The Essential Graham Robson,2004 Essential MG tells the full story of this well loved sports car from its early days covering developments in style increases in power and its history in racing and speed trials The first MG cars were produced in Oxford England in 1924 The car was instantly appealing with a cheekiness of spirit that would characterize the marque all of its life winning the hearts of millions around the globe not least in the United States The price was as attractive as the styling and the performance It was cheap and it was fun quintessential MG traits

Autocar,2001

The Complete Book of Classic MG Cars Ross Alkureishi,2020-11-17 The Complete Book of Classic MG Cars covers all the marque s collectible production saloons and sports cars from the 14 28 and 14 40 sports cars to the iconic postwar convertibles like the MGA and MGB as well as latter day takes on the classic MG formula such as the RV8 First produced in Oxford England in 1924 MG cars proved instantly appealing with a cheeky spirit that would win the hearts of millions around the globe not least of all in the United States This was due in no small part to the fact that the price was as

attractive as the styling and the performance Inexpensive and fun became quintessential MG traits In this installment of Motorbooks Complete Book series author Ross Alkureishi offers a chronological model by model marque history Narratives discuss design production and technology while specification tables highlight key technical and performance data Hundreds of photos illustrate the vehicles and even include detail shots of engine bays and interiors Originally formed as a side business MG became one of the world s most recognized car brands From prewar saloons to fast and affordable two seat sports cars in the pre and postwar periods MG has exuded fun thanks to models like the Midgets and Magnettes the traditionally styled T Types and the vehicles that would become the marque s most recognizable the MGA MGB and MGC MG would undergo several ownership changes throughout the years and Alkureishi expertly shows how different ownership groups affected MG cars good or bad Along the way the company competed on racetracks around the world and Alkureishi describes the most successful of these exploits in complementary sidebars The Complete Book of Classic MG Cars is the essential guide to this important chapter in the history of motoring
