Ninth Day Of Creation:

The Nine Waves of Creation Carl Johan Calleman, 2016-11-15 A guide to aligning your life with the frequencies of the Nine Waves of Creation Explains the quantum physics behind the Waves of the Mayan Calendar system and how their holograms shape the human mind Shows how throughout history each revolution in human consciousness has been driven by the activation of one of the Nine Waves of Creation Reveals how we can consciously work to deactivate the negative patterns of the Sixth Wave and manifest the unity consciousness of the Ninth Wave In the past few years the world has witnessed changes in social consciousness whose sudden development the ruling scientific paradigm has not been able to explain These changes correspond with the activation of new Waves of Creation emanating from the center of the universe that influence human thinking From the Big Bang to the present these Waves guide the evolution of the universe and through their holographic resonance with the human mind profoundly shape revolutions in religion technology economy and social consciousness Presenting a quantum holographic perspective on world history and human consciousness Carl Calleman explains the quantum physics behind the Waves of the Mayan Calendar system and how these Waves allow us to understand the shifting eras on Earth as well as the possibilities of the future He describes how prior to the activation of the 6th Wave in 3115 BCE our social systems were based on a unified cosmic order but the hologram of this Wave shifted society to an all consuming focus on Good and Evil leading to the rise of patriarchal religious structures slavery and warfare He explores how later Waves and their new holograms helped humanity survive the negative effects of the 6th Wave such as the Industrial Revolution of the 7th Wave and the Digital Revolution of the 8th Wave In 2011 the 9th Wave was activated bringing with it an accelerated push for a more egalitarian world a rising awareness of unity consciousness and access to the full power of all Nine Waves of Creation Calleman explains how our individual resonance with each Wave plays a role in the quality of our lives and how we must consciously work to resonate with the higher Waves Revealing how we can become quantum activists in a holographic world by aligning with the 9th Wave the author shows how we each can help manifest the destiny of humanity hinted at in ancient texts The Portal of Evolution Fellow of the Geological and Zoological Societies, 1918

Bailey, 2006-05-28 creation and fall of man Samuel Shuckford, 1819 Genesis Creation and Creationism is an important new study that explores all sides of the creationism debate and gives a sound and spiritually rich way of understanding the creation stories of Genesis Creationism is an ardently proclaimed and widely held point of view involving both scientific and biblical data While much has been written about scientific creationism much less is available about its counterpart biblical creationism Genesis Creation and Creationism provides this much needed evaluation of creationism by uniquely allowing the Bible to speak for itself Author Lloyd R Bailey who is a biblical scholar and also holds a degree in physics begins his investigation by inviting all sides of the creationism debate to set aside their prejudices for or against the theory of evolution and read the biblical story of creation in Genesis 1 1 2 4a He then examines the creationist phenomenon and compares this data with the agenda of the young earth creationist All the while Bailey enhances the Bible's ability to speak for itself by withholding judgment on many of the assumptions of historical critical biblical scholarship for example the date and authorship of Genesis The result is a scientifically straightforward study of Genesis that explicitly answers fundamentalist questions on creationism Genesis Creation and Creationism is a thought provoking study on the relationship of science and religion that speaks to all Christian denominations It provides excellent resource material for high school science classes religion classes and for seminarians engaged in biblical studies **History of the Church of God from the Creation to the Present Day** B.
