom later became president served as the most significant intermediaries between the national government and the people it ruled Leading scholars study governors from ten different states to demonstrate the diversity of the governors experiences implementing individual revolutionary programs over time as well as the waxing and waning of strong governorship as an institution that

ultimately disappeared in the powerful national regime created in the 1940s and 1950s. Until that time, the contributors convincingly argue, the governors provided the revolution with invaluable versatility by dealing with pressing issues of land, labor, housing, and health at the local and regional levels. The flexibility of state governors also offered test cases for the implementation of national revolutionary laws and campaigns. The only book that considers the state governors in comparative perspective, this invaluable study offers a fresh view of regionalism and the Revolution. Contributions by William H. Beezley, Jürgen Buchenau, Francie R. Chassen-López, Michael A. Ervin, María Teresa Fernández Aceves, Paul Gillingham, Kristin A. Harper, Timothy Henderson, David LaFrance, Stephen E. Lewis, Stephanie J. Smith, and Andrew Grant Wood.

If you ally infatuation such a referred **Mexico Between Hitler And Roosevelt** ebook that will meet the expense of you worth, get the definitely best seller from us currently from several preferred authors. If you want to droll books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all books collections Mexico Between Hitler And Roosevelt that we will unconditionally offer. It is not concerning the costs. Mexico Between Hitler And Roosevelt Introduction

Mexico Between Hitler And Roosevelt Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Mexico Between Hitler And Roosevelt Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Mexico Between Hitler And Roosevelt : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Mexico Between Hitler And Roosevelt : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Mexico Between Hitler And Roosevelt Offers a diverse range of free eBooks across various genres. Mexico Between Hitler And Roosevelt Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Mexico Between Hitler And Roosevelt Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Mexico Between Hitler And Roosevelt, especially related to Mexico Between Hitler And Roosevelt, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Mexico Between Hitler And Roosevelt, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Mexico Between Hitler And Roosevelt books or magazines might include. Look for these in online stores or libraries. Remember that while Mexico Between Hitler And Roosevelt, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Mexico Between Hitler And Roosevelt eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Mexico Between Hitler And Roosevelt full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Mexico Between Hitler And Roosevelt eBooks, including some popular titles.

FAQs About Mexico Between Hitler And Roosevelt Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mexico Between Hitler And Roosevelt is one of the best book in our library for free trial. We provide copy of Mexico Between Hitler And Roosevelt in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mexico Between Hitler And Roosevelt. Where to download Mexico Between Hitler And Roosevelt online for free? Are you looking for Mexico Between Hitler And Roosevelt PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Mexico Between Hitler And Roosevelt. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Mexico Between Hitler And Roosevelt are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Mexico Between Hitler And Roosevelt. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Mexico Between Hitler And Roosevelt

To get started finding Mexico Between Hitler And Roosevelt, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Mexico Between Hitler And Roosevelt So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Mexico Between Hitler And Roosevelt. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Mexico Between Hitler And Roosevelt, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Mexico Between Hitler And Roosevelt is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Mexico Between Hitler And Roosevelt is universally compatible with any devices to read.
